09:27:45 From Lynn Canfield to Sam Hall - DREAAM(Direct Message)  
: I think the MHB loves DREAAM, so you can't go wrong. Focus on the  
expansion if possible. I know Mr. Dace had hoped to share photos, but we  
might mention to the board and public that DREAAM has a very active  
facebook page which does include photos and current events. They might  
already know, but you all do a great job with that form of communication,  
so take some credit for it.

09:46:16 From Patty Walters : For some that don't know, CCDDDB has  
supported some of the mini-grant efforts even prior to taking this on the

past two years through the IFS program. When there is a significant need, we seek pre-approval from CCDDDB. It's not on as large of a scale, but DDB is still responsive in this way. Thank you!

10:02:56 From Patty Walters : would it be helpful to have letters from provider board members to describe the essential work and hardship to complement your memos?

10:03:16 From Lynn Canfield : That's a great idea! And maybe from families and individuals too!
