RE: Food Service Agreement for Inmate Meals

Dear Sheriff Heuerman:

It continues to be an honor and a privilege to provide inmate food services for Champaign County. As you are aware, per the Agreement, meal prices are adjusted annually equal to the change in the Consumer Price Index, Food Away From Home. Based on the most recent Index data (copy enclosed), the change in the Index over the last year was 3.8%. I have attached an updated meal price scale to reflect the agreed adjustment. These prices will be effective upon the renewal date of the agreement, May 1, 2025.

Assuming you agree with adjusting the meal prices as stated herein, please countersign the enclosed confirmation copy of this letter and return it to our office.

Trinity sincerely appreciates the opportunity to serve Champaign County. Thank you for your business. We will always strive to exceed our client's expectations and I urge you to call me if you ever have any questions or concerns regarding this adjustment or the food services we provide.

Very truly yours,

Matt Stimpson
