Board Member Thorsland reminded members that the original motion he offered, and Board Member Rogers seconded, at the September 18, 2025, County Board Meeting was a motion to deny the ordinance, on the recommendation of the Zoning Board of Appeals. Clerk of the Meeting Cross was invited to speak; he quoted the September 18, 2025, County Board Minutes where Board Member Thorsland offered a motion to deny the ordinance. Board Member Carter noted that the long-term effects of a solar farm are unknown and that she did not appreciate the behavior of Summit Ridge nor its treatment of the community. Various board members noted that the County is not in compliance with state solar farm regulations; Board

Board Member Esry added that the Environment and Land Use Committee has recommended the Board update solar farm rules to be compliant, but the Board voted against the measure keeping the County non-compliant. Board Chair Locke noted that the Village of Mahomet did not issue a protest to the solar farm; Board Member Esry corrected her, noting that municipalities cannot protest Special Use Permits.
