CHAMPAIGN COUNTY
REGIONAL PLANNING
COMMISSION

Memorandum

To: Members of the Champaign County Highway and Transportation Committee
From: Rita Morocoima-Black, CCRPC/CUUATS Planning and Community Development Director and Mimi Hutchinson, CCRPC/Program Compliance Oversight Monitor for Champaign County Rural Public Transportation
Date: November 5, 2021
Re: FY2022 Section 5311 CARES Act Grant Application for Champaign County Area Rural Transit System (C-CARTS)

Requested Action: Approve Resolution Authorizing Execution and Amendment of Section 5311 Grant Agreement, Public Transportation Applicant Ordinance, and Acceptance of Special Warranty as part of the CARES Act for Fiscal Year 2022 for operations of Champaign County Area Rural Transit System (CCARTS).

Background: Last year, the Champaign County Board authorized an application for \$579,840 in Section 5311 CARES Act (emergency rural public transportation funding) through FY21 with Resolution #2020-137.

On July 17, 2020, CCRPC staff received the federal Section 5311 CARES Act grant agreement for Champaign County's partial execution for the same amount requested and previously approved by the County Board. Subsequently, Champaign County received an allocation of \$466,867 of Section 5311 American Rescue Plan Act (CRSSA/ARP) emergency rural public transportation funds. However, in order to continue to receive emergency rural public transportation operating funding, like that received from the CARES Act, Champaign County is required to submit a CRSSA/ARP grant application for FY22.

While the CRSSA/ARP federal funding is allocated under the same 5311 program that C-CARTS receives annual funding from, the State of Illinois is still requiring rural grantees to complete a separate grant application. Additionally, to keep track of all COVID-19 relief-related allocations to date, IDOT has requested that the CRSSA/ARP application include figures from FY21's CARES Act appropriations. Therefore, attached documentation reflects Champaign County's total CARES from FY21 plus CRSSA/ARP allocation from FY22 for a total amount of \$1,046,707.

C-CARTS administration intend to use CRSSA/ARP funding for all eligible operations expenses. No local match is required for CRSSA/ARP funds. Champaign County is requesting our full allocation of \$466,867. This application was prepared by RPC staff with input from Champaign-Urbana Mass Transit District staff and will be submitted online.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BOARD OF CHAMPAIGN COUNTY:

Section 1. Re: Closed Sessions Minutes Review for Highway & Transportation

Dear Ms. Cowart:

Pursuant to the Open Meetings Act, a public body such as the Highway & Transportation Committee must review its closed session minutes at least semi-annually. The Committee must then determine whether the need for confidentiality exists as to all or part of those minutes, or that the minutes or portions thereof no longer require confidential treatment, if so, the records would be available for public inspection. Therefore, the question is whether there is no longer a need to keep minutes closed in order to protect either the public interest or the privacy of an individual. Whichever conclusion that the Committee draws must be then be reported in open session.

Please note that the Committee may enter into closed session for the purpose of review of closed session minutes pursuant to 5 ILCS 120/2(c)(21): Discussion of minutes of meetings lawfully closed under the Act. Just as in open session, if the matter requires action by the Committee, the matter must have been noticed on the posted agenda.

The County Board passed Resolution No. 7969, "Resolution Establishing Procedures for Semi-Annual Review of Closed Session Minutes by the Champaign County Board" on November 17th, 2011. Under the parameters established by the full board in Resolution 7969, please see attached List for more information as to the minutes that are ripe for review.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Sullard".
