

AGREEMENT BETWEEN CHAMPAIGN COUNTY AND STREET COLLEGE FOR JUVENILE REENTRY SERVICES

This agreement is entered into by and between the County of Champaign, Illinois (hereinafter referred to as “County”), and STEAM Genius DBA Street College, a non-profit organization with its principal place of business located at 306 N Abbey Rd, Urbana, IL 61802 (hereinafter referred to as “Street College”), collectively referred to as the “Parties.”

1. Purpose

The purpose of this Agreement is to provide funding to Street College to support the delivery of reentry-focused programming to youth housed in the Champaign County Juvenile Detention Center for services from July 01, 2025 to December 31, 2025. Programming will focus on identity development, mentorship, and life skills that support successful reentry and positive outcomes after release. This initiative is part of Champaign County’s broader efforts to support rehabilitation and reduce recidivism for justice-involved individuals.

2. Term

This Agreement shall commence on the date of full execution and shall remain in effect until December 31, 2025, unless terminated earlier in accordance with Section 7 of this Agreement.

3. Funding

The County agrees to provide Street College a one-time, upfront payment in the amount of \$66,666.00 upon execution of this Agreement. These funds shall be used exclusively for the purpose of providing reentry services and programming within the Champaign County Juvenile Detention Center from July 01, 2025 to December 31, 2025. All funds must be fully expended by December 31, 2025.

While this is not a fee-for-service contract, the total amount is equivalent to \$11,111.00 per month for six months of programming. If either party terminates this Agreement, Street College discontinues programming before the end of December 2025, or Street College is unable to meet the intended service frequency (approximately 8 sessions per month), upon request of the County, Street College shall return prorated funds corresponding to the number of full months not served or significantly underdelivered.

For example, if programming concludes on October 31, 2025, Street College would return \$22,222.00, representing November and December.

4. Use of Funds and Return of Unspent Amounts

Street College agrees that all funds received under this Agreement shall be used solely for reentry services as described in Section 1. Any portion of the funds that remains unspent as of December 31, 2025, must be returned to the County no later than January 31, 2026. Unspent funds shall be returned by check made payable to "Champaign County Grant Coordinator" and mailed to:

Bennett Administrative Center

Attn: Grant Coordinator

102 E Main St.

Urbana, IL 61801

Street College shall notify the County in writing of the total amount being returned and provide an explanation for any funds that were not expended.

5. Record Keeping

5.1. Street College is required to maintain true and accurate financial books and program records relating to the performance of this contract and necessary to support amounts charged to the County under this contract. The books and records shall be maintained for a period of five years from the expiration date and final payment under the contract and if need remains, such as unresolved issues arising from an audit, related records must be retained until resolved.

5.2. All books and records required to be maintained under subsection (5.1) of this section shall be available for review and audit by the County. Street College is required to fully cooperate with any audit initiated by the County.

5.3. Failure of Street College under this contract to maintain the books and records required by subsection (5.1) of this paragraph shall establish a presumption in favor of the County for the recovery of any funds paid by the County for which the required books and records are not available.

5.4. Street College shall assist the County in its functions of monitoring and evaluating performance under this contract. Street College shall allow County employees total access to all records, financial and programmatic, relating to this contract.

5.5. Street College's books of account shall be kept in accordance with generally accepted accounting standards. Accrual accounting is required for all financial reporting.

5.6. Street College shall maintain time and attendance records for all staff whose salaries are funded in whole or in part pursuant to this contract consistent with generally accepted business practices.

5.7. Except in emergency situations, the County will attempt to provide to Street College five (5) day notice of its intent to review financial and programmatic records relating to this contract, including, but not limited to, those records specified by this paragraph and all other parts of this contract.

6. Reporting

Street College shall provide the County with a written report by January 31, 2026 summarizing:

- A description of the reentry services and programming provided;
- The number of youth served;
- Major activities or milestones achieved;
- A financial summary including total funds received, total funds spent, and amount returned (if applicable).

7. Monitoring

7.1. All contracts will be monitored by the County.

7.2. Site visits may be conducted to verify reported performance and service activity.

7.3. Financial and program monitoring may occur once a year and, in instances where deficiencies are identified, may occur more frequently. A request for additional information will be sent to the agency allowing adequate time for the information to be available at the time of the review.

8. Independent Contractor Status

Nothing in this Agreement shall be construed to create a partnership, joint venture, or agency relationship between Champaign County and Street College. Street College is an independent contractor and shall not represent itself as an agent or employee of the County. Neither party shall have any authority to bind the other in any manner whatsoever.

9. Compliance

Street College agrees to comply with all applicable federal, state, and local laws, rules, and regulations in carrying out the obligations under this Agreement.

10. Termination

This Agreement may be terminated with thirty (30) days' written notice. In the event of termination, Street College shall return prorated funds corresponding to the number of full months not served or significantly underdelivered and submit a final report within thirty (30) days of termination. Funds must be returned in accordance with the procedures detailed in Section 4.

11. Indemnification

Street College agrees to indemnify and hold harmless the County, its officials, agents, and employees from and against any and all claims, liabilities, losses, and expenses arising out of or related to this Agreement.

12. Entire Agreement

This Agreement constitutes the entire understanding between the Parties and supersedes all prior negotiations, representations, or agreements, either written or oral.
