Subject: May Monthly Report

Date: 6/7/12

### May

#### Summary

The EMA conducted the monthly test of emergency radios with local agencies and with IEMA. We continued to provide support for the Univ of IL emergency evacuation exercise planned for September and the Rantoul weather related incident exercise to be held in October. The Univ of IL exercise will now also include Parkland College. The Brookens Safety Committee met and determined a date for the Fire Drill and fire extinguisher training. The newly formed LEPC committee met to approve the first organizational steps and plan for future training and opportunities for both the private sector and government agencies participating. The RECG Quarterly meeting was held with an update of the Strategic Plan goals. A kick-off event was jointly held with the Sheriff's Office to announce the formation of a County Search and Rescue Team. John Dwyer spent 10 days on military active duty in support of the NATO Summit operation.
