RFP Addendum #1

Date Issued: 12/9/2024

1. Project Labor Agreement

This Addendum #1 serves to notify all Proposers that the successful respondent will be required to comply with the Champaign County Project Labor Agreement (“PLA”). The terms of the PLA have been uploaded to the Attachment A files, and these terms as written will be incorporated into the contract terms for this project upon award by the County. It is the responsibility of Proposers to ensure that proposal pricing and other relevant assumptions are compliant with the PLA, and in no way will failure to comply with the PLA be grounds for a change order or other adjustment to the proposal pricing after award.
