### **For Immediate Release**

The Champaign County Treasurer’s Office made its third distribution of 2020 property taxes today. Just four million dollars was distributed to approximately 500 Champaign County taxing districts (2% still being held back to cover rejected payments, refunds, and returns).

“This distribution represents the remainder of the funds received for first installments and some second installment payments made ahead of schedule. Hopefully, our second installment will showcase our ability to learn from the challenges during the first installment and solidify our plans for improvement,” said Treasurer Johnson.

Combined Settlement Sheets for the taxing districts showing the second distribution breakdown should be available on the Treasurer’s website beginning Monday morning. If you require a more detailed breakdown of payments, please email the office at [treasurer@co.champaign.il.us](mailto:treasurer@co.champaign.il.us).
