Summary

Champaign County Emergency Management Agency (CCEMA) remains focused on the COVID-19 response and recovery with an emphasis on vaccine administration. This effort includes public messaging, oversight of the testing site at Marketplace Mall, and supporting the vaccination clinics. This period included a focus on messaging the importance of vaccines to all residents in Champaign County.

COVID-19 Response

Champaign County has distributed 183,813 pieces of PPE including N95 respirators, surgical masks, hand sanitizer, gloves, touchless thermometers, and other support items. CCEMA also maintains supervision of the Champaign County Testing Center near Marketplace Mall. **The center tested 161,501 people** as of September 30th, 2021, since officially opening on May 19, 2020. The County EOC also established a PPE reserve that is stored at CUPHD in case of emergency. This is a 90-day stock to support first responders and the hospitals in case of resurgence.
