If prompted to download software and install Zoom software, do so.

When the meeting opens choose to join with or without video. (Joining without video doesn't impact your participation in the meeting, it just turns off YOUR video camera so your face is not seen. Joining without video will also use less bandwidth and will make the meeting experience smoother).

Join with computer audio.

Once you are in the meeting, click on "participants" at the bottom of the screen.

Once you've clicked on participants you should see a list of participants with an option to "Raise Hand" at the bottom of the participants screen. **If you wish to speak click "raise hand" and the Chair will call on you to speak.**

If you are not a member of the CCMHB or a staff person, **please sign in by writing your name and any agency affiliation in the Chat area.** This, like the recording of the meeting itself, is a public document. There are agenda items for Public Participation and for Agency Updates, and we will monitor the 'raised hands' during those times. If you have called in and therefore do not have access to the chat, there will be an opportunity for you to share your 'sign-in' information.

Members of the public should not write questions or comments in the Chat area, unless otherwise prompted by the Board, who may choose to record questions and answers there.
