#### **IV. Health Insurance Plan Renewal Quote**

Mr. Malachowski began by stating that Blue Cross Blue Shield is still working on their renewal quote. He gave everyone an overview of the current plan to ensure everyone understands that we have a good plan. Then he moved on to the alternative renewal options, comparing those to the current plan and detailing how many participants would be affected.

Mr. Malachowski also explained what the cost would be for each alternative option with the current renewal costs and the approximate they would decrease with a cheaper renewal.

FOP members expressed their lack of desire to make any changes to the current plan. Mr. Summers reminded Committee members that very minimal participants would see any changes with alternative option number one and two.
