09:19:14 From Lynn Canfield : We did not have in person visitors who might give public input (in this or the earlier agenda item) today. Note: the meeting agenda is posted in at least two places in Brookens in order to identify the location of the meeting for any in person participants.

09:49:50 From Danielle Matthews to Lynn Canfield(Direct Message) : You can disclose that it is DSC if you want to. I assumed the Board already knew. Thanks!

09:50:32 From Lynn Canfield to Danielle Matthews(Direct Message) : Thank you, Danielle. I don't want to put you in a weird position. It's a really hard situation, but I trust our realtor and our attorney, as they tend to be overly cautious.

10:04:59 From georgianaschuster : Is there a difference in DSP's and PSW's?

10:06:04 From Lynn Canfield to georgianaschuster(Direct Message) : Yes. DSP = Direct Support Professional. These folks work in CILAs and day program and other.

10:08:11 From Lynn Canfield to georgianaschuster(Direct Message) : PSW = Personal Support Worker. This role doesn't require as much training and is not strictly associated with DD services

10:09:41 From Patty Walters : Great info. These numbers don't include people that do not have state funding. There are many in their own apartments/homes that are receiving services by DSC and CC - so number is higher which speaks to DDB funding. :)

10:10:06 From Lynn Canfield : Thank you for the additional info!

10:10:50 From Kim Fisher (she/her/hers) : Can we leave a little time to talk about the DSP priority?

10:11:03 From Kim Fisher (she/her/hers) : Sorry I/DD workforce priority

10:13:47 From Lynn Canfield : FYI - Numbers of people served by DDB contracts are actually included in the service reports later in this board packet - [https://www.co.champaign.il.us/mhbddb/agendas/ddb/2021/211117\\_Study\\_Session/211117\\_Agenda.pdf](https://www.co.champaign.il.us/mhbddb/agendas/ddb/2021/211117_Study_Session/211117_Agenda.pdf)

10:20:44 From Sherry Longcor : We did complete ours.

10:20:55 From Mel Liong to Lynn Canfield(Direct Message) : sorry I did not mean to interrupt but I just wanted to add something
