

WEBVTT

00:02:11.739 --> 00:02:14.739
Testing the captions.

00:02:16.115 --> 00:02:17.115
There they are!

00:11:03.223 --> 00:11:03.302
See.

00:11:03.302 --> 00:11:39.302
There's.

00:11:04.535 --> 00:11:07.535
Well, so this is a 1 big.

00:11:07.527 --> 00:11:14.527
Okay, we're gonna call this meeting to order, and I guess we'll start with a roll call if we're ready.

00:11:15.030 --> 00:11:16.030
Susan Fowler.

00:11:16.593 --> 00:11:17.593
Here.

00:11:17.712 --> 00:11:19.712
Georgiana Schuster, here.

00:11:20.850 --> 00:11:21.850
Kim Fisher.

00:11:22.461 --> 00:11:24.461
Anne Robin. Here.

00:11:24.647 --> 00:11:25.647
Vicki Niswander.

00:11:35.180 --> 00:11:37.180
And I will second that motion.

00:11:36.352 --> 00:11:38.352
And share it through the agenda.

00:11:40.020 --> 00:12:54.020
Okay.

00:11:40.261 --> 00:11:46.261
Is there some discussion about the agenda? No, I just want to show it to y'all on the big screen. There.

00:11:45.526 --> 00:11:49.526

Alright, then, all those in favor say, aye.

00:11:49.586 --> 00:11:51.586
Aye, aye.

00:11:51.648 --> 00:11:52.648
Any opposed.

00:11:52.647 --> 00:11:53.647
Okay.

00:11:53.819 --> 00:11:55.819
The schedule.

00:11:56.346 --> 00:12:04.346
Acronyms and glossary. It's all there. I'm assuming we don't have any input unless there's somebody on Zoom.

00:12:04.648 --> 00:12:07.648
Is your microphone on?

00:12:08.904 --> 00:12:11.904
Is it a bad microphone? It just went off again. I'll watch it.

00:12:13.340 --> 00:12:14.340
Why don't we trade.

00:12:13.410 --> 00:12:15.410
Okay.

00:12:19.283 --> 00:12:24.283
Alright. Yeah, I I never look for that little red light, apparently.

00:12:24.280 --> 00:12:25.280
So.

00:12:25.770 --> 00:12:32.770
I don't believe we have any citizen unless there's somebody on Zoom who has something to say to us. Is there?

00:12:34.960 --> 00:12:36.960
All right. Moving on.

00:12:36.753 --> 00:12:40.753
Chairperson's comments.

00:12:40.700 --> 00:12:47.700
That's me. You just deleted yours out of there. I you know I just had a quick update on the

00:12:48.082 --> 00:12:53.082
System redesign project. But that's in the agenda. So I'll just pass on that, for right now.

00:12:54.289 --> 00:16:41.289
Like.

00:12:54.705 --> 00:12:56.705
And Lynn, you have comments.

00:12:57.089 --> 00:13:01.089
I promised to defer my comments, so I will.

00:13:01.962 --> 00:13:08.962
Alright. So let's move forward to the approval of meeting minutes. Page 21. Through 27.

00:13:09.278 --> 00:13:14.278
Hopefully. All had a chance to look at that in advance. We'll need a motion to approve.

00:13:16.544 --> 00:13:17.544
I will make.

00:13:17.982 --> 00:13:23.982
I I will make the motion to approve the minutes of their last meeting. Okay.

00:13:24.666 --> 00:13:27.666
Yeah, just push it over. That's a good idea.

00:13:27.172 --> 00:13:29.172
And a second.

00:13:29.290 --> 00:13:31.290
Second. Thank you, Anne.

00:13:31.926 --> 00:13:33.926
Any other discussion on the minutes.

00:13:34.606 --> 00:13:37.606
All those in favor say, Aye.

00:13:38.247 --> 00:13:39.247
Any opposed.

00:13:38.851 --> 00:13:41.851
Okay, moving on to.

00:13:42.687 --> 00:13:44.687
Vendor invoice.

00:13:45.186 --> 00:13:47.186
Page 28.

00:13:49.449 --> 00:13:51.449
Any questions on that.

00:13:52.131 --> 00:13:54.131
Motion, to accept.

00:13:54.691 --> 00:13:56.691
Thank you. Susan. Move.

00:13:57.349 --> 00:13:58.349
Second.

00:13:59.074 --> 00:14:03.074
I will second that. Okay, any other discussion.

00:14:04.326 --> 00:14:07.326
All those in favor say, Aye, aye.

00:14:12.450 --> 00:14:17.450
It's fine. I'll just check it every time. I'll try and remember to check it. No problem.

00:14:17.449 --> 00:14:25.449
Vendor invoice list we did. Staff reports are enclosed. Any questions

00:14:25.574 --> 00:14:27.574
From that? Or comments.

00:14:28.762 --> 00:14:31.762
Always appreciate the information, for sure.

00:14:32.886 --> 00:14:34.886
Okay, moving on.

00:14:35.271 --> 00:14:39.271
To statewide system redesign. I have a.

00:14:39.321 --> 00:14:41.321
Just a quick update.

00:14:41.662 --> 00:14:45.662
And what has been happening with that that I got this morning.

00:14:45.197 --> 00:14:47.197
So

00:14:47.330 --> 00:14:49.330
Apparently the

00:14:49.513 --> 00:14:52.513
Group has been in discussion.

00:14:53.888 --> 00:14:59.888
Kim Mercer Scheidler of the Council, and Kim Zeller of

00:14:59.510 --> 00:15:01.510
Oh! What!

00:15:01.708 --> 00:15:03.708
Ray Graham group. Yeah, she's.

00:15:03.885 --> 00:15:06.885
And she's a very active participant in this.

00:15:06.533 --> 00:15:16.533
And they're talking about - determining details of an independent Engage Illinois organization. So that will be

00:15:17.665 --> 00:15:18.665
A a good thing.

00:15:19.154 --> 00:15:25.154
They also had a meeting with Samantha Alloway of the Arc of Illinois this past week to

00:15:25.532 --> 00:15:32.532
Talk about sustaining systemic change in Illinois, which I think is an important thing, and the next thing.

00:15:33.468 --> 00:15:39.468
Is to talk with Ryan Croak, the Governor's assistant for human services, and.

00:15:39.210 --> 00:15:44.210
To find out what the governor needs and what form he needs it in.

00:15:44.963 --> 00:15:48.963
To make this effort move forward. So that's kind of what I have so far.

00:15:51.149 --> 00:15:52.149
And that's all.

00:15:54.648 --> 00:15:58.648
Next thing I have a question. Yes. Question. So how can we get

00:15:59.276 --> 00:16:01.276
Updated information cause? I I.

00:16:01.403 --> 00:16:04.403
Tried to get on their radar, but I.

00:16:04.459 --> 00:16:12.459
You know, I I that's why I got this update, because I contacted Sharon and said, What.

00:16:13.468 --> 00:16:28.468
What's going on the way to do it is just email. I would say so if it, you know, they're they're perfectly happy to work on their own. But I think we'll be more effective if we have more people engaged so hopefully what they will.

00:16:28.535 --> 00:16:30.535

Take the hint that you know,

00:16:30.651 --> 00:16:31.651

We need to

00:16:31.723 --> 00:16:40.723

Involve people as we're moving forward with this, I mean, if it makes it easier for the organizer for us to be proactive and reach out to her, I can do that. I mean, it's.

00:16:40.907 --> 00:16:50.907

I kind of want to make it a regular agenda item for y'all, just some kind of update. If that's okay with you, that would be perfectly fine and just.

00:16:41.369 --> 00:17:16.369

Oh!

00:16:50.780 --> 00:16:54.780

So that keeps it on my radar as well. But I have

00:16:54.912 --> 00:16:59.912

A real sense of urgency about this. So I really have been kind of a pest.

00:16:59.535 --> 00:17:02.535

As far as the organization goes.

00:17:03.716 --> 00:17:05.716

Anything else on that?

00:17:06.611 --> 00:17:11.611

All right, then, let's move forward with the election of board officers.

00:17:11.867 --> 00:17:14.867

And what is the procedure for that?

00:17:17.250 --> 00:19:37.250

Today.

00:17:20.802 --> 00:17:22.802

You know, I'm not sure, like we actually.

00:17:24.425 --> 00:17:31.425

Shandra has a lot of experience with parliamentary procedure, and just came back from a really large organization managing

00:17:31.931 --> 00:17:32.931

Details like this. So

00:17:34.228 --> 00:17:38.228

I would be more comfortable asking her. Is that okay?

00:17:45.762 --> 00:17:46.762

-Oh.

00:17:46.927 --> 00:17:50.927
It's not that is definitely not her voice.

00:17:55.193 --> 00:17:58.193
Something's wrong with the audio Shandra.

00:18:02.932 --> 00:18:04.932
Is that better now?

00:18:04.576 --> 00:18:05.576
Yes.

00:18:06.877 --> 00:18:07.877
Okay.

00:18:08.934 --> 00:18:10.934
I know it. I know what happened.

00:18:14.450 --> 00:18:21.450
So according to your bylaws, in July you have to nominate officers, and so you

00:18:21.881 --> 00:18:24.881
Elect the name of each officer

00:18:24.446 --> 00:18:32.446
In place, but it has to be 2 separate motions, so you would make a motion to nominate the President

00:18:33.495 --> 00:18:38.495
And then ask from anyone if there are any nominations from the floor

00:18:37.627 --> 00:18:43.627
At least 3 times, and then you close the nominations, and then you move

00:18:43.496 --> 00:18:50.496
To vote in the President, and then you do the same thing for your vice President.

00:18:51.067 --> 00:18:55.067
You. You ask for nominations from the floor 3 times.

00:18:54.822 --> 00:18:55.822
Correct.

00:18:56.328 --> 00:18:57.328
Okay.

00:19:11.628 --> 00:19:16.628
And then you do the same thing. If there are any other nominations from the floor, that's

00:19:16.071 --> 00:19:19.071

Procedure. But you as a chair, you can ask for one time.

00:19:17.806 --> 00:19:19.806

You know it's but that's

00:19:18.187 --> 00:19:21.187

Common practice in parliamentary procedure.

00:19:18.935 --> 00:19:24.935

Okay, seems like a bit of overkill. Given that we only have 4 members present today.

00:19:23.384 --> 00:19:26.384

Okay, that's fine. So you get to

00:19:31.442 --> 00:19:36.442

Be Vicki's Roberts, Vicki's Rules of order.

00:19:35.007 --> 00:19:42.007

Alright. So we need nominations for the role of President of the

00:19:36.333 --> 00:19:37.333

A.

00:19:36.698 --> 00:19:37.698

Okay.

00:19:38.179 --> 00:22:00.179

At, the.

00:19:40.000 --> 00:19:44.000

I nominate Vicki Niswander to continue in that role.

00:19:41.317 --> 00:19:42.317

Board.

00:19:41.622 --> 00:19:42.622

Anne.

00:19:42.631 --> 00:19:44.631

And do we need a second.

00:19:43.252 --> 00:19:44.252

Yes.

00:19:43.255 --> 00:19:45.255

Is there a second.

00:19:57.494 --> 00:20:03.494

Thank you, Georgiana. Are there any other nominations from the floor?

00:19:59.562 --> 00:20:09.562

There any nominations for are there any, you know? Okay, there are no nominations from the floor. So all those in favor say, aye.

00:20:00.627 --> 00:20:01.627
Second that motion.

00:20:10.058 --> 00:20:11.058
Aye, aye.

00:20:16.012 --> 00:20:22.012
Mic went off. My, yeah, it went off, and I will accept, and I appreciate your support in that.

00:20:21.508 --> 00:20:24.508
Secretary. Georgiana has been the secretary for.

00:20:21.573 --> 00:20:23.573
Okay, role of

00:20:23.258 --> 00:20:27.258
A little bit now, but looking to end her

00:20:35.013 --> 00:20:39.013
Term on the board, and so we're not going to

00:20:37.582 --> 00:20:41.582
Recruit her for that again

00:20:38.956 --> 00:20:39.956
Necessarily.

00:20:39.575 --> 00:20:42.575
But I would like to nominate Anne Robin.

00:20:43.019 --> 00:20:46.019
For that role if she is willing.

00:20:55.273 --> 00:21:01.273
Oh, all right! Do we have a second for that? Second.

00:20:58.337 --> 00:21:02.337
Any other discussion any more nominations from the floor.

00:21:00.216 --> 00:21:03.216
Alright, then all those in favor say, Aye.

00:21:00.912 --> 00:21:03.912
Aye, aye, any opposed.

00:21:04.415 --> 00:21:08.415
Okay, we got that done congratulations and thank you.

00:21:23.332 --> 00:21:26.332
Alright draft budgets

00:21:24.653 --> 00:21:27.653
Chris worked so hard on.

00:21:25.153 --> 00:21:29.153
Well, let's do the motions first, st and then we'll have discussion.
Okay.

00:21:25.335 --> 00:21:27.335
We need an approval. For what?

00:21:25.666 --> 00:21:26.666
And.

00:21:25.838 --> 00:21:27.838
Does anybody have any

00:21:30.209 --> 00:21:31.209
Motion to approve.

00:21:46.863 --> 00:21:50.863
There is a thing that I have to read, because it's money.

00:21:48.671 --> 00:21:52.671
Okay, 96 to 90. No, that's not it.

00:21:52.172 --> 00:21:54.172
81.

00:21:53.424 --> 00:21:56.424
So the motions are on, your mic's off.

00:21:57.039 --> 00:22:00.039
The motions are on page 81.

00:21:59.231 --> 00:22:01.231
What's what's that?

00:22:01.156 --> 00:35:34.156
Yeah.

00:22:14.372 --> 00:22:18.372
What we're asking you to approve is.

00:22:15.243 --> 00:22:20.243
And the Budget on page 84, which the Mental Health Board also.

00:22:15.867 --> 00:22:16.867
And.

00:22:15.888 --> 00:22:18.888
The budget on page 83.

00:22:15.990 --> 00:22:17.990

What you're approving.

00:22:15.992 --> 00:22:20.992

So there's no, there are no changes from the Mental Health Board to that one

00:22:18.505 --> 00:22:20.505

Needs to approve. And they did.

00:22:29.393 --> 00:22:38.393

If you have any changes, we would take it back to them at a subsequent meeting. I do think that will be back to you at some point.

00:23:29.339 --> 00:23:49.339

Affirming these Board's authority over their own budgets, and the County Board has the authority to determine whether to release the levy at the level requested, so they might have additional information for us, but in the end they have the final say, so we want to get it as right as possible, according to you all, before they make the final.

00:23:35.665 --> 00:23:53.665

Got it. I mean, the final say means releasing the levy. It doesn't mean changing anything. But you can change things. Okay. Well, I'll go ahead and read the 1st one here a motion to approve the attached draft 25 CCDDDB Budget, with anticipated revenues and expenditures

00:24:05.673 --> 00:24:10.673

Of \$5,465,394.

00:24:09.290 --> 00:24:11.290

Do we have a second?

00:24:09.857 --> 00:24:12.857

Second, any comments or questions

00:24:12.303 --> 00:24:13.303

On the budget.

00:24:18.483 --> 00:24:25.483

All right, then, all in favor. Say, aye, roll call! Oh, roll! Call your microphone, and my mic went off again.

00:24:22.489 --> 00:24:23.489

No.

00:24:24.669 --> 00:24:25.669

Anne Robin.

00:24:24.735 --> 00:24:25.735

Yes.

00:24:25.536 --> 00:24:31.536

Mine went off, I'll start over. Anne Robin yes.

00:24:26.228 --> 00:24:27.228
Yes.

00:24:26.864 --> 00:24:27.864
Yeah.

00:24:27.059 --> 00:24:29.059
Yes.

00:24:31.612 --> 00:24:32.612
Georgiana Schuster.

00:24:31.738 --> 00:24:32.738
Yes.

00:24:32.851 --> 00:24:34.851
Susan Fowler. Yes.

00:24:34.792 --> 00:24:35.792
Kim Fisher.

00:24:44.302 --> 00:25:03.302
Okay. Next one is motion to approve the attached draft 2025 special initiatives fund budget, with anticipated expenditures of \$239,063, with equal revenues, including transfer from fund balance. Use of this

00:24:45.233 --> 00:24:47.233
Vicki Niswander? Yeah.

00:24:46.293 --> 00:24:47.293
One off.

00:24:46.666 --> 00:24:47.666
Yes.

00:24:47.662 --> 00:24:48.662
I don't know.

00:24:47.926 --> 00:24:49.926
A new batch of batteries might be good.

00:25:00.748 --> 00:25:05.748
Use of this fund is consistent with the terms of the intergovernmental agreement.

00:25:01.186 --> 00:25:10.186
Between the CCDDDB and CCMHB, and full approval is contingent on CCMHB action. Do I have a motion?

00:25:09.322 --> 00:25:11.322
I move to approve this budget.

00:25:11.306 --> 00:25:12.306
Second.

00:25:12.439 --> 00:25:13.439
Second from Susan.

00:25:13.630 --> 00:25:14.630
Any discussion.

00:25:13.682 --> 00:25:16.682
We're just whipping right through this stuff. Do you have anything, Lynn?

00:25:14.123 --> 00:25:15.123
Questions.

00:25:17.438 --> 00:25:33.438
Investment interest has been really healthy in the last years, but it's not healthy if the money's not in the fund. So this year the Dd board and the Mental Health Board both had very late deposits of property tax revenue, so I don't know if that will impact other

00:25:20.181 --> 00:25:25.181
This budget is not likely to change related to any news from the county. We had,

00:25:21.871 --> 00:25:25.871
I had some questions for them about deposits like

00:25:32.186 --> 00:25:34.186
Tax revenue.

00:25:32.865 --> 00:25:38.865
And we never know what's gonna happen with expo revenue. But the Special Initiatives fund is so simple.

00:25:37.932 --> 00:25:45.932
There is really no news that would change this other than maybe the individual who's still got about \$5,000 in there in a trust fund

00:25:38.007 --> 00:25:40.007
And this is really like

00:25:57.340 --> 00:26:05.340
Could use that. But it. We could still just leave this budget. So you probably won't see this one again. Hopefully, it's okay. Very good.

00:26:06.406 --> 00:26:08.406
Anything else.

00:26:07.026 --> 00:26:10.026
All those. No, this is a roll call as well. Thank you.

00:26:10.156 --> 00:26:11.156
Anne Robin.

00:26:10.462 --> 00:26:13.462

Georgiana Schuster. Yes.

00:26:11.353 --> 00:26:12.353

Yes.

00:26:12.217 --> 00:26:14.217

Susan Fowler. Yes.

00:26:13.970 --> 00:26:20.970

Next up the MOU with United way for 2 1 1 services on page 96.

00:26:14.152 --> 00:26:15.152

Vicki Niswander.

00:26:14.484 --> 00:26:16.484

Yes, motion carries.

00:26:14.491 --> 00:26:16.491

Alright!

00:26:21.815 --> 00:26:27.815

And this is an authorization for the 2, 1, 1 information services.

00:26:28.622 --> 00:26:31.622

Do we have a motion to approve?

00:26:32.994 --> 00:26:33.994

I so move.

00:26:33.755 --> 00:26:35.755

Thank you. Susan.

00:26:42.873 --> 00:26:45.873

Second.

00:26:42.936 --> 00:26:43.936

Second.

00:26:44.305 --> 00:26:46.305

Sure. Will. Okay.

00:26:45.558 --> 00:26:47.558

It is on.

00:26:47.185 --> 00:26:50.185

96 96 too much paper.

00:27:02.502 --> 00:27:10.502

If it's easier. I got it now. Motion to approve the attached memorandum of understanding with United way of Champaign County.

00:27:07.242 --> 00:27:09.242

Okay.

00:27:08.368 --> 00:27:09.368
I got.

00:27:17.142 --> 00:27:28.142
For 211 services at an annual cost of \$11250, pending similar approval by the CCMHB and authorize

00:27:25.571 --> 00:27:29.571
The executive director and board officer to enter into the agreement.

00:27:26.840 --> 00:27:29.840
So now the motion is from.

00:27:28.883 --> 00:27:29.883
Susan.

00:27:29.698 --> 00:27:31.698
And there is a second from.

00:27:29.885 --> 00:27:31.885
Anne. Thank you.

00:27:46.025 --> 00:27:48.025
Any other discussion?

00:27:47.714 --> 00:27:48.714
Susan Fowler.

00:27:48.715 --> 00:27:49.715
Yeah.

00:27:48.784 --> 00:27:50.784
Georgiana Schuster. Yes.

00:27:49.156 --> 00:27:50.156
Anne Robin.

00:27:49.221 --> 00:27:51.221
Vicki Niswander.

00:27:49.465 --> 00:27:50.465
Yes.

00:27:49.970 --> 00:27:50.970
Kim Fisher.

00:27:50.915 --> 00:27:52.915
Yes, motion, carries.

00:27:55.369 --> 00:28:06.369
All right, moving on very quickly. This could be a quick meeting if we keep going at this rate, so that it's setting the stage for 2025.

00:28:03.993 --> 00:28:08.993

And 26. On page 99.

00:28:08.379 --> 00:28:13.379
The funding priorities and strategic plan.

00:28:17.132 --> 00:28:24.132
This is just - this document is really meant to summarize. It doesn't go into the detail that the.

00:28:21.078 --> 00:28:22.078
Talk about this

00:28:23.268 --> 00:28:26.268
Strategic plan and the priorities

00:28:27.015 --> 00:28:30.015
Memo from for py25. Go into.

00:28:39.011 --> 00:28:47.011
But it's time for us to start updating both of those documents. The goal is to bring you 1st drafts in September.

00:28:44.458 --> 00:28:48.458
At some point. Maybe it was May. You all approved

00:28:45.197 --> 00:28:47.197
And so I wanted to kind of

00:28:45.453 --> 00:28:47.453
Put the main

00:28:45.586 --> 00:28:47.586
Pieces together. So the.

00:28:54.344 --> 00:29:03.344
Extending the 3 Year Plan for an additional year and simply updating the objectives. So the objectives are listed here. They're not fully written out, but just.

00:28:59.709 --> 00:29:04.709
And you can provide feedback in any way you want to. Right now.

00:29:02.774 --> 00:29:03.774
For your feedback.

00:29:03.848 --> 00:29:06.848
Or talk to me later.

00:29:06.597 --> 00:29:10.597
Or there's a we have a survey that captures some of that, too.

00:29:14.475 --> 00:29:17.475
And then the sit... We did the same thing with the priorities.

00:29:18.049 --> 00:29:23.049

Just broad categories, and they've been organized this way for a bit.

00:29:18.856 --> 00:29:25.856

So one thing that's nice about maintaining the broad category sort of as they are is that you can compare from one year to the next. But.

00:29:25.551 --> 00:29:30.551

At last week's discussion we found really what is kind of a.

00:29:37.242 --> 00:29:44.242

Maybe a problem with the way we're organizing them, which is that you are funding a lot of self advocacy groups and activities. But it's not captured because

00:29:37.930 --> 00:29:45.930

There. Those are within other programs. So we may need to do some tweaking of these priorities to

00:29:46.055 --> 00:29:50.055

To allow agencies to fully capture what their programs are

00:29:49.743 --> 00:29:52.743

Doing that you are looking for.

00:29:58.872 --> 00:30:04.872

So that's it's just. This is just another starting point for receiving that kind of input from you.

00:30:00.441 --> 00:30:05.441

Then we have finally a couple of notes on the application process, and there are things that we

00:30:03.564 --> 00:30:07.564

Update every year, and sometimes we update them a lot.

00:30:07.967 --> 00:30:14.967

But every time you make a change like that there are 2 risks. The system developer, you know,

00:30:14.780 --> 00:30:18.780

It makes the change for us, but it creates a problem elsewhere, and then sometimes.

00:30:18.720 --> 00:30:32.720

You know, I'm thankful that agencies are so honest with us sometimes. Just changing stuff is a little chaotic for them. So we wanna be careful about what we change, that we're not just doing it for the sake of making a change.

00:30:32.709 --> 00:30:41.709

But that is a process we start engaging in now, and then suggested actions are just things for you to think about. Like if you want to change

00:30:41.345 --> 00:30:44.345
Any of the like. The quant, the

00:30:45.404 --> 00:30:52.404
Content of the information that we bring you when you're considering applications, or the process by which you review applications.

00:30:52.405 --> 00:30:54.405
We're, you know

00:30:55.219 --> 00:31:06.219
Looking for feedback about that, too. So there was a nice discussion last week. There's a survey. Like I said, you can email us. We'll also present documents hopefully in September that you can react to then as well.

00:31:05.398 --> 00:31:09.398
So if you don't have any comments for us now.

00:31:10.039 --> 00:31:12.039
And you wanna just wait and see what we come up with.

00:31:11.710 --> 00:31:14.710
And react to it in September. That's also fine

00:31:16.152 --> 00:31:21.152
For me. It's it marks the beginning of the cycle to provide you this. Okay.

00:31:21.401 --> 00:31:32.401
And so just one question. The survey that you sent out really is about tweaking the language that currently exists, really because it kind of. I just started it, and it just kind of

00:31:33.092 --> 00:31:37.092
Looked like it was. Let's talk about this phrase, and let's talk about

00:31:38.301 --> 00:31:46.301
Yeah, or to say, like, this is not useful anymore. And then there's like open comments at the end of the sections.

00:31:46.226 --> 00:31:52.226
That like, I think you can write as much as you want. You could say, this structure is the problem, you know, like

00:31:53.405 --> 00:31:57.405
I wanted to make it open ended, if possible, but also surveys -

00:31:57.406 --> 00:31:58.406
That easy.

00:31:59.417 --> 00:32:05.417
It takes a long time, even if it looks like a simple survey. So it's okay. If you don't want to react that way at all.

00:32:04.671 --> 00:32:09.671

Okay, it's just totally optional. Give comments if you need to. Alright.

00:32:09.818 --> 00:32:12.818

Any other comments or questions on that. Susan.

00:32:12.759 --> 00:32:17.759

Well, it's it's not on the survey. It's just on the application process.

00:32:18.009 --> 00:32:22.009

Which started 2 weeks early, and was that helpful for the agencies.

00:32:22.077 --> 00:32:25.077

Is that something to try and continue, or.

00:32:25.143 --> 00:32:27.143

Did it, I mean, did it make a difference?

00:32:28.385 --> 00:32:36.385

Did it for pressure on staff. No, it wasn't harder for us. It sped up the process for you a little bit.

00:32:36.319 --> 00:32:38.319

By like a few weeks, but

00:32:38.326 --> 00:32:45.326

Y'all did it last year. I don't think that any agencies really used it to get an early start, but

00:32:45.888 --> 00:32:46.888

We had -

00:32:46.658 --> 00:32:50.658

Everybody got their stuff done on time,

00:32:50.970 --> 00:33:02.970

Before the deadline which we've seen before, but it was a lot more agencies done before the deadline, so I can't. You know. It's possible people went in there, looked at what was being asked, and then didn't go back to it until they were ready.

00:33:03.459 --> 00:33:04.459

So I

00:33:03.710 --> 00:33:14.710

Feel like it's if we can leave it open longer, it's worth it. We also sometimes lose a lot of time with glitches that we didn't know about.

00:33:14.277 --> 00:33:17.277

Hmm! So that you know.

00:33:18.043 --> 00:33:21.043

That's kind of important to me, too, so I would still.

00:33:21.115 --> 00:33:22.115
Really.

00:33:21.664 --> 00:33:23.664
For opening it

00:33:23.597 --> 00:33:29.597
In December like that, even if nobody else is using it except us. And then we're like, Oh.

00:33:30.150 --> 00:33:31.150
Yeah, I, I.

00:33:30.709 --> 00:33:39.709
Personally, I'm in favor of leaving it open at the same time this year, simply because, as a person who was written a couple of grants before

00:33:40.276 --> 00:33:42.276
Just having that extra

00:33:43.291 --> 00:33:49.291
Buffer of time gives you a chance to go in and think about it. Write what you think you want to write, and then.

00:33:48.852 --> 00:33:50.852
Dump everything in

00:33:51.107 --> 00:33:55.107
On like the second of the last day before the Grants do. That's

00:33:54.742 --> 00:33:57.742
Typically what a lot of Grant writers will do.

00:33:57.796 --> 00:33:58.796
But

00:33:58.856 --> 00:34:05.856
Doesn't mean they're not doing the work. They're just not putting it into the actual system until they're ready to do that.

00:34:07.180 --> 00:34:14.180
What was the official time period last year? Was it December to.

00:34:14.851 --> 00:34:37.851
January. I don't. It was December 22nd, which, you know, we got some negative feedback through the grapevine like, why are you opening it before Christmas. Well, we used to open it on New Year's Day, and the last time we did that I had - it took me 8 h to get things to work right, and I was at the funeral home, and it was a holiday, so I thought

00:34:38.147 --> 00:34:43.147
You know, it's always gonna be near a holiday, or on or close to a weekend.

00:34:43.649 --> 00:34:44.649
So you know.

00:34:45.275 --> 00:34:53.275
I really wasn't that worried about it, but we did not take any time from the other end of it. It was February 12th I think, which has been

00:34:52.965 --> 00:34:55.965
Right around the same time

00:34:55.664 --> 00:35:07.664
Each year, but we did it on a Tuesday or Monday. That was the end date. Our end dates had been Fridays, which was making for very chaotic end of week

00:35:07.828 --> 00:35:18.828
Action on our part. So having it on a Monday like it was, you know, when people had last minute problems, we were a little bit more ready to help. I think it ended on Monday. Not a Tuesday, right.

00:35:20.951 --> 00:35:21.951
It was a Monday.

00:35:22.013 --> 00:35:23.013
I think. Monday.

00:35:23.958 --> 00:35:28.958
See. I think so, because I was at a conference and had to deal with a bunch

00:35:29.103 --> 00:35:33.103
But but not agency problems, technical stuff. So.

00:35:35.110 --> 00:36:08.110
I was like.

00:35:35.152 --> 00:35:40.152
I mean, I would. Really, I feel like that, was the big lesson learned is, don't have our deadlines be Fridays.

00:35:40.085 --> 00:35:41.085
Just.

00:35:41.236 --> 00:35:42.236
I mean.

00:35:43.042 --> 00:35:47.042
Give people the weekend cause, unfortunately, a lot of people have to work over the weekend.

00:35:47.301 --> 00:35:52.301
February 22nd was Wednesday, so I think it was the 12.th

00:35:51.417 --> 00:35:53.417
Oh, the 12! th Sorry!

00:35:53.927 --> 00:35:54.927
Yeah. It was Monday.

00:35:54.981 --> 00:35:55.981
That was.

00:35:59.224 --> 00:36:01.224
Make sure I've been the right year. Sorry.

00:36:09.789 --> 00:36:11.789
Sounds like leaving it the same as what.

00:36:11.417 --> 00:36:13.417
Folks want to do.

00:36:14.748 --> 00:36:26.748
We could consider it a 2 year experiment like we tried it last year. It seemed good. Try it this year and see what happens if it's if it's really not that much better for people, or if it puts you all in too much of a bind

00:36:26.913 --> 00:36:29.913
To approve these documents quickly or

00:36:29.715 --> 00:36:35.715
If we can't get the application stuff set up in time, then those would be reasons to move it back to

00:36:35.420 --> 00:36:37.420
Early January,

00:36:37.473 --> 00:36:38.473
But

00:36:39.338 --> 00:36:45.338
I don't know. I think it's worth trying. I appreciated the extra time. I don't know about anybody else, but

00:36:45.729 --> 00:36:51.729
Gave me a chance to really dig in a little deeper, maybe, and we had some really good conversation about it. So.

00:36:53.293 --> 00:36:54.293
Just my opinion.

00:36:56.216 --> 00:37:03.216
All right, moving on input to the county board, page 106. And this is on Paratransit.

00:37:04.443 --> 00:37:06.443
For information, only.

00:37:05.707 --> 00:37:08.707

Were there any comments or questions on that?

00:37:16.020 --> 00:37:23.020

So I didn't change the date on this memo, because I did that on July 18th
- I went to the County Board meeting and

00:37:23.764 --> 00:37:26.764

My public input was by far

00:37:26.402 --> 00:37:27.402

The

00:37:28.087 --> 00:37:32.087

Least controversial. It was really, you know, kind of boring

00:37:32.230 --> 00:37:35.230

Compared to everything else they were having to deal with.

00:37:34.548 --> 00:37:39.548

They didn't, you know. They don't respond to public input but

00:37:40.882 --> 00:37:52.882

On the break, I ended up talking to people in the audience who had
something to say about transportation and accessibility in Champaign
County, so I felt happy that it does resonate with people as like,

00:37:52.339 --> 00:37:59.339

This is - This is an area for improvement, whether they can do it using
ARPA funds or not. It's on the record and

00:38:00.096 --> 00:38:04.096

And there was audience support for it. So that's that's what happened.

00:38:05.725 --> 00:38:13.725

And you were recognized at that meeting for your years of service. So
congratulations on that. Glad you're still with us.

00:38:14.288 --> 00:38:16.288

Okay.

00:38:15.651 --> 00:38:24.651

Moving on to old business fiscal year 25 funded programs as a information
sheet that's included

00:38:25.415 --> 00:38:26.415

For information, only.

00:38:25.676 --> 00:38:29.676

Next on the agenda. Is there any comment on that.

00:38:29.742 --> 00:38:31.742

No. Okay.

00:38:32.307 --> 00:38:39.307

Evaluation capacity building project? Do we have somebody from the Resiliency Center to talk to us.

00:38:44.744 --> 00:38:47.744

They were probably at the last meeting.

00:38:50.394 --> 00:38:51.394

Okay.

00:38:52.582 --> 00:38:53.582

Okay.

00:38:53.636 --> 00:38:55.636

So they they

00:38:56.075 --> 00:39:03.075

They had an idea that was really interesting, of pairing DD board members with Mental Health board funded agencies

00:39:02.886 --> 00:39:06.886

To practice storytelling and the impact of storytelling.

00:39:07.031 --> 00:39:09.031

But there was a question about.

00:39:09.972 --> 00:39:15.972

Possible Open meetings act issues around that. So I asked the State Attorney Civil Division Chief

00:39:16.088 --> 00:39:19.088

For some input, he said

00:39:19.961 --> 00:39:24.961

Like absolutely would have to do it in a public meeting, just to avoid

00:39:24.585 --> 00:39:26.585

Because even if you start

00:39:27.216 --> 00:39:36.216

With - It's not board business. It's not anything the board is gonna take action on. - It is so closely related to board standards and policies that

00:39:35.592 --> 00:39:40.592

The conversation could drift that way or be perceived that way. So

00:39:40.786 --> 00:39:44.786

That was, that's 1 barrier. And then there are a couple of other things

00:39:45.276 --> 00:39:46.276

Which are

00:39:46.844 --> 00:39:47.844

That

00:39:48.589 --> 00:39:50.589

Oh! Creating, a -

00:39:50.835 --> 00:39:54.835

The perception of, or the reality of, an advantage to

00:39:54.780 --> 00:40:00.780

Those who practice their storytelling when it comes time for applications to be considered.

00:40:00.519 --> 00:40:05.519

So that, you know, because this is public money, we have to be careful that

00:40:05.358 --> 00:40:10.358

All information that could create an advantage for an applicant is public.

00:40:10.539 --> 00:40:13.539

So that was another consideration, and then the 3rd one, which

00:40:13.752 --> 00:40:17.752

He didn't bring up. But after the comments I remembered this.

00:40:17.995 --> 00:40:28.995

Illinois, in 2022 passed some very strict grassroots lobbying laws that really threaten the way we receive public input from agencies, so that

00:40:28.379 --> 00:40:35.379

It is much safer for agencies to just give Staff the input, and we bring it to you like, just allow them the

00:40:36.263 --> 00:40:39.263

The arm's length, so that they don't run the risk of any

00:40:38.705 --> 00:40:40.705

Problem. With that I.

00:40:40.881 --> 00:40:42.881

My understanding is that

00:40:43.211 --> 00:40:56.211

Guidance has still not been issued about that law, and that many people see it as way too restrictive, and that it would, it will probably be revised, but to my knowledge it isn't, so just in an abundance of caution,

00:40:56.008 --> 00:41:02.008

That conversation directly between agencies and people who make decisions about these funds

00:41:01.763 --> 00:41:04.763
Might be, might create other

00:41:04.762 --> 00:41:27.762
Problems. So this very exciting idea they had for a workshop is maybe on hold for a minute. We've made a suggestion that we think the second most important audience for storytelling about the impact of services would actually be the people receiving services. So I think hopefully, they're thinking about how to do that. We have lots and lots of contacts with self advocacy groups

00:41:28.327 --> 00:41:30.327
That neither board funds.

00:41:29.514 --> 00:41:32.514
And then, if there were

00:41:33.333 --> 00:41:37.333
Self advocates in programs that are funded by either board,

00:41:36.901 --> 00:41:45.901
They could do that swapping of rules to remove the potential conflict of interest. So hopefully they're thinking about. That is a really cool idea. But.

00:41:46.401 --> 00:41:47.401
Yeah.

00:41:50.841 --> 00:41:52.841
Any other comments or questions on that.

00:41:53.218 --> 00:41:58.218
All right, then disability resource expo, update.

00:41:57.472 --> 00:42:01.472
Page 113 to 117. Looks like things are cooking

00:42:01.963 --> 00:42:02.963
For the expo.

00:42:13.787 --> 00:42:18.787
No, no comments or questions on that. Okay, and let's move on to.

00:42:16.168 --> 00:42:17.168
Alright!

00:42:20.213 --> 00:42:23.213
Successes and other agency information.

00:42:23.791 --> 00:42:25.791
Any any takers on that.

00:42:29.484 --> 00:42:30.484
Nothing.

00:42:30.600 --> 00:42:32.600
Yeah, okay, we got one.

00:42:49.312 --> 00:42:51.312
Um

00:42:49.435 --> 00:42:50.435
We have a new staff

00:42:49.808 --> 00:42:51.808
Member in

00:42:50.557 --> 00:42:51.557
The PSW

00:42:50.942 --> 00:42:51.942
W

00:42:52.495 --> 00:42:53.495
department

00:42:55.937 --> 00:42:57.937
department

00:43:02.565 --> 00:43:03.565
At PACE

00:43:05.565 --> 00:43:06.565
At PACE.

00:43:05.677 --> 00:43:08.677
Her name is

00:43:06.752 --> 00:43:07.752
LaShunda Hall

00:43:06.941 --> 00:43:08.941
LaShunda

00:43:08.501 --> 00:43:10.501
Hall

00:43:30.691 --> 00:43:35.691
SO we have the correct information about who was here but your comments first.

00:43:39.325 --> 00:43:43.325
Will you like to say - LaShunda.

00:43:42.834 --> 00:43:44.834
Sure, no.

00:43:45.949 --> 00:43:49.949

Absolutely. I just wanna say that I'm glad to be here and

00:43:50.757 --> 00:43:52.757

Just looking forward to

00:43:53.013 --> 00:43:54.013

My time

00:43:54.450 --> 00:43:55.450

And

00:43:55.846 --> 00:43:56.846

Whatever I can contribute.

00:43:58.648 --> 00:44:00.648

Great. Thank you.

00:44:01.791 --> 00:44:02.791

Alright!

00:44:02.486 --> 00:44:08.486

Okay, I think, yeah - this is Hannah. She's with Community Choices.

00:44:08.227 --> 00:44:11.227

Just a quick update

00:44:11.544 --> 00:44:24.544

Today we are starting. We're hosting what we call the Canadians. But the team from Queens University that is doing the international study, that Community Choices, it's a part of.

00:44:24.984 --> 00:44:28.984

They're arriving. They arrived yesterday. But today we're starting training.

00:44:28.761 --> 00:44:43.761

For our self advocates and parents who are going to be conducting some of the research with other parents and other of our other self advocates within our membership. So that's all starting today, which is very exciting

00:44:45.135 --> 00:44:53.135

They are providing all the training, and we got to offer some feedback on what we thought would be, you know, helpful and successful. But they'll be here for 3 days.

00:44:53.763 --> 00:44:55.763

And then after that

00:44:56.102 --> 00:45:06.102

Our self advocates and parents will work with our staff to schedule interviews with our members who've said they'd be interested in providing feedback.

00:45:06.380 --> 00:45:10.380

So yeah, that's that's going. It's very exciting.

00:45:10.955 --> 00:45:15.955

We'll be around, but we will probably be in all day trainings a little bit this week, so.

00:45:17.129 --> 00:45:18.129

So are there.

00:45:17.506 --> 00:45:24.506

Are there? Is there specific focus for this research project? So the way.

00:45:25.010 --> 00:45:32.010

It is a. The style of the study is about participatory goals, and so the

00:45:31.856 --> 00:45:39.856

General general umbrella of the study is based off of - They're looking at ways, families and individuals

00:45:40.599 --> 00:45:52.599

Use natural supports and agency supports together. And what does that look like? And what does that look like in different areas of the world. With different resources. So that's the the overall

00:45:53.112 --> 00:45:57.112

Focus of the study, what it will look like within each site

00:45:56.986 --> 00:46:06.986

Kind of depends on the feedback they receive from participants. So that is the part of the study that I'm not as familiar with, because it is a different style of research that I'm used to.

00:46:06.976 --> 00:46:07.976

But

00:46:08.665 --> 00:46:09.665

So.

00:46:10.102 --> 00:46:13.102

We will see, then, from these interviews what the specific

00:46:14.101 --> 00:46:17.101

Goals and focus for Community Choices in the study is

00:46:17.231 --> 00:46:18.231

That helpful?

00:46:18.038 --> 00:46:20.038

It is, it is. Thank you.

00:46:20.990 --> 00:46:23.990

Alright. Thank you very much, Hannah.

00:46:24.806 --> 00:46:26.806
Alright

00:46:26.417 --> 00:46:28.417
Any other

00:46:28.983 --> 00:46:32.983
Successes and agency information from

00:46:32.616 --> 00:46:33.616
Zoom?

00:46:33.865 --> 00:46:34.865
Are, we

00:46:34.431 --> 00:46:36.431
Done with that?

00:46:37.357 --> 00:46:39.357
Sounds like and

00:46:40.352 --> 00:46:44.352
You don't have Leah today. So is there anything?

00:46:44.162 --> 00:46:46.162
County Board. You gave us some

00:46:46.359 --> 00:46:48.359
Mental Health Board input.

00:46:49.927 --> 00:46:52.927
So they met last week, and approved

00:46:53.696 --> 00:46:58.696
Their budget, they Co-approved, the IDD Special initiatives budget,

00:46:58.195 --> 00:47:02.195
Both as presented, and they also approved the

00:47:02.660 --> 00:47:06.660
Updated memorandum of understanding with 2 1 1. So I'll

00:47:07.468 --> 00:47:13.468
Send around a signable document later today, looking forward to it. And
they also are taking August off.

00:47:13.716 --> 00:47:15.716
They had elections.

00:47:15.905 --> 00:47:16.905
The month for.

00:47:17.148 --> 00:47:19.148
They're gonna take the Aug

00:47:19.155 --> 00:47:23.155
They're not going to have that August meeting, either. I guess. August 21. Maybe.

00:47:22.854 --> 00:47:23.854
Yeah.

00:47:24.402 --> 00:47:25.402
Okay.

00:47:25.785 --> 00:47:27.785
Alright! Any board announcements

00:47:28.406 --> 00:47:29.406
Or input.

00:47:32.613 --> 00:47:35.613
Well, and Anne's not here so

00:47:35.934 --> 00:47:38.934
Anne, do you have any announcements or input? No.

00:47:41.436 --> 00:47:42.436
Okay.

00:47:43.373 --> 00:47:46.373
In that case I think we have a record setting

00:47:47.068 --> 00:47:48.068
End of our meeting.

00:47:48.493 --> 00:47:51.493
Yeah, that that is pretty amazing.

00:47:52.375 --> 00:47:54.375
Thank you for attending.

00:47:57.455 --> 00:48:00.455
It is a good time to

00:48:00.759 --> 00:48:02.759
Get out before it hits.

00:48:02.952 --> 00:48:03.952
Okay.
