35

36 Mr. Malachowski began by stating that Blue Cross Blue Shield is still working on their
37 renewal quote. He gave everyone an overview of the current plan to ensure everyone
38 understands that we have a good plan. Then he moved on to the alternative renewal
39 options, comparing those to the current plan and detailing how many participants
40 would be affected.

41

42 Mr. Malachowski also explained what the cost would be for each alternative option with
43 the current renewal costs and the approximate they would decrease with a cheaper
44 renewal.

45

46 FOP members expressed their lack of desire to make any changes to the current plan.
47 Mr. Summers reminded Committee members that very minimal participants would see
48 any changes with alternative option number one and two. Mr. Banach asked if we could
