I already have a Flexible Spending Account; do I need to complete an enrollment form for 2022?

Yes, you must complete a new enrollment form each year to participate in the Flexible Spending Account Program.

What is a Flexible Spending Account?

See the Flex Overview document for information regarding Medical FSA. See the Dependent Care Overview & Dependent Care FAQ for information regarding Dependent Care FSA.

Do I receive a debit card to use when purchasing eligible items/dependent care?

No, the County does not offer a debit card. You must make your purchase and submit receipts for reimbursement.

How do I submit claims for reimbursement?

Health insurance claims are submitted on your behalf by BCBS to BPC. Please allow up to 6 weeks for reimbursement from date of service. Dental, vision and over the counter claims are to be submitted by you to BPC. You can submit by completing a claim form and mailing to BPC, you can submit on-line through your employee portal, or you can submit through the BPC mobile app.

Where are my reimbursements deposited?

If you want reimbursements direct deposited to your bank account, complete the BPC Direct Deposit Authorization Form. If you do not provide bank information for direct deposit, BPC will mail you a paper reimbursement check.

What type of items can I be reimbursed for?

See FSA Eligible Items document.

Can I purchase eligible items online?

Yes, BPC has partnered with FSA Store to provide you with a convenient on-line store for medical supplies. See the FSA Store Flyer.

How do I register for a BPC account?

See the Web Portal Mobile App Registration Instructions Flyer. Contact BPC at 217-355-2300 for additional information/help with set up.
