Seniority shall apply only where expressly required by a provision of the Agreement.

12.01 An Employee shall lose her/his seniority and no longer be an Employee if:

Part-time Employees are only eligible to sign up for part-time duty shifts and days off, and full-time Employees are only eligible to sign up for full-time duty shifts and days off. F. Duty Trade. The Sheriff, or his designee, can authorize requests by officers to exchange duty shifts or days off (without a change in pay), provided that the officers are equally capable of performing each other's respective jobs, and are willing and able to make the exchange.

G. **Master Control Tardiness Policy**

In order to set uniform guidelines for tardiness among Master Controllers, the parties agree to the following policy.

Champaign County Master Control Employees are expected to report for work in a timely manner. Tardiness will be addressed in accordance with Article XXXVIII (Discipline and Discharge) of the Collective Bargaining Agreement and the steps listed below.

Employees shall be considered tardy when they arrive later than their scheduled start time and have not received approval for use of benefit time from their supervisor.

In “special” or emergency circumstances where an Employee was unable to arrive on time and was unable to get prior approval from her/his supervisor, the Employer will evaluate whether to make an exception to this agreement. The Employer will not be arbitrary or capricious in granting such exceptions. The Employer may require the Employee to submit documentation or evidence to support her/his inability to arrive on time or to contact their supervisor for approval.

ARTICLE XIV – OVERTIME

14.00 Any Employee required to work more than forty (40) hours in a week shall be paid at the rate of one and one-half times the Employee's regular hourly rate for all hours over forty (40) worked in that week or receive compensatory time off at the rate of one and one-half hours for each hour worked in excess of forty (40) in the week. Hours worked between 37.5 hours and 40 hours in a week shall be compensated with pay at the Employee's regular rate or compensatory time on an hour for hour basis.

14.01 Overtime will be distributed on a voluntary basis taking into account prior overtime work and seniority, in that order, of all Employees qualified to perform the overtime work required. If there are no volunteers, the Employer can assign overtime in reverse seniority order of those Employees who are qualified to perform the work, and not on approved time off. However, overtime necessary to complete a task at the end of the normal working hours (carry-over) will be performed by the Employee who began the task (excluding Deputy Coroners).

A. Coroner Employees.

Deputy Coroners will be relieved as soon as possible at the end of their duty shift by the on-coming Deputy Coroner. The on-coming Deputy Coroner will complete any tasks needing to be completed to resolve an investigation for the Deputy Coroner coming off shift.

Deputy Coroners shall not be mandated to a shift when the overtime would require an employee to work more than twenty-four (24) hours consecutively or would result in less than eight (8) hours rest between work periods.

14.02 An Employee may accumulate up to the equivalent of two regularly-scheduled workweeks of compensatory time. Compensatory time earned over the equivalent of two regularly-scheduled workweeks will be paid as overtime in the paycheck it was earned. Compensatory time off will be allowed to be taken with the prior approval of the Department Head, Elected Officer, or designee.

14.03 Holidays, vacation days, time off taken per the On Call Policy Article, and personal days shall be considered hours worked for the purposes of calculating overtime.

14.04 Master Control Officer Part-Time Overtime

Notwithstanding the above, part-time Master Control Officers will additionally receive overtime pay (one and one-half times the Employees' regular hourly rate) for hours worked beyond eight (8) hours in a day.

ARTICLE XV – ON CALL POLICY

15.00 When Employees are required to carry a pager to be on call, they will also be issued a cellular phone that will be used by the County Employees for County business. When an Employee is required to carry a pager to be on call, they will receive compensation in the following manner:

A. If required to carry an on call pager for a full work week, they will receive one-half day off with pay for each work week they are required to be on call in the case of maintenance workers and animal control workers. At the Employer and Employee's agreement, this time can be accumulated as compensatory time.

B. If the Employee is required to be on call during a week in which one or more holidays fall, the Employee will receive one full day off with pay.

C. The half day off as referred to in paragraph A above or the full day off as referred to in paragraph B above can be taken at a time mutually agreed to by the Employee and Department Head or Elected Officer, and their supervisor.

D. For Deputy Coroners, the following shall apply:

1. Coroner's Office On-Call Duty Shift: Deputy Coroners are required to work recurring on-call shifts as a portion of their regularly scheduled duty shifts. Deputy Coroners may be required to work up to 8 hours in the office, during on call duty shifts, excluding hours worked away from the office. Hours worked during on-call duty shifts shall be paid at the

employee's regular rate of pay for hours worked and 1.5 times the regular rate of pay for hours worked over 40 per week. On-call duty shifts shall be determined by the Coroner or his designee. Hours worked in the office during on-call duty shifts shall be determined by the Coroner.

2. Deputy Coroner Call-Back: A callback is defined as an official assignment of work which does not necessarily continuously precede or follow a Deputy Coroner's regularly scheduled duty shift. Deputy Coroners who are called back shall be paid at the applicable rate when they arrive at work until relieved. Deputy coroners will receive a minimum pay of two hours at the applicable rate for all call-backs (regardless of relief in less than two hours time.)

Full Time Deputy Coroners will be offered call-back based on seniority, with the most senior Deputy being offered the call-back first. In the event all full-time Deputy Coroners decline the call-back or cannot be reached, Part-Time Deputy Coroners will be contacted. In the event no Deputies accept the call-back, the Coroner or his designee may order back a Full-Time Deputy Coroner starting with the least senior Full-Time Deputy who has not been called back within the previous twelve months.

3. Deputy Coroner Stand-By-On-Call: Deputy Coroners when ordered to be on Stand-By-On-Call shall be compensated \$2.00 for every hour they are on Stand-By-On-Call, except for hours actually worked which will be paid at the applicable rate (including overtime pay if hours for the work week exceed forty (40) hours). No period of Stand-By-On-Call will exceed 24 hours. Deputy Coroners while on Stand-By-On-Call must remain in Champaign County and be available for immediate call back to work. Deputy Coroners on Stand-By-On-Call must keep their Coroner's Office issued cell phone with them at all times while on Stand-By-On-Call to facilitate being called into work.

15.01 During a winter weather emergency, when physical plant Employees are required to work hours different than their normal scheduled hours for snow and ice removal and clean-up, although they do not receive on-call payment, their hours during these weather emergencies shall be compensated as follows:

D. Unforeseen Snow/Ice Events After Normal Working Hours – Should a winter storm arrive before or after normal Monday to Friday 8:00 am to 4:30 pm shift(s), Management will make phone calls to staff using the "turn sheet". For check-in purposes, KRONOS check-in time will begin upon receipt of call. Should Management be unable to reach the employee called, and created a voice message for the employee, KRONOS check-in time will begin upon employee returning the phone call message. Mileage reimbursement is available to employees called for snow removal; unless employee's call was late enough in the morning that they will be staying for their regular shift.

E. Foreseen Snow/Ice Events After Normal Working Hours – In the event of a forecasted snow event, Management may request staff (using the turn sheet) to stay after their normal shift or arrive prior to their regular set schedule. During these types of events, employees must clock-in upon arrival at the Physical Plant Shop. Mileage reimbursement is available to employees called for snow removal; unless employee's call was late enough in the morning that they will be staying for their regular shift. Should an employee be required to work after their shift ends and they have left work, a mileage reimbursement is available.

Grievances will be limited to disparate treatment within a department or office.

ARTICLE XVII – LAYOFF AND RECALL

17.00 A layoff is defined as a decrease of the existing work force or an abolishment of an existing position. Layoff shall be by position classification. Employees shall be laid off in inverse order of seniority, unless the remaining Employees after the layoff do not possess the minimum

qualifications (basic skills) to perform the work normally required of the classification. Laid off Employees, within five (5) working days, may exercise seniority rights with respect to any other position classification, provided the Employee has the ability to perform the work of the Employee who is to be displaced by him. Such displaced Employee shall then be subject to this Article.

17.01 The Employer shall give Employees to be laid off and the Union written notice of the layoff at least thirty (30) calendar days prior to its effective date. A Union representative shall be present at layoff meetings with Employees. Prior to any Employee being laid off, every reasonable effort will be made to transfer Employee to vacancies in another department or office rather than terminate the Employee due to a reduction in force. Employees should complete an application if they wish to be employed in another County position outside of the bargaining unit.

17.02 No Employees covered under this Agreement shall be laid off when there are temporary or part-time Employees performing bargaining unit work.

17.03 When a vacancy occurs in the bargaining unit, Employees shall be recalled in the inverse order in which they were laid off. Requests will be reviewed on a case-by-case basis based upon operational needs of the office. The ultimate decision is the sole discretion of the Employer.

18.01 Compensation.

The shared position will be budgeted as one position in the Champaign County Staffing Plan, and both Employees sharing the position will be paid at their current hourly rate of pay, based on the number of hours worked within the applicable pay period but at no time may the combined pay be greater than the pay for a single person holding said position at the highest longevity rate of the two (2) Employees sharing the position. Combined hours worked and paid for job sharing positions will not exceed hours for the full-time position.

18.02 Health Insurance.

18.05 Employment at Conclusion of Job Sharing.

The position which has been shared will be returned to full-time employment at the end of the time period granted for job sharing. The position will be filled by the Employee who originally held the position. If that Employee does not want the full-time position, then the other Employee will be offered the position. If neither Employee wants to hold full-time position, then the position will be filled according to terms of this Agreement.

Minimum charge against personal leave shall be in fifteen (15) minute increments. The Employer shall not require an Employee to give a reason as a condition for approving the use of personal leave, provided, however, that prior approval for the requested leave must be obtained. Approval will not be arbitrarily withheld.

24.02 Unused personal days shall not be carried over from one year of employment to the next.

ARTICLE XXV– SICK LEAVE

25.00 Employees covered hereunder shall earn paid sick leave of eleven (11) days per year at a proportionate rate per pay period for the first ten (10) years of employment, and for more than ten (10) years they shall earn thirteen (13) days per year. The Employer shall have the right to make such investigation of absences due to sick leave as it may deem necessary, and may require an Employee to furnish evidence of the illness, disability or injury. If the investigation or evidence supported does not support a claim for sick leave, the Employer shall have the right to reject the claim. If furnishing such evidence involves cost to the Employee, and if such evidence verifies the Employee was not abusing the sick leave, the Employer shall pay the cost of providing the additional evidence.

25.04 Employees may use available sick leave to supplement Worker's Compensation benefits or other disability-related compensation, but only to the extent of the difference between Worker's Compensation, or other disability-related compensation received, and normal sick leave pay. 26.01 The County Board maintains the Champaign County Personnel Policy in order to inform employees of their right to work in an environment free from harassment, and the responsibility of all employees to refrain from harassment. Additionally, the policy establishes procedures for filing a harassment complaint.

26.02 Anti-harassment policies will be enforced according to federal and state law, as referenced in the Champaign County Personnel Policy, Chapter 12 ANTI-HARASSMENT POLICY. Complaint procedures are also outlined in Chapter 12.

26.03 This Article shall not be construed as a limit on the Employer's power under Article VI to

impose additional restrictions to ensure the Employer and its Employees act in a professional manner toward Employees, Champaign County residents, and others.

ARTICLE XXVII – EXTENDED LEAVE OF ABSENCE WITHOUT PAY

27.00 A Leave of Absence Without Pay (LOA) may be granted for short term disability, or reasons other than those covered by Family Medical Leave Act.

27.01 A non-probationary Employee will not be required to use all of his/her accrued benefit time before beginning their LOA without pay.

27.02 A LOA of less than one (1) calendar month may be arranged between an Employee and the Department Head or Elected Officer. If possible an Employee requesting a LOA for a period of one (1) month or less shall notify his/her Department Head or Elected Officer of the request, in writing, at least three (3) days prior to the LOA.

27.03 If the Employee will be absent from work longer than the accrued benefit time available to be taken plus one (1) month, if granted, a request for a LOA not to exceed four (4) months shall be submitted to the Department Head or Elected Officer. The Department Head or Elected Officer will respond to the request for leave within five (5) working days of the date he/she receives the request for leave. The Employee shall notify his/her Department Head or Elected Officer in writing of this request as soon as he/she becomes aware of the need for an extended LOA and at least three (3) days prior to the end of benefit time or leave time already granted if possible. The written request shall contain the reason and expected length of the absence. A leave of Absence is granted at the sole discretion of the Employer.

27.04 An Employee who is granted a LOA under this Article will be returned to his/her prior position at the end of such leave, unless the position has been eliminated as allowed by this Agreement.

27.05 An Employee who does not report for work at the end of an approved Leave of Absence or any extension thereof shall be deemed to have resigned as of the date of the Employee's next scheduled work day after the expiration of the LOA. If final action on a request for leave cannot be taken until accrued benefit time has been exhausted or approved leave has expired, an Employee who has not return to work within seven (7) days after notification by the Department Head or Elected Officer shall be deemed to have resigned.

27.06 All LOAs under this Article shall be without payment of salary from Employer. Employees on an approved Leave of Absence will not earn or accrue benefit time (vacation, sick, holiday or personal leave). The Employer will continue to pay the Employer's contribution for health insurance coverage and the Employee may receive creditable service for IMRF and leave benefits, not to exceed five (5) months, however the Employee must comply with IMRF requirements for creditable service. Time spent on an approved Leave of Absence will count toward determination of length of service with the Employer in computing benefits when the Employee returns to work.

27.07 The Employee remains responsible for payment of any additional individual or dependent

coverage premiums for health insurance or payment for Health Maintenance Organizations premiums while on an approved Leave of Absence.

27.08 The Department Head or Elected Officer shall provide copies of an approved LOA which include the various terms and conditions of the leave to the following:

- A. Employee
- B. Director of Administration
- C. Payroll Accountant

27.09 Before an Employee may return to work from a leave of absence granted due to a short term disability, the Employee must have a doctor's statement approving the return to work in the Employee's position.

27.10 Department Heads and Elected Officers may fill a position that is vacant due to an Employee being on an approved LOA with a temporary Employee if sufficient funds are budgeted in the appropriate temporary line item.

27.11 Although the Leave of Absence policy is designed to be flexible enough to accommodate most specific situations, there will be occasions that require techniques or solutions outside the established guidelines. Requests beyond the Leave of Absence benefits granted by this policy may be referred by the Department Head or Elected Officer to the County Board for final approval. The approval of an extended Leave of Absence maintains length of service credits. However, Employer paid health insurance benefits will not be provided, if a Leave of Absence is approved or extended to an Employee for a period longer than the four (4) months stipulated by this policy. An Employee on an approved LOA, will be allowed to maintain his/her health insurance benefits for a period of up to one year at his/her cost. The Employee's health insurance premiums must be paid either through payroll deduction, or by direct payment by the Employee to the County at the same time as it would be made if by payroll deduction.

27.12 A leave of absence necessitated by a work related injury will be granted as a right under this Article. When the request for leave is due to a work related injury, accrued benefit time may be used to supplement Worker's Compensation benefits, not to exceed his or her normal compensation at the option of the Employee.

27.13 Individuals hired to fill a vacancy created by an Extended Leave of Absence are temporary and are not entitled to any of the benefits of this Agreement.

ARTICLE XXVIII – FAMILY AND MEDICAL LEAVE ACT

28.00 The Employer and the Union recognize the Employer's obligation to comply with the Family Medical Leave Act (FMLA).

28.01 The County Board maintains the Champaign County Personnel Policy in order to fulfill its

obligation to comply with FMLA.

28.02 Family and medical leave shall be granted in accordance with state and federal law, as referenced in the Champaign County Personnel Policy, Chapter 8-7 FAMILY AND MEDICAL LEAVE OF ABSENCE.

28.03 Paid leave will run concurrent with FMLA leave under the circumstances listed in the Champaign County Personnel Policy, Chapter 8-7.3 SUBSTITUTION OF PAID LEAVE. Notwithstanding these provisions, the Employee may reserve up to sixty percent (60%) of his/her accrued paid time. An employee shall not be required to use sick leave as FMLA until the Employee has already used ten (10) days of sick leave within any rolling twelve (12) month period.

28.04 Any violation of the FMLA, County Policy, or of any state laws, or their respective implementing regulations relating to family and medical leave, shall be subject to the grievance and arbitration provisions of this Agreement. Any remedies provided for in federal and state laws as well as remedies provided for under this Agreement shall be applicable for any violations of these laws.

28.05 The Employer acknowledges its obligation to bargain over any change to the FMLA or County Policy pertaining to the FMLA which would diminish or impair employees' rights under the FMLA at the time of execution of this agreement.

28.06 At the conclusion of leave, an employee will be restored to the position he/she held at the time the leave began or to an equivalent position with equivalent benefits, pay and other terms and conditions subject to the Layoff and Recall Article. Fringe benefits accrued prior to the leave will not be lost as a result of leave. However, employees do not accrue additional seniority or employee benefits during the period of leave.

28.07 A medical certification of illness and its seriousness, both as to the employee and/or a family member, will be required. It must also state the expected duration of the leave. Forms for such certification are available from the employer. If there is a reason to doubt the validity of the certification, the County may, at its own expense, require the employee or family member to obtain from a doctor of the County's choice a second medical certification. However, the second medical certification shall be within a reasonable distance of the family member's residence and will not create an undue hardship. If a conflict arises, the County may require a third opinion, which will be a doctor chosen by the first two doctors. The County shall pay the cost of the third opinion. The third opinion shall be final and binding.

28.08 Vacancy

Individuals hired to fill a vacancy created by an FMLA leave are temporary and are not entitled to any of the benefits of this Agreement.

ARTICLE XXIX – JURY AND WITNESS LEAVE

29.00 Any Employee who is called for jury duty shall be excused from work for the days served. The Employee shall receive his/her normal rate of pay for each day of jury duty for which he or she would have worked. During this time, if the Employee is not actually performing jury duty, the Employee shall return to work for the remainder of the work day. The payment received for jury duty shall be returned to the County; however, the mileage reimbursement shall be retained by the Employee.

29.01 If an Employee is served a subpoena to appear as a witness for a matter relating directly to his/her employment, the individual will be paid his/her normal salary during the time the Employee is required to be away from his/her place of work. If the testifying Employee is not scheduled for a work shift during the time he/she is required to be present, the Employee will still be paid his/her normal wage, subject to the overtime provisions contained in this Agreement, for the time the Employee has been requested to attend the proceeding.

29.02 Department Heads and Elected Officers shall maintain records of the days on which jury and witness duty is served by Employee.

30.01 Full-time and part-time Employees shall be granted bereavement leave with pay for missed scheduled working hours for three (3) consecutive workdays following the death of a step-parent, grandparent; grandchild; step-brother; step-sister; brother-in-law; sister-in-law; mother-in-law; father-in-law; son-in-law; or daughter-in-law.

30.02 Employees who must travel over 400 miles as a result of the death of a relative as stated in the preceding two paragraphs shall be granted up to two additional days of bereavement leave. Verification of the required travel shall be provided to the Employer.

30.03 If bereavement leave is required other than as granted in the preceding three paragraphs, up to five (5) additional days may be charged to leave without pay or accrued personal leave or vacation leave. Approval of additional leave under this Article shall not be withheld.

30.04 Bereavement leave may be taken non-consecutively but must be taken within sixty (60) days of the death. Paid bereavement leave shall run concurrently with leave under the Illinois Family Bereavement Leave Act.

ARTICLE XXXI – MILITARY LEAVE

31.00 Any Employee may take a leave of absence without pay for active or reserve duty with a military unit of the United States or the State of Illinois. The Employee shall provide copies of military orders and annual drill schedule necessary to implement leave to the Employer as soon as possible after the Employee's military commander provides such documents to the Employee.

32.01 In order to be eligible for holiday pay, the Employee must work the scheduled working day immediately preceding and immediately following the holiday, unless the Employee's absence is excused by the Employer. Approved days off the day before and day after will count as time worked for the purpose of computing holiday pay eligibility.

32.02 A holiday falling during an Employee's regularly scheduled vacation shall be counted as a holiday and not as a vacation day.

32.03 For an eligible Employee who normally works five or more days a week, if a holiday falls on an Employee's first scheduled day off, he will receive the previously scheduled work day as a holiday. If a holiday falls on an eligible Employee's second scheduled day off, or a day off he would otherwise be entitled to under this Article, he will receive the following scheduled work day as a holiday, (excluding Deputy Coroners and Master Control Officers). When a holiday falls on a Deputy Coroner's scheduled day off, they will receive the 8 hours of compensatory time for the holiday. 32.05 Eligible Employees who work on a holiday shall receive holiday pay computed at their regular straight-time hourly rate of pay for the number of hours worked; but in no event shall holiday pay be less than the regular straight-time hourly rate of pay for the number of hours they are normally and regularly scheduled to work immediately prior to the holiday, not to exceed eight (8) hours. In addition to holiday pay, for each hour worked on a holiday, eligible Employees shall receive two times their regular straight-time hourly rate of pay or, at the agreement of the Employee and Employer, the Employee shall receive compensatory time off at a rate of two (2) hours for each hour worked.

32.06 Eligible Employees who do not work a holiday and who normally work less than five days a week shall be paid for all holidays, regardless of whether they fall on a normally scheduled work day, but shall have their holiday pay prorated based on the ratio of the annual budgeted hours for their position at the time of the holiday to the hours budgeted for a person who normally works five or more days a week in a comparable position. Employees may supplement holiday pay prorated under this section with benefit time to maintain their regular pay for the pay period.

ARTICLE XXXIII – HAZARDOUS WEATHER DAYS

33.00 If a hazardous weather situation arises before the start of an Employee's working hours, the following procedures will be used:

- A. An Employee will not be required to forfeit a day's pay during times of natural disaster when, by order of the Sheriff, the County office building in which he/she works is closed. Jail clerical Employees shall not be required to work when the clerical Employees in the Sheriff's office are not required to work.

work additional hours to compensate for those hours missed.

- F. Employees who are required to work when their buildings are closed, or whose buildings cannot by their nature close during hazardous weather (for example, the jail and the maintenance shop), will receive compensatory time equal to the amount of time worked on the hazardous weather day.

ARTICLE XXXIV – HEALTH AND LIFE INSURANCE

34.00 The Employer shall make available to all employees a group medical, major medical and hospital health insurance plan. Employees shall be eligible for health insurance coverage if they work at least thirty (30) hours per week and have completed at least two months of full-time, permanent employment immediately prior to becoming eligible for health insurance coverage. Beginning January 1, 2026, the County shall pay the same proportion of the monthly premium cost of the employees' single coverage and the employee shall pay up to but no more than \$160.00 per month.

34.04 Dependent Premium Cost. For employees who enroll in a health insurance plan which also covers dependents, the County will pay the amount of the single health insurance plan as designated to be paid by the Employer in 34.03 toward dependent insurance costs, at minimum. The employee shall pay the remaining balance of the monthly premium for the dependent health insurance benefits he has selected, except in the case where both spouses are employed by the County. Beginning January 1, 2025, the County will contribute two hundred (\$200.00) monthly over the current Employer contribution as defined in 34.03 toward the medical insurance premium cost of the Employee plus Spouse coverage; \$250 toward the Employee Plus Children coverage; and \$300 for Family coverage if selected by the employee.

34.05 When spouses are both employed by the County, the County shall pay the designated premium described above for the spouse who signs up for family coverage, and the County shall contribute to the family coverage on behalf of the second spouse an amount equal to the premium contribution to be paid by the County in that fiscal year as described above, or an amount equal to the balance due to that couple's family/dependent coverage, whichever is less.

34.06 The County will make available at its group rate health insurance coverage for Employees who retire, and their dependents. The premium for retiree and retiree dependent coverage will be paid in full by the retired Employee.

34.07 An Employee on an extended leave of absence without pay or on FMLA leave who fails to pay his portion of health insurance premiums by the appropriate due date, shall have his health insurance cancelled. Upon such Employee's return to work, he shall have thirty (30) days to notify the Employer in writing of his desire to reinstate his health insurance coverage. The effective date of the reinstated health insurance coverage shall be the date upon which the Employee returns to work. The Employee shall be responsible for his portion of health insurance premiums retroactive to the pay period within which the Employee returns to work. If an Employee fails to reinstate his health insurance coverage within thirty (30) days of his return to work, he shall be ineligible for health insurance coverage through the Employer until the next open enrollment period.

34.08 If the LMHIC approves an FY2026 HDHP with a deductible in excess of \$2000 and without an HCA that includes reimbursement above \$2000 the employer will establish an HRA for all employees that includes reimbursement above \$2000, pending LMHIC approval. If the LMHIC does not approve the HRA the Union may notify the Employer of its intent to reopen negotiations with respect to wages, bonus, personal days, premium cost sharing, Healthcare Savings Accounts or other insurance add-ons but not the insurance package as approved by the LMHIC.

34.09 Life Insurance. The Employer shall provide Employees with life insurance coverage of \$20,000.00. An Employee shall be eligible for life insurance coverage if he works at least thirty (30) hours per week and has completed at least two (2) months of full-time, permanent employment immediately prior to becoming eligible for health insurance coverage.

34.10 Insurance benefits shall be subject to the provisions of the policy or policies between the Employee and the carrier(s). The Employer's obligation under this Article is limited solely to the payment of the premium as stated herein.

See the most recent edition of the pamphlet distributed by the Administrative Services HR Division for a detailed description of your benefits.

ARTICLE XXXVII – GRIEVANCE PROCEDURE

37.00 A grievance is defined as a difference of opinion raised by a non-probationary Employee or the Employer involving the meaning, interpretation, or expressed provisions of this Agreement.

37.01 The purpose of the grievance procedure shall be to settle Employee grievances on as low an administrative level so as to ensure efficiency and Employee morale. No Employee making good faith use of this procedure shall be subject to any reprisals.

37.02 Grievances will be processed in the following manner and within the stated time limits. Time extensions beyond those outlined below may be arranged by written mutual agreement of the parties concerned.

Step 1 The aggrieved Employee(s) and/or Union shall first present the issue verbally to the immediate supervisor within ten (10) working days of the occurrence of the incident, not including the day of the incident, or in cases of discipline, within ten (10) working days of the Union's receipt of the documented discipline, to determine if the matter may be resolved informally. The Employee(s) may be accompanied by a Union Official in the presentation.

Step 2 The aggrieved Employee(s) and/or Union shall reduce the grievance to writing. The written grievance generally should include the following information:

- A. Identification by section number of the provisions of the Agreement that the Employee(s) and/or Union claims have been violated. Claims relating to contractual provisions not specifically identified in the written grievance are not deemed waived.
- B. A brief statement of the specific conduct which has violated the provisions identified;
- C. The name of those Employees or Employer representatives responsible for the conduct giving rise to the grievance, if and to the extent known; and
- D. The remedy sought in the grievance process.

The aggrieved Employee(s) and/or Union shall then present the written grievance to the immediate supervisor within five (5) days of the meeting described in Step 1. The supervisor will give a written response within ten (10) days following the presentation, not including the day of the presentation. If the supervisor is an appointed Department Head, an appeal from Step 2 would be directly to Step 4. If the supervisor is an Elected Officer, an appeal from Step 2 would be directly to Step 5.

Step 3 If the grievance is not resolved satisfactorily at Step 2, the written grievance shall be presented to the appointed Department Head or Elected Officer

within five (5) working days after the Step 2 response was received or due. The appointed Department Head or Elected Officer shall have five (5) working days following the presentation, not including the day of presentation, to study the grievance, confer with the Union Representative, Union Steward and/or grievant(s) and attempt to resolve the dispute. If the grievance is not satisfactorily resolved in that time period, the Union may proceed to the next Step of the grievance process. If no response is given within five (5) days following the presentation, not including the day of the presentation, the grievance will be deemed denied and automatically advanced to the next Step of the grievance process.

Step 4 Appointed Department Heads

For departments or offices other than those run by an Elected Officer, the Union shall deliver to the County Executive, or designee, a copy of the grievance submitted in Step 3 of the procedure within ten (10) working days after the Step 3 response is received or due. If the grievance is not delivered within this period, it is deemed automatically withdrawn unless it was automatically advanced to Step 4. The County Executive or designee shall meet and discuss this grievance with the grievant and Union within ten (10) working days following receipt of the grievance.

The County Executive or his designee shall have authority to examine all issues presented in the original grievance, unless barred from doing so by prior written settlement.

By mutual written agreement of the County Executive or his designee and the Union, the grievance may be remanded back to Step 3. If this is done, all deadlines and procedures shall apply to the grievance at Step 3 as if it were presented for the first time at Step 3, except:

- A. the grievance is treated as if filed at Step 3 on the date of remand;
- B. the deadline to file the grievance at Step 3 does not apply to the grievance on remand; and
- C. the written agreement to remand the grievance may narrow the issues for consideration.

The County Executive or his designee will submit his decision in writing within ten (10) working days of the Step 4 meeting, not including the day of the meeting. If the grievance is not satisfactorily resolved within that time period, the Union may proceed to Step 5. If no response is given within ten (10) working days of the Step 4 meeting, not including the day of the meeting, the grievance will be deemed denied and automatically advanced to Step 5.

Step 4 **Elected Officers.** Grievances relating to Elected Officers shall skip Step 4 and proceed directly to Step 5.

Step 5 **Mediation.** If a grievance is not resolved at Step 3 (for Elected Officers) or Step 4 (for other offices or departments) the Union has the right to request mediation by the Federal Mediation and Conciliation Service. Such request will be in writing to the County Board Chair or Elected Officer who decided the previous Step within seven (7) working days of the receipt of an answer. The Union and the County Board Chair or Elected Officer who decided the previous Step shall promptly send a joint letter to FMCS, requesting their services.

The parties agree to use the current rules for FMCS mediation, as stated in Appendix D. Should these rules change, the Employer and the Union shall bargain the continued use of mediation at Step 5.

This Step 5 may be waived by mutual written consent of both parties.

Step 6 **Arbitration.** Grievances not resolved may be referred in writing by either party to arbitration within seven working (7) days of the last mediation session in Step 5, not including the day of that session. Either of the parties may request FMCS or the American Arbitration Association to submit a panel of nine (9) arbitrators from which the parties shall make a selection within thirty (30) days of receipt of such panel, by each side striking a name from the list. Each party has the right to reject one entire panel. The party requesting arbitration shall make the first strike and the last name remaining on such list shall be deemed selected jointly as the neutral arbitrator.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to decide any other issues not so submitted. The arbitrator shall be without authority to make decisions contrary to, inconsistent with, or modifying or varying in any way applicable State or Federal laws. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination has been made that the issue is subject to arbitration, the arbitrator shall hear the merits of the dispute, however, a final award on the merits shall not be rendered until a decision is made that the dispute is subject to arbitration. The arbitrator's determination with respect to arbitrability shall be subject to reversal only if the reviewing authority finds it to be without reasonable basis. The arbitrator shall submit a decision to the parties, in writing and within thirty (30) days following the hearing or the submission of briefs by the parties, whichever is later, unless the parties each agree to an extension thereof. The arbitrator's decision shall be based solely upon the arbitrator's interpretation of the meaning or application of the express terms of this

Agreement to the facts of the grievance presented. The selected arbitrator shall not have the jurisdiction to add to, detract from, or alter in any way the provisions of this Agreement. Except as otherwise provided herein, the decision of the Arbitrator shall be final and binding on the Employer, Union and the Employee(s).

37.03 The fee and expense of the arbitrator and the cost of a single copy of a written transcript for the arbitrator shall be borne equally by the parties; however, except as stated in the Union Rights Article, each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript.

37.04 It is agreed that the procedure herein for settling disputes by arbitration, shall be used to the exclusion of any other means available to the Employer, the Union and the Employee(s).

37.05 If a grievance is not appealed to the next Step within the specified time limit or any agreed extension thereof, it shall be considered withdrawn. The Employer's failure to respond within the time limits shall automatically advance the grievance to the next Step, up to and including Step 4. The term "work days", as used in this Article, shall mean the days when Employees covered by the Agreement are scheduled to work.

37.06 By mutual agreement of Employer and Union, grievances may be filed at the appropriate advanced Step.

Grievances may be withdrawn at any time. By such withdrawal, the facts giving rise to the grievance will be withdrawn, and the grievance may not be refiled; and the applicable issue of contract interpretation will be withdrawn, but the issue may be the subject of another grievance in the future.

Grievances may be settled in writing at any time. Unless a written settlement specifically states otherwise, a written settlement of a grievance at a lower Step shall bar appeal of all issues contained in the grievance to a higher Step of the grievance process. If the settlement specifically allows appeal of some but not all issues, it shall set forth with particularity which issues may still be appealed.

Employees shall be responsible for obtaining prior approval from their supervisors to attend grievance meetings and arbitration hearings. Such approval will not be unreasonably withheld.

The Union or the Employer may request the production of specific documents, books, papers, or witnesses, reasonably available from the other party and substantially pertinent to the grievance under consideration. Such request shall not be unreasonably denied, and if granted, shall be in conformance with applicable laws, and rules issued pursuant thereto, governing the dissemination of such materials.

37.07 The investigation, filing and processing of grievances shall primarily be the responsibility of the steward. All time spent during working hours presenting or investigating a grievance shall be subject to the operational needs of the Employer. No Employee or Union steward shall leave work to investigate, file or process a grievance without first notifying and obtaining the permission

of his or her supervisor and the supervisor of the department or office where he or she is going to be conducting the investigation. Time spent presenting or investigating grievances during working hours shall be reasonable and by agreement between the Union and the Employer, which agreement shall not be unreasonably withheld. Time spent investigating grievances may be tacked to an Employee's break, lunch break, or the end of the Employee's work day. known.

38.04 An Employee shall be entitled to the presence of a Union Representative at an investigatory interview if he requests one, and the Employer will notify the Employee of the right to a Union Representative before the interview.

APPENDIX D – FMCS MEDIATION RULES

Summary of the Federal Mediation and Conciliation Service (FMCS) Grievance Mediation Process

Mediation is a *voluntary, informal, and confidential* process for helping labor and management resolve disputes arising under their collective bargaining agreement. With the help of a trained and experienced FMCS mediator, the parties to a grievance work, through their representatives, to *find a mutually agreeable solution* to their dispute.

The mediator does ***not*** decide who is right or wrong, and does ***not*** impose a settlement. The mediator's role is to provide an effective approach and to facilitate a dialogue that will help labor and management develop solutions to their particular situation. The mediator has an equal and balanced responsibility to assist each party and cannot favor the interests of one side over another.

FMCS mediators are professionals who may use a variety of approaches and techniques, depending on the situation. Often, for example, the mediator may meet with the parties/representatives together and/or in separate caucuses. The particular procedures utilized are up to the individual mediator who is in the best position to determine the most helpful approach.

The parties are encouraged to work together to solve their dispute and to reach the best possible agreement. Nothing can be imposed on either side unless and until a final agreement is signed. If the parties do reach and sign a final agreement resolving the dispute, that becomes a binding settlement. If there is no final agreement, each side retains their right to proceed with the grievance as specified in the collective bargaining agreement.

Grievance Mediation Agreement

The undersigned parties hereby request the assistance of FMCS in the attempted resolution of the dispute between them today. The parties understand that mediation is a voluntary process that may be terminated at any time. The parties agree to maintain the confidentiality of all information disclosed in the course of the mediation and further agree to the following terms:

1. In the event that mediation is unsuccessful, any time limits in the parties' collective bargaining agreement will be extended as necessary to permit the grievance to proceed to arbitration.
2. Mediation sessions are private. The grievant is entitled to be present. Non-parties may attend only with the permission of the parties and the consent of the mediator.
3. Any statements made by the parties, other participants, or the mediator during the mediation process, and any documents created for or during the mediation proceedings are inadmissible and not discoverable for any purpose whatsoever in any pending or subsequent judicial or other proceeding, absent the written consent of all of the parties, the mediator, and FMCS.

4. The parties will not seek to compel the testimony, by subpoena or otherwise, of the mediator or any other employee of FMCS to testify in any proceeding for any reason. The parties also will not seek to compel, by subpoena or otherwise, the production of documents created for or during the mediation in any proceeding or for any reason.

5. Evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation proceedings.

6. The obligations imposed by this agreement are in addition to and do not supersede any obligations imposed by applicable state or federal laws regarding mediation confidentiality.

7. At the request of the parties, or on the initiative of the mediator, the mediator may provide an oral recommendation or opinion to resolve the dispute. In that circumstance, the parties may jointly decide to implement that recommendation or opinion but neither party is obligated to do so.

8. The parties shall not rely on nor introduce as evidence in any proceedings any views, comments, or suggestions made by any party or participant with respect to a possible settlement of the dispute, any admissions made by another party or participant in the course of the mediation proceedings, or any proposals, opinions, or comments of the mediator. In accordance with FMCS policy, the mediator's notes and records of the mediation content, if any, are routinely destroyed.

9. FMCS and its employees will be held harmless of any claim for damages for any act or omission occurring during or in connection with the mediation process, to the extent permitted by applicable law.

10. The parties agree to be bound by this agreement. By signing below, the parties represent that they have the full authority to bind their respective organization and/or members to this agreement.

**APPENDIX E – AGREEMENT FOR JOINT LABOR/MANAGEMENT HEALTH
INSURANCE COMMITTEE – COUNTY OF CHAMPAIGN, ILLINOIS**

WHEREAS, the County of Champaign offers a program of group health care coverage to its employees, retirees, and their respective dependents; and

WHEREAS, the parties to this Agreement, as set forth below in Paragraph 1, seek to establish a joint process for the operation and structure of the procurement of health insurance for Champaign County and its employees, and to that end, hereby mutually agree to the establishment of a Health Insurance Committee; and

WHEREAS, a consensus has been reached among the County Board of Champaign County, the exclusive representatives of the County employees pursuant to the Illinois Public Labor Relations Act, County Employees not so represented by an exclusive representative, and the Administration of the County, that a Health Insurance Committee appears to be the most effective option for dealing with the problem of maintaining quality health care for the County employees and their dependents, while controlling costs.

NOW, THEREFORE, IT IS AGREED BETWEEN and AMONG THE PARTIES TO THIS AGREEMENT AS FOLLOWS:

1. The parties to this Agreement are as follows: County of Champaign; American Federation of State, County and Municipal Employees Council 31, Local 900 (AFSCME), and Fraternal Order of Police Labor Council;
2. Each of the parties hereby agrees to the Health Benefit Plan attached hereto and incorporated herein as set forth in Attachment 1. Attachment 1 is the current health insurance plan;
3. The plan as described in Attachment 1 shall continue in force as the Champaign County Health Benefit Plan for the term of this Agreement, unless modified as provided in Paragraph 4. It is understood and agreed that if any provision of the Health Benefit Plan is or shall be prohibited or limited by law or any modification be required by law, the necessary revisions to the Plan shall be made as required by law.
4. The provisions of the Plan as described in Attachment 1 may be modified only upon 75% or $\frac{3}{4}$ vote of the total number of members of the Health Insurance Committee, and approved, if necessary (i.e. budget and contract approval), by the County Board of Champaign County, Illinois. As an example, twelve members of a sixteen member committee would be required to vote for a change in order to modify the provisions of the Plan, subject to County Board approval if necessary. Each party shall have the right to discuss all proposed changes with its membership and seek their input prior to any final vote.

5. Each of the parties has full authority of its governing board, its membership, or whatever group or sub-group within its structure who would have the ultimate authority to enter into this Agreement. Each of the parties represents to each of the parties as an inducement to enter into this Agreement that it has such authority and that it intends to and does bind itself and each of its members to the terms of the Agreement. For the term of this Agreement, this Committee shall be the exclusive forum for dealing with non-work related health care issues, including but not limited to: the health plan design and benefit levels; deductibles, co-pays and out-of-pocket costs; premium levels; participant eligibility and general coverage; and claims levels and appeals. During said period each of the parties waives any rights to bargain over the subject of health care or health insurance or to impose other terms or to strike or arbitrate concerning other terms for health care coverage or benefits except for the cost sharing of health insurance premiums. As provided in paragraph 4 above, however, each party reserves the right to discuss all changes with its membership.

Changes in the cost sharing of health insurance premiums between each labor group and the County of Champaign may be bargained individually by the parties as provided by law, or established by the County of Champaign for those non-represented employees.

The parties agree that should any dispute concerning the interpretation or application of this Agreement arise between any two or more of them which cannot be resolved after good faith efforts, it shall be submitted to binding arbitration pursuant to the terms of the Uniform Arbitration Act (7 10 ILCS 51 1 et seq.). It is understood that this provision for arbitration shall not apply to operation of the Plan itself or to any individual claims or disputes under the Plan.

To select an arbitrator, the parties in dispute, by joint letter, shall request that the Federal Mediation and Conciliation Services (FMCS) submit a panel list of seven (7) arbitrators. The representatives of the parties shall within thirty (30) days of their receipt of this list from FMCS engage in a mutual striking process to select an arbitrator. Each party shall have the right to reject one entire list. The parties shall alternatively strike a name from the list until there is one name remaining, with the order of striking to be determined by coin toss. The arbitrator shall be notified of his/her selection by joint letter, requesting that a hearing be scheduled in Urbana, Illinois, on mutually agreed dates, subject to the reasonable availability of the parties and their representatives.

The parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator. The parties have the right to request the arbitrator to require the presence of witnesses and/or reasonable documents. Employees of the County called to testify at the arbitration shall be released from duty for such purposes without loss of pay or benefits. The arbitrator shall have no authority to amend, modify, nullify, ignore, add or subtract from the provisions of this Agreement. The arbitrator shall consider and decide the issue(s) presented and fashion an appropriate remedy. The arbitrator's decision shall be rendered and delivered in writing to the parties within thirty (30) days of the close of the hearings or the submission of post hearing briefs, whichever is later. Post hearing briefs shall be filed simultaneously by the parties on the date established by the arbitrator. Fees and expenses of the arbitrator, the cost of the hearing room, and the cost of a court

reporter to provide a written transcript for the arbitrator shall be shared equally by the parties. If either party desires a verbatim record of the proceedings, it shall pay for the cost of its copy.

6. The parties to this Agreement, in consideration of their mutual undertakings and obligation, mutually agree for the term of this agreement, that this Agreement represents a collectively bargained agreement between and among all of the parties and that no provision concerning this plan shall be raised as an issue in any other collective bargaining agreement, contract or negotiations between those exclusive representatives and the County of Champaign. It is further understood and agreed that this Agreement does not represent a collectively bargained agreement between the County of Champaign and its non-represented employees, either individually or collectively, nor does it represent any undertaking to bargain with any exclusive representative concerning insurance, health care, or any other benefit or provision with the retirees who are or were members of any bargaining unit.
7. The Health Insurance Committee shall be composed of sixteen (16) regular and four (4) alternative members appointed by the parties as follows:
 - a. The County Board shall appoint two (2) regular members of the Committee and one alternate as representatives of the Board;
 - b. The AFSCME and FOP unions shall each select four (4) regular members of the Committee and one alternate as representative of each respective union;
 - c. The County Administrator, Health Insurance Specialist, HR Generalist, and three (3) non-bargaining employees appointed by the County Administrator shall constitute the six (6) regular members of the Committee, and one alternate as representatives of administration.

Members of the Committee shall be appointed for a term of 2 years, unless sooner replaced by the appointing authority. Recognizing the need for stability in the Committee, each of the parties and participating groups agree insofar as it is practical to maintain the same representatives on the Committee for the term of this Agreement. Also recognizing the importance of this committee and the function of this committee attendance is mandatory, and absences must not exceed 2 or more in a one year period, except for emergency reasons. If it becomes necessary to permanently replace one of its previously designated representatives, such party or group will notify the co-chairs of the Committee in writing as soon as practical and not less than five (5) days prior to any regular Committee meeting.

8. The Committee shall determine its own internal structure, including arrangement for subcommittees and chairing of the Committee and subcommittees. Both Labor and Management shall be represented by co-chairs and within the membership of all subcommittees. Labor and Management Committee co-chairs shall be elected by majority vote of their regular Committee members.

9. The Committee shall meet on a bi-monthly basis from January through June, and shall meet on a monthly, semi-monthly or weekly basis, as determined by the Committee, from July through September. A special meeting of the Committee shall be called upon demand of any three of the regular members submitted in writing to the co-chairs. Meetings shall be called with a minimum of 10 working days written notice to the members. A quorum for any meeting of the Committee is established when at least nine (9) regular members of the Committee are present, and of those nine (9) there is at least one regular member from each represented bargaining unit and County administration in attendance.

Regular meetings of the Committee will be open to all signatories of this Agreement and outside agencies participating in the Champaign County Health Insurance Plan.

The Co-Chairs of the Committee shall present to the County Board Finance Committee of the Whole at its September meeting, the recommendation from the Health Insurance Committee for the Insurance Plan or Plans to be adopted for the ensuing fiscal year.

10. A designated committee member or the designated alternate (if attending due to the absence of a designated committee member) to the committee who are employees and who are on duty shall be granted time off work to attend Committee and subcommittee meetings and be paid at the appropriate rate when attending said meetings.
11. In the event that, after reasonable effort, the Health Insurance Committee is unable to reach agreement or the Insurance Plan is not approved by the County Board and the Committee, the Health Insurance Committee may be dissolved by the County Board or upon eight or more voting Committee members providing written notice of intent to withdraw from participation to the Committee Co-Chairs. Should fewer than eight Committee members request to dissolve the Committee, the Committee shall continue to function. In the event that such dissolution occurs, any party to this Agreement may demand to bargain over the issue of health insurance. Until the outcome of such negotiations is determined, the Insurance Plan shall remain unchanged as of the date of dissolution.
12. It is agreed and understood that the County of Champaign, being a unit of local government, that this Agreement and all actions, procedures, and processes under this Agreement are subject to all of the statutes and ordinances governing the conduct of units of local government, including but not limited to, requirements for bidding and contracting for the provisions of goods and services and compliance with all legal provisions for equal employment opportunity and affirmative action applicable to the County and any other party.
13. This Agreement shall remain in full force and effect for a period of three (3) years from the date hereof. This Agreement shall remain in effect from year to year after the expiration date unless one or more of the parties serves a thirty (30) day written notice on the others of their wish to modify or terminate this Agreement.

In the event that such notice is served, all parties to this Agreement agree to meet within sixty (60) days to begin good faith negotiations for a successor agreement. If no agreement

can be reached within one hundred twenty (120) days after the parties begin good faith negotiations, the parties agree to request the services of a mediator through the Federal Mediation and Conciliation Services (FMCS) in an attempt to reach resolution in the dispute. If no agreement can be reached with the assistance of an FMCS mediator, the parties may then pursue the matter through interest arbitration. Until such resolution procedure is complete and final, this Agreement shall remain in full force and effect, and the Committee shall continue with the full participation from all parties to the Agreement.
