RESOLUTION NO. 2025-344

A RESOLUTION APPROVING AN AGREEMENT BETWEEN THE COUNTY OF  
CHAMPAIGN AND STREET COLLEGE

WHEREAS, Champaign County seeks to support meaningful re-entry services that improve the outcomes for justice-involved individuals; and

WHEREAS, Street College currently provides programming in the community and the Juvenile Detention Center focused on identity development, mentorship, and life skills that support the youth as they prepare to re-enter their communities; and

WHEREAS, Street College's work aligns with the County's goals for re-entry support by promoting self-efficacy and positive outcomes for youth during and after detention; and

WHEREAS, due to federal budget cuts, Street College has lost the funding that supported this programming in the past.

WHEREAS, Champaign County Board wishes to fund Street College's existing programming in the Juvenile Detention Center and the community for FY26 and therefore has determined exemption from the Champaign County Purchasing Policy III. *Procurement of Goods/Services, B. Purchase Requisition—Goods/Services Exceeding \$10,000 and Less than \$30,000* which states requirement of a request for proposals.

WHEREAS, Street College will provide an update to the County Board on FY25 programming in the JDC within the first quarter of FY26.

NOW, THEREFORE, BE IT RESOLVED that the County of Champaign will enter into an agreement with Street College outlining program deliverables, use of funds, and reporting requirements. Champaign County will provide a one-time allocation of \$100,000.00 for re-entry focused services in Champaign County Juvenile Detention Center from January 2026 through December 2026, and due to the Board's intention to fund Street College's existing programming, this allocation will be exempt from the Champaign County Purchasing Policy. An agreement that outlines the responsibilities of each party has been created, and Champaign County Executive may authorize the execution of this agreement.

RE: Street College Programming at JDC

---

Please accept this letter detailing my support for the Street College program. Street College has been operating twice weekly groups out at the Champaign County Juvenile Detention Center since February 2025. They do one day of Musicology and one day of Podcasting per week. The juveniles in custody look forward to these groups. We have seen a significant change in their behavior during the Street College groups. While during their normal day, they tend to struggle in their relationships together by making rude comments, during Street College, they can put that aside and work collaboratively. They support each other and their ideas. Groups become a safe space. They gain confidence, show teamwork, become more open and engaged, and are proud of their work. It improves their overall emotional well-being by offering a positive outlet to express their emotions.

In February, inspectors from the Administrative Office of Illinois Courts were able to sit in on Street College programming. Afterwards, they indicated that programming like this was not happening at any other detention centers throughout the state.

As we continue to build the infrastructure of this programming, we are providing the juveniles with information about connecting with Street College once they are released from custody. Our Juvenile Probation staff are sharing Street College information during office visits. We have a juvenile who had participated in the groups at JDC and was then released on juvenile probation. He started participating in community Street College programming immediately after this release. His mother emailed his Juvenile Probation Officer earlier this year and said "Yes, he started Street College yesterday. It went really well. He almost seemed to light up after he was done with his session. I was so happy to see him that way. The staff said that he did really well." This juvenile continues to participate in Street College today. He was even able to participate in

workshops at the Illinois Probation & Court Services Association Fall Conference that we hosted here in October. I, along with this juvenile and Street College staff, shared information about our programming with other probation and detention staff throughout the state. Both his parents were able to attend a workshop and are incredibly proud of the progress their son has made.

I am extremely grateful for the impact that Street College programming is having on the juvenile population we work with and can't say enough about their staff. I am hopeful that we can find funding to continue these impactful groups.
