18:25:15 From DMaurer to Lynn Canfield(Direct Message) : Hi.  
Sorry I was late--had a homicidal patient---and was working with security--usually does not happen, and will not let it happen again by making sure I have coverage during study groups and meetings.

18:25:43 From Lynn Canfield to DMaurer(Direct Message) : HOLY  
COW. I am so sorry. Also very glad you made it, and you made it right on time.

18:27:12 From DMaurer to Lynn Canfield(Direct Message) : Thank  
you--she is now in her cell and everyone is safe--thank goodness. Again will make sure I get coverage next time.

18:27:40 From DMaurer to Lynn Canfield(Direct Message) : Was I  
just supposed to answer a question? Sorry--getting myself up to speed

19:05:47 From DMaurer to Lynn Canfield(Direct Message) : I  
tried to ask a question, but I think my audio is impaired--if we request the payment for workers from the ARP Act, is that something we will be able to continue?

19:12:39 From Lynn Canfield to DMaurer(Direct Message) : The  
way the ARP guidance looks right now is that this is kind of a bonus payment "premium pay" (maybe even back pay). I like the idea of having this happen at intervals too.
