18:44:13 From Tracy Dace : Small nonprofits could benefit from a shared accountant.

18:44:57 From Susan A Fowler : Please know I'm not criticizing the staff, just looking at other options to avoid a new nofa

18:45:02 From Lynn Canfield to Tracy Dace(Direct Message) : Would small agencies include that as part of theirproposals? We have had language supporting such a strategy in the priorities for a few years now.

18:46:43 From Tracy Dace to Lynn Canfield(Direct Message) : That is a strategy we should pursue. I am very interested in sharing an accountant or Finance Director level professional.

18:55:42 From Susan A Fowler : In the past Lynn you hired consultants to help with program summaries. Is that possible again?

18:56:43 From FirstFollowers : Thank you board for your consideration!

19:00:05 From Lynn Canfield : Susan, that is about the only way to do it. The workload is pretty much constant throughout the year though, so it might be time for us to add full time permanent staff.

19:10:55 From Janice Mitchell : Good evening everyone. This is Janice Mitchell and I just want to say congratulations to Leon!

19:11:23 From Tracy Dace : Good night!
