

CHAMPAIGN COUNTY EMA

TO: Justice Committee
FROM Bill Keller Director
SUBJECT: June & July Activity Report
DATE: 7/31/06

June and July has been active with planning, exercising, activations for severe weather, State Mutual Aid Activation, and training. We have been working on up dating our entire Emergency Operation Plan for State approval in October, continuing to work on our infectious disease operation plan, and our animal welfare plan. We are planning a full scale exercise in September to test the infectious disease plan and in late August will be doing an exercise with the Champaign Post Office on their Bio-Detection system. We have activated 3 time for severe thunderstorm watches and come through with out any damage reported. I was activated by the Illinois Emergency Management Agency to assist the city of East St Louis with there Emergency Operation Center for 2 days over the weekend. We have been training with the City of Champaign on the new ITECS communication trailer and our command post to ensure interoperability. We have worked with the Regional Emergency Coordination Council on NIMS training and will host a training class in August on executive duties in a Emergency Operation Center.
