Redeploy Illinois Program

IX.a.

Overview and Impact

Redeploy Illinois develops evidence-based community programs as an alternative to juvenile incarceration. By addressing community safety and promoting positive youth outcomes, Redeploy Illinois offers judges and prosecutors a tool to interrupt cycles of crime through rehabilitation. Redeploy Illinois provides an array of evidence-based services to high-risk youth, including case management, counseling, court advocacy, and crisis intervention based on an individualized assessment.

Eligible Offenses for DJJ Commitment Reduction Program

All Felony Offenses for Which a Juvenile May Be Committed To IDJJ

The following felony offenses are not IDJJ-eligible: criminal trespass to a residence, criminal damage to property, criminal damage to government supported property, criminal defacement of property, disorderly conduct, or obstructing justice; and Class 3 or Class 4 felony violation of the Illinois Controlled Substances Act *unless* there's been a third or subsequent judicial finding of a violation of probation for substantial noncompliance with court-ordered treatment or programming.

Youth Eligibility

In order to receive Redeploy Illinois-funded services, a youth must:

1. be under the jurisdiction of the juvenile court in a JD case;
2. have been assessed to be at medium or high risk to re-offend as determined by a JRA or a YASI Pre or Full screen; and
3. have appeared before a judge and had an opportunity to consult with defense counsel.

Stages of Proceedings at which Redeploy Services May be Provided

1. pre-trial status (except diversion programs, in which there is conditional forbearance from filing of charges or referral to the State's Attorney); or
2. adjudicated status (on original or modified probation, conditional discharge, court supervision, and continuance under supervision).

An Alternative to Incarceration

Redeploy Illinois is a proven, cost-effective, and lasting alternative to incarceration for youth ages 13-18.

A Local Solution

Redeploy Illinois works at the county level to develop local, sustainable options to address delinquent behavior, keep families together, and keep youth in schools.

A Collaborative Infrastructure

Redeploy Illinois brings together courts, state's attorneys, law enforcement, schools, community-based agencies, and others to develop local solutions.

Redeploy Background & Facts

To decrease juvenile incarceration and maintain public safety, Redeploy Illinois develops community programs that offer judges and prosecutors an alternative tool to interrupt cycles of crime through youth rehabilitation services.

Sponsored by the Illinois Department of Human Services (IDHS), the Redeploy program has made communities safer, put youth on a positive path to adulthood, and saved Illinois money. Since 2005, it has diverted 4,842 youth from the Illinois Department of Juvenile Justice (IDJJ), saving the state more than \$158 million in unnecessary incarceration costs.

2021 REDEPLOY OUTCOMES:

43 counties participated in the Redeploy Program

66% of youth experienced an increase in protective factors

12.6 months was the average length of stay in the program

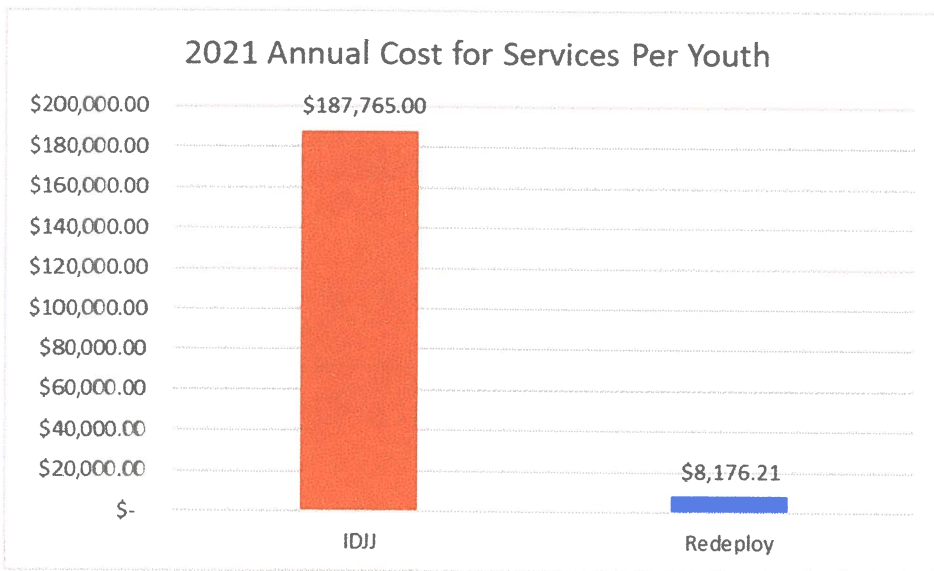

65% of youth experienced a decrease in risk factors

351 youth were referred & served

65% decrease in eligible commitments across Redeploy sites

Redeploy Illinois provides evidence-based services to high-risk youth, including case management, counseling, court advocacy, & crisis intervention, which offer:

1. A cost-effective & lasting alternative to youth incarceration
2. Locally developed solutions to sustainably address delinquent behavior, keep families together & retain youth in schools
3. The establishment of a collaborative infrastructure between courts, states' attorneys, law enforcement, schools, community-based agencies & others

DECISION MEMORANDUM

DATE: January 18, 2023
TO: Champaign County Mental Health Board (CCMHB)
FROM: Lynn Canfield, Executive Director
SUBJECT: Delays in PY22 Agency Audits

Background:

Champaign County Mental Health Board Funding Requirements and Guidelines were revised in 2018 and 2021, extending audit deadlines for all in recognition of delays many had experienced and providing for contract continuation while payments are paused for up to three months. The revised guidelines are incorporated into contracts and posted at ccmhddbrds.org and co.champaign.il.us/mhbddb/PublicDocuments.php.

An important consideration was that CPA firms had difficulty meeting the demand for audits, and this worsened with COVID and workforce shortages. We also learned that if the work is delayed into spring, it competes with tax clients for priority, leading to even longer delays. To ensure that independent audits, financial reviews, or compilations are completed in time for agency board approval and submission by the deadline, agencies are required to engage with a firm at the start of the contract term (July 1). Another change in board requirements was that, if approved through the individual contract or by subsequent contract amendment, greater amounts could be charged to the CCMHB contract for these CPA services, to keep pace with rising costs.

In January 2022, the Board authorized lifting the payment suspension for six agencies which had notified Board staff of delays prior to deadline. Five others did not meet the deadline or inform staff of the cause. Later in 2022, the Board considered special circumstances regarding audits further delayed.

Update:

Although the deadline for audits and reviews for agencies with fiscal year July 1 to June 30 is now December 31, many have again been delayed.

- Ten of the twenty-two required were submitted by that date. January payments were released for those ten and paused for the others.
- One other did not submit by the deadline or inform us of the delay, also resulting in suspension of payment (ECIRMAC/Refugee Center).
- Eleven informed us prior to the deadline that their reports would be late (Christian Health Center, CSCNCC, DREAAM, FirstFollowers, GROW in Illinois, MAYC, Terrapin Station Sober Living, The UP Center, Urbana Neighborhood Connections Center, The Well Experience, and WIN Recovery).
- Between the deadline and the time of this writing, the Champaign County Christian Health Center submitted a financial review, which will allow payment and demonstrate eligibility for funding.
- No others have been received. Because many identified CPA firms as causing the delay, agencies were given the option to send CPA letters to support a request for the Board to lift suspension of payments.

The Board might consider authorizing release of payments for January, February, and March if an audit or review has not been received in time for each of these payments to be issued (i.e., by end of the prior month). I would recommend this only in those cases where the CPA offers information showing the delay as related to them, but the Board may apply other criteria. At this time, most agencies expect their audit or review reports to be completed, approved, and submitted to CCMHB staff during January and in time for February payments. All expect them by March 31, at which date contracts are cancelled if an acceptable audit or review is not submitted. Attached are letters from a CPA firm explaining the circumstances of delayed work for CSCNCC and GROW in Illinois.

An Additional Concern:

Delays not only cause disruption of payments but also, if prolonged beyond March 31, result in cancellation of contracts. Meanwhile, an organization's eligibility for funding cannot be determined without the annual audit or review. With applications for PY2024 funding due by February 10 and given the intensive subsequent review of these applications by CCMHB and staff, this eligibility should be established before the application reviews, funding recommendations, funding decisions, or subsequent PY2024 contracts are undertaken. Due to the importance of the services proposed for funding and the high degree of care taken by agencies in submitting proposals, each stage of the process deserves the full attention of staff and Board members. I

recommend that the Board consider delaying these staff and Board activities to ensure that the overall allocation process is thorough and fair. The result would be that contracts with agencies with delayed audits might not begin until after the goal date of July 1, 2023. The time involved in delayed reviews and decisions is not easy to predict until we know how many agencies will be ineligible as of February 10, how many of them request funding, and how long it might take for eligibility to be secured again.

Decision Section:

Motion to approve the release of January, February, and March payments (if needed) for those agencies which have not submitted an approved audit or review at this time but have demonstrated that the deadline was missed due to delays encountered by the independent CPA firm they had engaged in a timely manner.

We are writing this letter, at the request of our client, to inform you that we are engaged with The Community Service Center of Northern Champaign County, Inc to perform a financial audit for the fiscal year ending June 30, 2022.

Name of Agency

The Community Service Center of Northern Champaign County, Inc

The Date Agency Engaged with Us to do the Work

This is a recurring engagement for us.

Likely Timeframe for Completion

Audit will be completed in January 2023

Causes of the Delay

There continues to be a delay in our audit process due to (1) increasing audit requirements from the State of Illinois and grantors, (2) being understaffed and not being able to hire additional staff, and (3) increasing documentation for audits. These reasons created a backlog of audits and thus a delay in our process. We are currently in the process of increasing fees in order to hire additional staff and increase our resources to help prevent any delays in the future. With the limited number of auditing firms in the area, we want to create a firm that can help as many local organizations and companies as possible.

Likely Timeframe for Completion

Review will be completed by the end of February 2023.

Causes of the Delay

Due to the change in leadership, there was a miscommunication as to whether we would be performing the independent financial review. As a result, communication did not take place until December and a list of items needed to perform the engagement was not provided until December 19, 2022. In the future, our goal is to provide better communication to ensure the engagement is started in a more timely fashion to ensure it being completed in a timely manner.

DECISION MEMORANDUM

DATE: January 18, 2023
TO: Members, Champaign County Mental Health Board (CCMHB)
FROM: Kim Bowdry, Associate Director, on behalf of RFP2022-010
Evaluation Committee, and Lynn Canfield, Executive Director
SUBJECT: RFP2022-010 Evaluation Committee Recommendations

RFP Process and Background:

When the seven-year UIUC Department of Psychology “Evaluation Capacity Building” project ended in summer of 2022, agency partners and members and staff of the CCMHB and Champaign County Developmental Disabilities Board (CCDDB) expressed strong interest in a related subsequent project. The purpose would be to support funded agencies to enhance their capacity for collecting and reporting data on valued outcomes.

The Boards reviewed and approved a Request for Proposals for Evaluation Capacity Building Project during a special joint meeting on September 28. On September 30, we posted the bid notice online and in two local newspapers, posted the full RFP at cmhddbrds.org and <https://www.co.champaign.il.us/bids>, and emailed it to researchers who had expressed an interest in the project. Some of them emailed subsequent questions. We included these questions and responses and the issues raised during a brief pre-proposal conference (October 19) in an RFP Addendum, distributed this document to all who had indicated interest in submitting a proposal, and posted it with the RFP by November 21, 2022. Proposals were due by Noon on December 21. One full response was submitted by that time and met format qualifications; this was opened during an online/in-person Proposal Opening at 5:30PM on December 21. A recording of the Opening is posted with other archived recordings at <https://www.co.champaign.il.us/mhbddb/MeetingInfo.php>.

Update:

RFP2022-010 describes an Evaluation Committee of one CCMHB member, one CCDDDB member, the two Associate Directors, and one person with experience with the previous project. These five individuals received bound and/or electronic copies of the proposal the evening of December 21, reviewed the proposal individually (some using an optional rubric provided by the Executive Director), and met for discussion December 29. After the meeting, additional discussion occurred through email, resulting in follow-up questions to the applicant on January 3 and 4, 2023. The applicant answered all questions satisfactorily.

Evaluation Committee Recommendations:

As a result of their meeting and subsequent discussions, the Evaluation Committee has unanimously recommended approval of Family Resiliency Center's RFP2022-10 proposal for a two-year contract. If the CCDDDB and CCMHB are comfortable considering action on this proposal separately, rather than during the scheduled joint meeting on February 15, the two recommended actions are offered below and require approval by each board.

For the first full year of the contract, the cost would be \$125,003 and, for the second year, \$128,765, for total cost of \$253,768. With a start date of May 1, 2023 and using the administrative cost split defined in the Intergovernmental Agreement between the CCDDDB and CCMHB, this results in the following costs per fiscal year per Board:

- **\$83,335.33** total for May through December 2023
- **2023** costs are split \$35,125.84 CCDDDB and \$48,209.49 CCMHB

- \$41,667.67 for January through April 2024 + \$85,843.33 for May through December of 2024 = **\$127,511** total for 2024
- **2024** costs are split \$53,745.89 CCDDDB and \$73,765.11 CCMHB

- **\$42,921.67** total for January through April 2025
- **2025** costs are split \$18,091.48 CCDDDB and \$24,830.19 CCMHB
- Per RFP2022-010, the parties have an option to renew the contract for another two-year period, which would increase the 2025 totals.

Decision Section:

Motion to approve the Family Resiliency Center RFP2022-010 response as proposed, with the caveat that the selection of targeted programs include assurance that agencies chosen for participation will not be overburdened and will benefit from the process, pending similar approval by the CCDDDB.

DECISION MEMORANDUM

DATE: January 18, 2023
TO: Members, Champaign County Mental Health Board (CCMHB)
FROM: Lynn Canfield, Executive Director
SUBJECT: FY2023 Champaign County CCMHB and CCDDDB Budget Revisions

Overview:

This memorandum presents revised budgets for the Champaign County Mental Health Board (CCMHB) and the Champaign County Developmental Disabilities Board (CCDDDB) for County Fiscal Year 2023 (January 1 through December 31, 2023). The CCMHB is asked to review and approve the changes to its budget. The I/DD Special Initiatives Fund, under joint authority of the two boards, needs no revision. Attached are the three funds' budgets, with details and comparisons of proposed 2023, projected 2022, and actual revenues and expenditures for fiscal years 2014 through 2021. The latest revisions appear *in italics*.

The Boards approved initial draft budgets in July 2022 and revised versions in September 2022. The latter incorporated advice and information from the County Executive and Deputy Director of Finance, with updated revenue and cost estimates. These were submitted to the Champaign County Board during their appropriations process in November.

In December 2022, additional revenue was identified for collection and distribution during 2023. Increased revenue for both the CCMHB and the CCDDDB is described in the *attached memorandum to the County Board*. The entire amount of each Board's increase is added to their Contributions & Grants lines, for allocation through agency contracts for services.

Also in December 2022, the Auditor's Office released new chart of accounts definitions for expenditure classifications and trained all county units in their use. These reclassifications resulted from several months of work by the Chief Deputy Auditor and the Deputy Director of Finance, to allow for more consistent reporting across all county operations and to better align the financials with Generally Accepted Accounting Principles (GAAP) under the Government Accounting Standards Board (GASB). *The Auditor's Office guidance is attached.*

Achieving these standards is also important to us, but reclassifications result in the need to divide out Expo, anti-stigma, employee/non-employee training expenses, internet service, and software licenses. Anti-stigma and community awareness are central to the Board's missions, but just as with support for funded programs, they do not fall as naturally into some of the new categories. For clarity, we will continue to include details in our own budget documents.

Revisions to the Approved 2023 Budgets:

- Increased total revenue and expenses (MHB and DDB);
- Property Tax revenues are increased by TIF amounts, per County Board action; this line has no adjustment for extension or collection rate below 100% (MHB and DDB);
- Contributions and Grants increase by the amount of added revenue (MHB and DDB);
- Where Employee and Non-Employee Conferences and Training had been combined in Conferences and Training line, they are separated back out and distinguished (MHB);
- Software License and Phone/Internet categories are added to track costs previously paid from Professional Services, Utilities, Operational Services, and Outside Services (MHB);
- Repairs are once again represented in separate categories, per type (MHB);
- Public Relations had been eliminated but is restored for Anti-Stigma only (MHB);
- Operational Services is revised, taking out Public Relations/Anti-Stigma and Expo costs, and adding costs of Zoom, domain names, web hosting, survey tools (MHB);
- Expo costs are now distributed across Professional Services (coordinators, website updates, interpreters, and personal assistants), Rent (storage, venue, event booths), Advertising, Legal Notices (marketing and promotion) (MHB);
- Because some expenses are not shared by the CCDDDB (the portion of Public Relations for anti-stigma film sponsorship, accounting support for CCMHB funded agencies), staff will track them separately and reconcile at the end of the year.
- Background information has revised details for 2023, as above.

Decision Section:

Motion to approve the changes to the attached 2023 CCMHB Budget, with anticipated revenues and expenditures of \$6,387,738.

OFFICE OF THE CHAMPAIGN COUNTY EXECUTIVE

1776 East Washington Street, Urbana, Illinois 61802-4581

Steve Summers, County Executive

MEMORANDUM

To: Honorable Members of the Champaign County Board

From: Tami Ogden, Director of Finance

Date: December 14, 2022

Re: Revenue Year 2022, Fiscal Year 2023 Annual Tax Levy Ordinance Revision

In conjunction with approving the FY2023 Annual Budget, the County approved its Annual Tax Levy Ordinance (No. 2022-15) during the November 17, 2022 County Board meeting. Subsequently, the County received notice from the City of Urbana regarding the termination of the City's Tax Increment Financing Redevelopment Project Area No. 2 (TIF No. 2), to occur prior to December 31 of this year. The expected amount of Equalized Assessed Value (EAV) to be added back to the tax rolls is \$15.4 million.

The limiting rate formula under the Property Tax Extension Limitation Law (PTELL) allows a taxing district to receive additional taxes in proportion to the value of the TIF increment the year the TIF expires. Therefore, the only opportunity to capture new growth revenue related to this recovered TIF is via the RY2022/FY2023 levy. Revising the Tax Levy Ordinance to include the recovered tax increment value results in an estimated additional \$130,000. Because state statute requires a tax levy to be filed with the County Clerk on or before the last Tuesday in December, timely action is necessary if the County wishes to amend its levy. The increase in each line is reflected below with reallocation of additional funds from the IMRF, Liability, and Extension Education lines to the General Fund.

	AMENDED		
	Projected RY2022 Levy	Projected RY2022 Levy	Difference
General Corp	\$ 16,609,524	\$ 16,678,592	\$ 69,068
IMRF	\$ 2,038,245	\$ 2,038,245	\$ -
Social Security	\$ 2,009,143	\$ 2,015,506	\$ 6,363
Highway	\$ 3,169,214	\$ 3,179,251	\$ 10,037

Highway Fed Match	\$ 128,348	\$ 128,755	\$ 406
Extension Education	\$ 442,000	\$ 442,000	\$ -
Health	\$ 1,500,687	\$ 1,505,440	\$ 4,753
Mental Health	\$ 5,913,892	\$ 5,932,620	\$ 18,729
377 Board Levy	\$ 4,857,487	\$ 4,872,870	\$ 15,383
TOTAL	\$ 40,977,642	\$ 41,107,414	\$ 129,772

Administration worked closely with the State's Attorney's Office to ensure it remains in compliance with Truth in Taxation requirements. An analysis and recommendation from Matt Banach, Chief of the Civil Division, is summarized below.

The County has already complied initially with Truth in Taxation with respect to the FY2023 Annual Tax Levy, as the County gave public notice of and held a public hearing as to its intention to levy more than 105% of the preceding year, based on the estimated levy determined in good faith earlier this year. If the final tax levy will exceed the proposed levy previously noticed (as contemplated by this memo and proposed levy revision), a second public notice must be published within 15 days after adoption of the amended levy. The Truth in Taxation statute contemplates and provides a form for such a second notice. A second public hearing is not required. An updated Truth in Taxation certificate will also be required.

Recommended Action:

Approval of Ordinance No. 2022-20 amending Ordinance No. 2022-15, FY2023 ANNUAL TAX LEVY ORDINANCE CHAMPAIGN COUNTY, ILLINOIS. Completion of an additional Truth in Taxation certificate to be provided with the final tax levy, but with modification of the usual template. Publication of a new public notice per 35 ILCS 200/18-85 within 15 days after adoption of final tax levy.

Staff Report – January 2023

XV

CCDD/CCMHB: PY23 2nd Quarter programs were cloned in the Online System to create programs for agency claim reporting for the PY23 3rd Quarter. Each program using the claims system must be created for each quarter, then the claims are associated with each program/quarter.

Formal notice of the PY24 Funding Cycle was published in the News Gazette in December. I provided feedback to Director Canfield on the updated Application Instructions. The deadline for PY24 application submission is February 10, 2023, at 4:30 PM CST.

The CU Able Financial Compilation was received on January 5, 2023. CU Autism Network submitted the agency Financial Review on January 3, 2023. Champaign County Down Syndrome Network has not submitted the PY20 audit. At the time of this writing, Community Choices has not submitted their PY22 audit, Feller & Kuester CPAs LLP is completing this audit. Ms. Howard-Gallo sent a letter of noncompliance on January 3, 2023.

The Head Start/Early Head Start Early Childhood Mental Health Services program submitted PY23 1st Quarter claims for which they had requested an extension. I reopened the claims system for staff to submit the claims for the 1st Quarter.

In late November/early December, I began compiling PY2022 Utilization Samples per client and comparing overlap between programs. This involves downloading and sorting all claims uploaded into the Online Reporting System for PY22, as well as downloading and sorting client level information for each client receiving services during PY22. This information will be presented in a later board packet.

I reviewed the RFP proposal submitted by the UIUC Family Resiliency Center. I also participated in a meeting with other members of the RFP Evaluation Committee. Please see the 'RFP2022-010 Evaluation Committee Recommendations' in this Board packet for further information.

I provided support to one agency for questions they had regarding the Online Reporting System. I met with an agency to discuss services for participants in their programs.

I developed and sent consultant contracts for FY23.

Learning Opportunities: On December 15, 2022, Consuelo Puente presented "Supported Decision Making." Ms. Puente retired from the active practice of law and now has a part-time position with Family Matters as their Multicultural Trainer. Ms. Puente began her journey in special education when her two now adult sons were identified as having Autism when they were in preschool. She continues the journey with her sons and continues to be inspired by them. The PowerPoint presentation and Supported Decision Making Agreement are attached to this staff report.

Dr. Elise Belknap is scheduled to present 'Nonviolent Communication' on January 26, 2023. This is a follow-up to the 'Crisis Prevention and De-Escalation Begins with You: Curiosity, Presence, and Skills' presentation from Dr. Belknap in November and at the request of an attendee at that presentation. Please visit <https://us06web.zoom.us/meeting/register/tZcrceGsrTotG9QUrCUc4QCWbGvU1aWYcrEI> to register for the event.

ACMHAI: I participated in the January ACMHAI I/DD Committee Meeting. Amie Lulinski, PhD, FAAIDD, Executive Director at The Arc of Illinois presented Arc of Illinois 2023 Legislative Priorities and Programs.

Disability Resource Expo: I participated in the Expo Steering Committee Wrap-Up Meeting. Members reviewed and discussed participant and exhibitor evaluations, discuss what worked and what did not work during 2022, and began thinking about the 2023 Expo.

UIUC School of Social Work Community Learning Lab: The four University of Illinois BSW seniors completed the semester by presenting their final DISABILITY Resource Expo exhibitor videos at the end of the semester. They recorded videos for Larkin's Place and the Champaign County Clerk and Recorder of Deeds. The students also provided feedback on the overall project.

Other activities: I participated in the December and January Human Services Council Meetings. In December, Elizabeth Hagemann Senior Manager, Education and Community Volunteers of the Alzheimer's Association Illinois Chapter and Dave -Volunteer Community Educator presented. In January, Kristen Neaville, Champaign Coordinator of the Epilepsy Advocacy Network also presented their program. I participated in several webinars.

I took time off to spend Thanksgiving in Virginia with my husband's family. We also spent a few days in Washington DC. I also took some time off between Christmas and the New Year.

**Supported Decision Making:
Alternative to Guardianship**

Presented by Consuelo Puente
Multicultural Trainer

Family Matters is not a legal services agency and cannot provide legal advice or legal representation. Information received from Family Matters is not intended as legal advice and should not be used as a substitution for legal advice.

1

Illinois Has a New Law

- Governor Pritzker signed the Supported Decision-Making Agreement Act (Public Act 102-0614) on August 27, 2021
- Effective Date: February 27, 2022

2

Purpose of the Act

- Recognize a less restrictive alternative for adults with intellectual or developmental disabilities (ID/DD) who need assistance with decisions regarding daily living.
- Guardianship law has not been altered

3

60

What Does the Law Do?

- Authorizes the use of Supported Decision Making agreements
- Allows a "Supporter" to assist a "Principal" with an intellectual or developmental disability in making decisions

4

Guiding Principles

- All adults should be able to live in a manner they choose
- All adults should be able to participate in decisions regarding their own lives
- Adults who need assistance should receive the most effective and least intrusive assistance
- When providing assistance to another, the person's values, beliefs, cultural traditions should be respected

5

Presumption of Capacity

- The new law emphasizes that all adults are presumed to have the capacity to make their own decisions regarding daily living
- Capacity is **not** lost because a person
 - * has a disability or
 - * the manner in which a person communicates

6

61

Alternative to Going to Court

- No need to go to court to get decision making power over the person with a disability
- The new law creates a avenue for supporting a self-determined life

7

To Be Clear

make it clear

- Just because you have entered into an agreement does not mean you have to use it.
- An adult who has entered into a supported decision-making agreement can act independently of the agreement.

8

What Kinds of Decisions?

- Obtaining food, clothing and shelter
- Taking care of physical and mental health
- Managing financial affairs
- Applying for public benefits
- Helping to find work
- Help with school decisions
- Advocating

9

62

The Agreement 

- Does not need to be notarized
- Need two witnesses 
- Principal and Supporter need to sign

10

The Agreement 

- A form that can be used is part of the law
- Developed by Illinois Guardianship and Advocacy Commission 
- Can use another form 

11

Who Can Be a Supporter?

- A parent
- A grandparent
- A sibling
- A cousin
- An aunt
- An uncle
- A friend

12

63

Who Can't Be a Supporter?

- Employer of the Principle
- Paid support services worker
- Person who works for an agency that is financially responsible for the Principle
- A person ineligible under the Health Care Worker Registry
- A person against whom there is a court order prohibiting contact with the Principle
- A person who has been convicted of a sex offense, aggravated assault, fraud, theft, forgery or extortion

13

The Role of Supporter

- Cannot make decisions for the Principal
- Can not receive pay for acting as a Supporter
- Can be disqualified as a supporter, if in anyway abuses or causes Principal to be neglected

Do not abuse, neglect, or exploit a person served.

14

How can Agreement be terminated?

- Either the Principal or the Supporter can terminate at any time
- Need to physically destroy the agreement, write a statement declaring the agreement over or can be done verbally in front of two witnesses

15

64

How long does the Agreement last?

- ▶ A supported decision-making agreement extends until it is terminated by either party
- ▶ The office of Inspector General or Adult Protective Services may also terminate the agreement upon a finding of abuse or neglect

16

Who needs to accept the Agreement?

- ▶ Therapist
- ▶ Dentist
- ▶ Doctor
- ▶ Hospital
- ▶ Bank
- ▶ Agencies
- ▶ Providers

17

Warning

Anyone who is aware of possible abuse is to call:

Adult Protective Services Hotline

1-866-800-1409

18

65

Immigration Status

- ▶ **Any** individual residing in Illinois with DD/ID can enter into a Supported Decision Making Agreement
- ▶ **Any** person residing in Illinois without regard to immigration status can act as a supporter

19

Staff Report- January 2023

Summary of Activity

The online system opened on January 2nd for PY24 applications and closes on February 10th at 4:30pm CST.

PY23 2nd Quarter and CLC progress reports are due on January 27th 11:59PM CST. Agencies are required to fill out a Request for Extension Report form when requesting an extension to complete their reports. The form can be downloaded from <https://ccmhddbrds.org>.

I spent time with several agencies coordinating their Mid-year presentations for the Board. The following agencies will be presenting from January through March: CU at Home – Shelter Case Management, CCHCC – Disability Application Services, Family Service – Creative Social Connectivity for Seniors, Rosecrance – Crisis Co-Response Team and Children & Family Services.

Audit Delays/Suspension of Funding: Compliance letters were mailed out by Ms. Stephanie Howard-Gallo to agencies that did not submit audits by the extended December 31st. Those agencies are Community Choices, Christian Health Center, CSCNCC, ECIRMAC/Refugee Center, First Followers, GROW, MAYC, Terrapin, UP Center, Urbana Neighborhood Connections, Well Experience, and WIN Recovery.

Contract Amendments: In November, the Board approved a contract amendment for CU at Home program which allowed the agency to adjust their PY23 program service SC target.

Evaluation Capacity Committee Team: I was part of the Evaluation Committee that consisted of two board members, two board staff, and one person with experience with the previous project. The proposals were due on December 21st by Noon. We received one proposal and met via zoom for an analysis with recommendations to be given to the Board.

CCMHB and UIUC Participatory Research Project: The Fall project with UIUC Department of Human Development & Family Studies (HDFS) came to a nice conclusion with an agency leaders' event on Friday, December 9th at the Champaign Public Library. Seventeen agency leaders participated in the Group Level Assessment (GLA) discussion that was facilitated by the HDFS PhD students. This was an opportunity for agency leaders to interact with each other and share their valuable experiences on leadership. The researchers are preparing a report on their findings of the event and overall project for CCMHB staff to disseminate to the board. Throughout the term I worked with the researchers in developing research goals and questions, discussing different methods that can be used to answer those questions, deciding up an implementation plan, and planning for dissemination.

Lynn and I attended the Dissemination Day for Participatory Research Methods Partners at the ACES Library on the U of I campus.

IPlan Behavioral Health Workgroup: Members discussed and edited the Behavioral Health Concept Map as it pertains to housing, mental health and substance use advocacy, community-based solutions, and a host of other issues.

CCMHDDAC Meeting: No December meeting. The next committee meeting is scheduled for January 24th.

Reentry Executive Committee & Council Meetings: The Reentry Council meetings for December 7th and January 4th were canceled due to major scheduling conflicts and to give the Executive Committee an opportunity to reconvene prior to meeting with the Reentry Council after the holidays.

ACMHAI CoP Crisis Response Monthly Discussion Group: Attended the 50th annual ACMHAI December Membership Meetings via zoom. Congratulations to the newly elected President of ACHMAI, Ms. Lynn Canfield. January 5th ACMHAI Medicaid Managed Care Committee meeting was cancelled. The next meeting is scheduled for March 2nd. The next CoP Crisis Response meeting is January 16th.

Continuum of Service Providers to the Homeless (CSPH): Attended the CSPH Full Board Meeting. Mr. Belcher briefly discussed planning efforts around the 2023 Point in time count. We heard a presentation Ms. Debra Terfruchte with the Veteran-Community Partnership.

Rantoul Service Provider's Meeting: Attended the meeting via zoom on December 19th. Members provided updates: Rosecrance is expanding Child Outpatient Services offered at its Champaign office which includes the addition of a child psychiatrist, Dr. Stewart. Dr. Stewart will be available to RCI on Wednesdays by tele-health appointments. The child/adolescent must be engaged in an additional Rosecrance service to be seen for psychiatry. Illinois Medicaid and most private insurances are accepted. Individuals will have to complete an assessment and treatment plan with outpatient counseling and then an internal referral will be completed to outpatient psychiatrist. Call 217-398-8080 to make a referral. Community Service Center of Northern Champaign County just finished up Holiday Bureau that went well and helped over 415 students. CSCNCC is currently participating in the campaign for Meijer Simply Give Program (Meijer Community - Simply Give). Refugee Center increased population of clients who did not have a previous connection to Champaign Area with a need of a lot of services. Increase in need of referrals to mental health services and main initial service needs: food and shelter. DMBGC hosted a Holiday Party on 12/14 and a Turkey and Ham Give away on 12/15.

Other Activities:

- December 14th, met with Ms. Beverly Baker of United Way and Katie Harmon the CSPH Continuum of Care Coordinator to discuss the CoC map and the direction of CSPH.
- I met with Executive Director, Jeniece Mitchell of UNCC for a discussion of the online system and their program.
- Lynn and I met with RPC Director Lisa Benson and discussed the shelter crisis in Champaign County.

- Lynn and I met with Cunningham Children's Home Pat Ege to discuss Juvenile Redeploy and system of care updates.
- On November 30th, Lynn and I briefly met with Family Service Program Director Jermaine Raymer to assist with the submission of a report in the online system.
- CCMHB staff is currently in the preliminary phase of partnering with the College of Business master's-level accountancy class for a bookkeeping/accounting project. The first meeting is tentatively scheduled for Wednesday, January 10th.

Learning Opportunities (Trainings and Webinars) :

- On November 30th, I participated in the GLA training with the UIUC Research team on campus.

Executive Director's Report – Lynn Canfield, January 2023

Background - Strategic Plan Goals:

Champaign County Mental Health Board Current Three-Year Plan Goals

1. Support a **continuum of services** to improve the quality of life experienced by individuals with mental or emotional disorders, substance use disorders, or intellectual and/or developmental disabilities and their families residing in Champaign County.
2. Sustain commitment to addressing health disparities experienced by **historically underinvested populations**.
3. Improve **access** to supports, services, and resources currently available and beneficial.
4. Continue the collaborative working relationship with the Champaign County Board for Care and Treatment of Persons with a Developmental Disability (CCDDB).
5. Building on progress achieved through the six-year Cooperative Agreement between the Federal Substance Abuse and Mental Health Services Administration (SAMHSA), the Illinois Department of Human Services (IDHS), and the CCMHB, **sustain the SAMHSA/IDHS system of care model**.
6. **Divert persons with behavioral health needs or I/DD from the criminal justice system**, as appropriate.
7. In conjunction with the Champaign County Sheriff's Office, other law enforcement, and community stakeholders, pursue a continuum of services as an **alternative to incarceration and/or overutilization of local Emergency Departments** for persons with behavioral health needs or I/DD.
8. Support **interventions for youth** who have juvenile justice system involvement.
9. Address the need for **acceptance, inclusion, and respect** associated with a person's or family member's mental illness, substance use disorder, intellectual and/or developmental disability through broad based community education efforts to increase community acceptance and positive self-image.
10. Engage with other local, state, and national stakeholders on **emerging issues**.

Champaign County Developmental Disabilities Board Current Three-Year Plan Goals

1. Support a **continuum of services** to meet the needs of people with intellectual and/or developmental disabilities (I/DD), along with their families, residing in Champaign County.
2. Sustain the commitment to improving outcomes for members of **underrepresented and underserved populations**.
3. Improve **access to and engagement in services** through increased coordination among providers, community stakeholders, people with I/DD, their families, and other key supporters.
4. Encourage high-quality **person-centered planning** and follow-through for people served by funding from the CCDDB and, through the Intergovernmental Agreement, from the CCMHB.
5. Continue the collaborative working relationship with the Champaign County Mental Health Board.
6. Identify children at-risk of developmental delay or disability and support **early intervention services and family supports**.
7. Support **access to services and programs** for youth and adults with I/DD, with a preference for evidence-based practices to increase positive outcomes.
8. Promote **inclusion and respect** of people with I/DD, through broad based community education efforts.
9. Stay abreast of **emerging issues** affecting service and support systems and be proactive through concerted **advocacy efforts**.

Activities of Staff and Board Members:

To support CCMHB Three Year Plan goals 1-8 and CCDDB Three Year Plan goals 1-7, the allocation of funding for services through agency contracts and the subsequent development and monitoring of those contracts are a primary focus. All team members have participated in various site visits over the past several months, and these will continue. In November, we posted and shared final approved versions of funding priorities for PY2024 for each of the CCDDB, CCMHB, and I/DD Special Initiatives funds. Stephanie Howard-Gallo placed the NOFA in the News-Gazette in early

December, and County IT posted it on the county site, along with public documents. I posted it on the application site. I revised and tested the online system forms and application instructions, with all staff reviewing infinite drafts until time won out over perfection. Shandra Summerville and I revised the second quarter CLC report and worked with Leon Bryson and Kim Bowdry on a new version of the Report Deadline Extension Request. With their input, I updated the annual Performance Outcomes Report template and instructions, along with Required Report instructions. These and other documents are posted in relevant sections of the site. We added two-factor authentication to protect private information on the site and distributed and posted brief instructions for how to set that up. I cloned all submitted PY23 application forms (all agencies) and opened the system January 2. **It will close at 4:30PM CST on Friday, February 10, 2023, with no extensions available.**

Our staff continues to offer support to agency users regarding how to use the system, forms, and reports. A workshop with the system developer was recorded and posted in all areas of the site. When the online system opened on January 2, these conversations had to be limited to technical support only. The deadline for all second quarter reports is 11:59PM CST (midnight) on Friday, January 27. The new Report Deadline Extension Request form is posted in the reports section and is recommended for use PRIOR to the deadline by those who anticipate a delay in any report. The new CLC second quarter report form is a fillable pdf, hopefully easier to download and use.

Contracts with service providers appear as Contributions & Grants, the largest expenditure line in each Board's budget. A decision memo in this packet shows that additional revenue for 2023 will be used to increase each Board's Contributions & Grants line. A small share of total costs to each Board are non-agency activities which also support individuals, families, agencies, and community. These appear in Personnel, Professional Services, Public Relations, Advertising, Books, Printing, Rental, and Non-Employee Training costs and are accomplished through staff, independent contractors, associations, or partnerships. Many activities and collaborations are referenced in other staff reports.

Chris Wilson took the lead in mastering relevant modules of the county's new accounting system and addressing specific problems as they arise. Costs related to the ERP appear in the budget as an interfund transfer to the County's Capital Asset Replacement Fund and through Software Licensing & SAAS.

Anti-Stigma and Community Awareness:

(MHB goals 1, 3, 4, and 9 and DDB goals 1, 3, 5, and 8)

Resource information: 211 offers call-based and online resource information. United Way, the CCMHB, and the CCDDDB co-fund this service. PATH currently serves as a call center for this (previously as the National Suicide Prevention Lifeline) for counties other than Champaign, which relies on a local crisis line operated by Rosecrance (with some local funding but majority other). The United Way director has suggested that the State will begin paying for 211 services for our area, hopefully this year, but this is not official yet and remains in the budget. The Director of PATH, which provides 211 services, forwards quarterly reports on Champaign County activity, which are then included in Board packets, though not this month.

Alliance for Inclusion and Respect (AIR) social media and website continue anti-stigma messaging and promotion of member organizations and local artists/entrepreneurs. AIR will sponsor an 'anti-stigma' film, a post-screening Q&A or panel discussion, and an art show and sale, during the Roger Ebert's Film Festival, now scheduled for April 19-22, 2023. The art show will likely be the last day, Saturday April 22, and is coordinated by Stephanie Howard-Gallo with a group of artists and art supporters. The CCMHB pays for the film sponsorship, which is offset by AIR member contributions. At the encouragement of the festival coordinator, I asked CCMHB

and AIR members for ideas for anti-stigma films they'd like to see included. AIR activity costs are budgeted as Public Relations/Anti-Stigma.

disABILITY Resource Expo was held on October 15, 2022 in-person at Market Place Mall. Despite new and old barriers and the burden of low expectations, the event was well-attended and well-received. The consultants responsible for this have been contracted again for a fall 2023 event, though one has retired. Dylan Boot and Allison Boot will take on graphic design and production responsibilities, along with their leading coordination roles, with support from prior coordinator Barbara Bressner. They, and our staff, continue to work with UIUC students on informational exhibitor videos. CrispMedia maintains AIR and Expo websites, hosts the short videos, and may provide technical support for any virtual Expo events. Expo expenses are now budgeted under Professional Services, Printing, Advertising, and Rental.

CCMHB/CCDDB I/DD Special Initiatives Fund:

(MHB goals 1 and 4 and DDB goals 1 and 5)

The Boards' effort to expand small group home options for Champaign County residents, through a CILA Facilities Fund, has been modified and may now support special projects of benefit to individuals with I/DD and complex support needs, as well as to their families and the direct support staff and agencies providing their care. The change was necessitated by difficulty staffing the homes which had been purchased as CILAs. Because the core issue is the direct support professional (DSP) workforce shortage, and to preserve existing CILA capacity, we monitor the state and federal funding situation and raise this advocacy issue at state and national association meetings. The plan/hope for 2023 is to fund grant contracts to eligible organizations presenting proposals which would mitigate the crisis and support people in spite of it. The online application system is open for such proposals during the same time as for CCDDB and CCMHB funding.

Support for Agency Programs:

(MHB goals 1, 3, 5, 6, 7, and 8 and DDB goals 1, 2, 3, 4, 6, and 7)

Activities described in staff reports:

- Cultural and Linguistic Competence training and technical assistance (Shandra Summerville).
- Collaborations: Champaign County Transition Planning Committee, Continuum of Service Providers to the Homeless, Champaign County Community Coalition, Champaign County Reentry Council, Drug Court Steering Committee, Coalition Race Relations Subcommittee, Human Services Council, CUPHD I-Plan Behavioral Health Committee, Youth Assessment Center Advisory Committee, and more (Leon Bryson, Kim Bowdry, and myself).
- Monthly Provider Learning Opportunities (Kim Bowdry), free of charge and offering CEUs to a primary audience of case managers, joined by family advocates and social workers.

Independent Contractors: Alex Campbell of EMK offers technical support for users of our online application and reporting system. Board members interested in learning to view forms may reach him at afcampbell9@msn.com. Last year we archived documents and sections no longer in use and developed new capacities, including a "compliance dashboard" so that agencies and board staff may track required submissions are outside of quarterly reports (such as audit reports, board meeting minutes, certificates of liability, letters of engagement with CPAs, subcontracts, etc.) We also updated the appearance and organization of all sections of the site for ease of use, with an option for users to choose the dark version. John Brusveen, CPA, reviews all agency audits, compilations, and financial reviews, summarizing findings and recommendations. Tim Offenstien (of Falling Leaf) tests our public pages for accessibility and sends reports on what to improve. Barbara Mann has agreed to provide legal services upon Dan Walsh's retirement, though some matters are handled by the State's Attorney's Office Civil Division. Services

provided by the County Auditor's Office and County Administration are also budgeted in and billed to the MHB Professional Services line. (NOTE: the DDB pays a share of most administrative costs through the Professional Services line of their budget).

Bookkeeping Support Pilot Project: Mary Fortune (of MTF) continues to work with small agencies (Terrapin Station, UP Center, and Well Experience so far) to improve bookkeeping, financial reporting, and audit-readiness. She provides our team with periodic updates.

UIUC Evaluation Capacity Project: this seven year project wrapped up in the summer of 2022, and a Request for Proposals seeks the next stage of support to agencies, for their data collection and reporting of outcomes, and more. A decision memo in this packet relates to the new project.

UIUC Student Projects: In fall of 2022, Kim Bowdry worked with a student group through the School of Social Work (SSW) Community Learning Lab on short videos of Expo exhibitors, and Leon Bryson worked with PhD SSW students on participatory research, with the focus on service provider agency leaders. We do not request Spring projects due to our focus on agency applications, funding recommendations, and subsequent contracts, though we welcome support for translation of documents or short videos of Expo exhibitors. We will talk with students from the Gies College of Business Action Learning Program, about a project to support agencies with their internal financial management, but will only agree if our time on the project is very minimal.

Executive Director Activities:

In addition to collaborations above and below, I read audits as they arrive and request explanations, additional information, or return of excess revenue as needed. Most audits/reviews were due December 31, but several were delayed, sometimes by the CPA firm. This results in suspension of payments and, if prolonged, can lead to termination of contracts. A decision memorandum in the MHB packet requests waiver of payment suspension when certain circumstances are present.

I worked with the County's ARPA Coordinator on final reports for the federal Treasury regarding the nine behavioral health programs funded in PY22 by the County's ARPA fiscal relief funds. The reports cannot be completed until all audits are submitted and accounts settled. If excess revenue is owed in relation to any contract, it is transferred to the County's ARPA fund for re-allocation.

I set up folder and drafts for the MHB 2022 Annual Report, to be completed by Stephanie Howard-Gallo, Chris Wilson, and Leon Bryson, as final 2022 account information becomes available. I worked with Mr. Wilson on very recent (County-related) changes to the 2023 budget. With that foundation and his final 2022, I will create working draft 2024 budgets for each fund. Early work on these will allow us to estimate how much money to allocate to PY2024 agency contracts, because they are split between our 2023 and 2024 fiscal years.

Finally, to prepare for the new year, I completed annual performance evaluations for our team, distributed applicable policy information to each, updated personnel benefits tracking, verified totals with each staff member, and submitted the year-end summary to the County's Payroll Administrator.

Intergovernmental/Interagency Collaborations:

(MHB goals 1, 2, 4, 9, and 10 and DDB goals 1, 2, 3, 5, 8, and 9)

Champaign County Department Heads: with the County Executive, Admin staff, and other Departments' representatives, this bimonthly meeting covers budgets, ERP, IT, phone, facilities issues, ARPA fund requests, and employee trainings, recognition, and benefits. Our last meeting with the outgoing Executive was in November; the new Executive has not called a meeting.

Mental Health and Developmental Disabilities Agency Council: monthly meeting of agency representatives, not all of which are funded by the Boards, for discussion of agency activities, federal and state updates, special topics, and announcements. Our staff typically announce upcoming deadlines and report on recent board meetings. I created an email group to simplify sharing announcements of other funding and of our business.

Metropolitan Intergovernmental Council: three times a year, representatives from local government meet on topics of shared interest as well as roundtable discussion. We will not meet until May, due to low availability of members for the scheduled January meeting.

Regional Champaign-Vermilion Executive Committee: bimonthly meeting of public and private entities responsible for community health needs assessment and strategic plans. The most recent health plan/I-Plan identified behavioral health and community violence as priorities. A new IPlan Coordinator was hired during 2022 and has met with all individual entities and workgroups, producing an initial summary of these conversations and goals. I participate in the Behavioral Health workgroup, alternating months with Mr. Bryson.

Partnerships related to Underrepresented Populations and/or Justice System:
(MHB goals 1, 2, 5, 6, 7, 8, and 10 and DDB goals 1, 2, 3, and 7)

CESSA Statewide Advisory Committee: the Community Emergency Services and Supports Act was signed into law in 2021 to take effect January 1, 2023, requiring emergency operators to refer behavioral health calls to mental health professionals rather than police. Because this is a major change involving overburdened community-based and public systems, it has caused concern and confusion across the state. In addition, the national launch of 988 on July 16, 2022 fell to states which were not prepared or adequately funded to run the call services, let alone a full continuum of crisis response services. I have attended some of the Advisory Committee's public meetings online, in which members of the public may listen (and participate at appropriate times). Representatives of local agencies are involved with the 988 Key Stakeholder Coalition.

Champaign County Community Coalition: Goal Team meetings are now in person, with updates from law enforcement, reports on positive youth programming, trauma-informed system work, and efforts to reduce community violence. I have not attended recently but continue with the Executive Committee, which meets infrequently to set priorities and annual goals.

Crisis Intervention Team (CIT) Steering Committee: bimonthly meetings of representatives of law enforcement, EMS, hospital, behavioral health, providers of service to people with housing insecurity, support network leaders, and other interested parties, to promote CIT training, review data analyzed by City of Urbana, and share updates. Another standing meeting has conflicted with this one, but I look forward to rejoining this group in 2023.

Drug Court Steering Committee: I joined in October 2022 for the Graduation Ceremony and a rare in person committee meeting, to consider an updated Drug Court policy. I suggested edits to focus on roles rather than specific people or agencies serving Drug Court; I praised the plan to add peer supports and extend participation past probation, both of which are positive from a clinical perspective and supported by the service provider agencies and coordinator. Opioid settlement funding was also discussed, as the County may direct some money to staffing or additional services related to this project. I have been tracking and sharing information on the settlement (federal and Illinois), in case it is helpful to Drug Court or other County partners.

Illinois Supreme Court Regional Task Force: along with representatives of local government and social services agencies, I participated in the Regional Council and Resource Mapping Workshops, though some occurred at the same time as other meetings. In November, I met with Scott Block, Statewide Behavioral Health Administrative Office of the Illinois Courts, representatives of Rosecrance, and the Office of Statewide Pretrial Services consultant to discuss our community's resources. Interest from the judiciary (locally, statewide, and nationally) leaves me optimistic; this interest is reflected in reports from the National Center for State Courts and the National Judicial Task Force to Examine State Courts' Response to Mental Illness, e.g., https://www.ncsc.org/_data/assets/pdf_file/0031/84469/MHTF_State_Courts_Leading_Change.pdf

Illinois Supreme Court Regional Education Seminar on Pretrial Implementation Task Force: On December 14, I attended a full day seminar on efforts of the Pretrial Commission and Pretrial Implementation Task Force. Two weeks after amendments were made to the Act and two weeks prior to implementation, this seminar covered the role of the Office of Statewide Pretrial Services, Loyola University's evaluation, and numerous details of the Pretrial Fairness Act, which is a provision of the Safe-T Act. State's Attorney Rietz reminded all that amending laws is necessary and expected and that the roll-out will inform additional legislative action. On New Year's Eve, the IL Supreme Court halted the Pretrial Fairness Act so that, until further notice, all counties must maintain a cash bail system. This action followed a Kankakee County judge's ruling that the portion of the Act which ends cash bail is unconstitutional.

State and National Associations and Advocacy:

(MHB goal 10 and DDB goal 9)

Association of Community Mental Health Authorities of Illinois (ACMHAI): I attend regular meetings of the Executive, Legislative, Medicaid, I/DD, and Community of Practice (Crisis Continuum) Committees. These feature updates on committee-specific issues, often covering contracting and monitoring processes, state funding and policies, levies, goal setting, community awareness, etc. Government Strategy Associates updates the membership on state legislative activity and relies on our input for advocacy. I will serve as President of the association this year, leading Executive Committee meetings and meetings of the membership.

On December 1, I attended an in-person membership meeting. Training sessions focused on Children's Mental Health, participatory research on youth suicide risk, and Pathways to Success, the state's Medicaid children's crisis program. We held a legislative award ceremony that evening. While all legislators were delayed by the veto session and unable to attend, many ACMHAI members, alumni, and new 708 board representatives were present and appeared to do more networking than usual. We may repeat this format in future in person meetings, to make the best use of everyone's time. At our business meeting December 2, we received committee, coordinator, and legislative updates and held elections. That afternoon and the next day, I met with representatives from two other community mental health boards to discuss focus for 2023.

One of the two Legislator of the Year Award recipients was Senator Scott Bennett, who worked with me to pass the Mental Health Validation Act which protects 708 and 377 boards established after PTELL was adopted and before the related statutes were amended. He had also supported bills of benefit to people with disabilities. Senator Bennett and I made plans to meet later to give him the award, but he passed away suddenly that day.

Also in December 2022, my personal life added a tone to these work activities. While traveling to the December 1 meeting, my father went into ICU and began treatments which had to be halted three days later, with transfer to comfort care and then hospice. During the December 1 meeting, I learned I was not the only participant receiving emails and text messages about loved ones. Most members have experienced a significant loss, illness, or injury in the last few years, and we might start incorporating simple wellness strategies into our events. Speaking of...

International Transformational Resilience Coalition: I participated in the ITRC's eight-week Community of Practice focused on "using a public health approach in communities to build population-level capacity for mental wellness and resilience for the climate crisis." The crisis includes unprecedented and unpredictable weather disasters, COVID and other global pandemics, and their secondary impacts, such as increased mental health support needs, economic insecurity, and political instability. Each session included 'presencing' exercises, breakout groups, and guest speakers, with many resources on self-regulation (physiological and intellectual), neighborhood level connections, coalition-building, and more. I could not keep up with readings but may attend a follow up or a repeat the program to absorb more. There was no charge for this series.

National Association of County Behavioral Health and Developmental Disability Directors (NACBHDD): As Secretary, I work with the Executive Committee and CEO to review policies, positions, and financial information, and to evaluate the CEO's performance. I participate in monthly I/DD committee calls for presentations by national experts and for discussion of state and federal rules, funding, and the workforce crisis. I chair monthly meetings of the Behavioral Health and Justice Committee, with presentations (e.g., overdose data and recovery systems, 988 and crisis response, 'familiar faces', housing, Medicaid) plus roundtable discussions. The virtual winter board meeting included committee reports and updates from the CEO and president, along with elections. I will attend the in-person Legislative & Policy conference February 13-15 and will moderate one session, on Criminal Justice, State Hospitals, and Community Care.

National Association of Counties (NACO): bi-monthly Health Steering Committee calls with legislative updates, local innovations, and policy priorities; bi-monthly leadership calls to plan these; quarterly Healthy Counties Advisory Board and Stepping Up Innovator County calls on county initiatives. With NACBHDD, I support HSC policy resolutions related to DSP classification, changes to Medicaid and IMD, crisis continuum, and other behavioral health system improvements. I will attend the mid-February Legislative & Policy conference sessions in person this year, as they directly precede NACBHDD sessions.

Operations and Compliance Coordinator Staff Report – January 2023 Board Meeting

SUMMARY OF ACTIVITY:

Audits/Financial Reviews:

Audits were due on December 31, 2022. John Brusveen has been a consultant for many years to the CCMHB/CCDDB and will review the audits and provide us with a formal report. There is a Decision Memorandum elsewhere in the Board packet with details regarding late audits, of which there are many.

Second Quarter Reporting:

Second Quarter reports will be due January 27, 2023. A Cultural and Linguistic Competence Plan (CLCP) progress report will also be due at that date and time. Zip Code and Demographics data must be reported for Fee For Service programs as well, with the same deadline. I sent out a reminder to all the agencies in early January. I will send out a second reminder later in the month.

Other Compliance:

I made contact with ten funded agencies regarding missing minutes from their Board meetings for our files, as required in their contracts.

Community Awareness/Anti-Stigma Efforts/Alliance for Inclusion and Respect (AIR):

The AIR art show and sale will once again be held during Ebertfest in April 2023. Details on the event will be reported in the coming months.

Notice of Funding Availability (NOFA):

The Notice of Funding Availability (NOFA) ran in the News Gazette on December 4th and December 7th. It is also posted on our website. It read:

Notification of Funding Availability – Champaign County Mental Health Board (CCMHB)/ Champaign County Board for Care and Treatment of Persons with a Developmental Disability (CCDDB)/I-DD Special Initiatives Fund - The CCMHB and CCDDB use an online system at www.ccmhddbrds.org for submission of funding

requests to any of the three funds for the contract year July 1, 2023 to June 30, 2024. Applicants register prior to requesting funding, and if awarded a contract, later submit reports through the system. Per the posted timeline, this system will be available for registration and application from January 2, 2023 at 8:00 AM CST to February 10, 2023 at 4:30 PM CST, with no consideration of late applications. Allocation decisions will be made prior to July 1, 2023. For accessible documents or technical assistance with the registration/application system, contact stephanie@ccmhb.org.

Other:

- Prepared meeting materials for CCMHB/CCDDB regular meetings, special meetings, and study sessions/presentations.
- Composed minutes from the CCDDB/CCMHB meetings.
- Participated in meetings and study sessions for the CCDDB/CCMHB.
- I will be on medical leave for most of February.

Call to Action to Address Racism & Social Injustice at the University of Illinois (Highly Recommended)

<https://calltoaction.illinois.edu/>

The University of Illinois Call to Action to Address Racism & Social Injustice is a commitment by our university to put the need to address systemic racism and generationally embedded racial disparity into concrete action to find new solutions. Announced by Chancellor Robert J. Jones in July 2020, the Call to Action includes an \$2 million annual commitment designed to quickly and
