

WEBVTT

00:09:39.082 --> 00:09:44.082

All right, I will now call to order this evening's meeting of the Champaign County Mental Health Board.

00:09:44.877 --> 00:09:52.877

Wednesday, January 21st, 2026, 5.45pm in the Shields Carter Room of the Bennett Administrative Center, Urbana, Illinois.

00:09:52.602 --> 00:09:54.602

May I have a roll call?

00:09:55.329 --> 00:09:57.329

Alejandro Gomez.

00:09:58.468 --> 00:10:00.468

Chris Miner. Here.

00:10:00.766 --> 00:10:02.766

Tony Nichols.

00:10:03.037 --> 00:10:05.037

Elaine Palencia?

00:10:05.093 --> 00:10:07.093

Kyle Patterson?

00:10:08.197 --> 00:10:10.197

Emily Rodriguez? Here.

00:10:10.813 --> 00:10:12.813

Jane Sprandel, here.

00:10:12.871 --> 00:10:14.871

Jon Paul Youakim? Here.

00:10:14.807 --> 00:10:16.807

And Molly McLay, here.

00:10:17.517 --> 00:10:22.517

All right, thank you very much. We have a quorum, so we can move forward to approve the agenda.

00:10:22.518 --> 00:10:27.364

Are there any, um, edits, discussion, or would anyone like to move?

00:10:31.279 --> 00:10:33.279

I will move to approve the agenda.

00:10:33.280 --> 00:10:34.320

Thank you very much. May I have a second?

00:10:36.553 --> 00:10:40.553

All right, Palencia Moves, Miner seconds. Any final discussion?

00:10:42.606 --> 00:10:49.606

Seeing none, all those in favor of approving the agenda as presented, say aye. Aye. All those opposed, same sign.

00:10:49.782 --> 00:10:51.782

The ayes have it, the agenda is approved.

00:10:52.713 --> 00:10:58.713

Next, we will move to the Draft 2026 schedules and PY2027 allocation timeline.

00:10:58.711 --> 00:11:01.393

Which are on pages 3 through 8 of the packet.

00:11:01.393 --> 00:11:06.229

I almost missed this, but we do have an action step for this one today.

00:11:06.865 --> 00:11:12.865

Um, so action is requested to approve the meeting schedule, but I wanted to see, Lynn, if there are any other

00:11:13.638 --> 00:11:15.638

items of note in this area first.

00:11:17.565 --> 00:11:22.565

Nothing. Um, so any discussion and or motions on this one?

00:11:23.410 --> 00:11:25.410

Just what is the study session next week?

00:11:28.860 --> 00:11:30.860

Leon, do you want to... do you wanna take it?

00:11:34.762 --> 00:11:39.762

So next week will be, uh, family service and, um...

00:11:39.996 --> 00:11:41.996

Who else am I missing?

00:11:43.709 --> 00:11:47.709

I'm sorry, yeah, Don Moyer Boys and Girls Club, the, uh, coalition.

00:11:48.000 --> 00:11:50.000

Thank you. Yeah.

00:11:51.225 --> 00:11:54.225

Any other discussions, or would anyone like to make a motion?

00:11:59.092 --> 00:12:06.092

Alright, seeing no discussion, I will move to approve the CCMHB 2026 meeting schedule. May I have a second?

00:12:07.103 --> 00:12:13.103

Seconded. Sorry. All right, we have multiple seconds. McClay motions, Miner and Nichols second. We can...

00:12:13.483 --> 00:12:16.483

pick which ones... who is the second?

00:12:17.017 --> 00:12:21.017

Uh, any final discussion?

00:12:23.467 --> 00:12:30.467

Alright, seeing none, all those in favor of approving the CCMHB 2026 meeting schedule as presented, say aye. Aye.

00:12:30.467 --> 00:12:32.467

All those opposed, same sign.

00:12:32.468 --> 00:12:35.930

The ayes have it. This meeting schedule is approved.

00:12:36.360 --> 00:12:42.360

Next, we will move to the CCMHB Gloss acronyms and Glossary on pages 9 through 20.

00:12:42.779 --> 00:12:46.779

Um, no action is needed here, but Lynn, are there any updates to this section?

00:12:47.242 --> 00:12:52.242

There are not, so we will next move on to public particip... oh, I'm sorry.

00:12:53.169 --> 00:12:56.169

Any board discussion on this, or questions?

00:13:02.679 --> 00:13:07.679

Getting ahead of myself. All right, seeing none, we will next move to public participation agency input.

00:13:07.926 --> 00:13:13.926

So, as always, members of the public are always welcome to speak with the Mental Health Board.

00:13:14.122 --> 00:13:19.122

We cannot respond to public comment directly, but we may use it to inform future decisions.

00:13:20.318 --> 00:13:27.318

So, if you would like to make public comment, you can do so now, or at a designated time at the end of the meeting. You can do so by coming forward to the podium,

00:13:27.696 --> 00:13:32.696

Filling out a comment card, or if you are on Zoom, you can put something in the chat.

00:13:33.768 --> 00:13:36.768
or raise your hand. If you do speak with us,

00:13:37.396 --> 00:13:45.396
Um, please be aware of the Illinois Lobbyist Registration Act and take appropriate steps to be in compliance with the Act, especially for agency representatives.

00:13:45.396 --> 00:13:50.116
I may limit individual time to 5 minutes and total time to 20 minutes.

00:13:51.104 --> 00:13:55.104
Given that, is there anyone in person or online who would like to make public comment?

00:14:01.838 --> 00:14:04.838
No one in person. Is there anyone online raising their hand, or...?

00:14:08.005 --> 00:14:13.005
All right, um, seeing none, we will move on, but there will be another portion.

00:14:13.506 --> 00:14:15.506
For public comment later in the meeting.

00:14:15.506 --> 00:14:22.186
So next, we will move to Chairperson's comments. So, I'm Molly McLay, Chair of the Mental Health Board.

00:14:22.918 --> 00:14:26.918
Welcome to 2026, fiscal year 2020...

00:14:27.527 --> 00:14:31.527
6, and the second half of program year 2026.

00:14:31.528 --> 00:14:44.016
Um, we have a variety of items to discuss tonight, things regarding the, um, Disability Resource Expo and the Alliance for Inclusion and Respect activities.

00:14:44.497 --> 00:14:48.497
Um, we have some project updates, the Behavioral Health Needs Assessment activities.

00:14:48.497 --> 00:14:50.684
some really cool...

00:14:51.160 --> 00:14:57.160
Um, reports and graphs on, um, agency revenues that I am so excited to hear about.

00:14:57.776 --> 00:14:59.776
Um, and we do have some discussions.

00:15:00.519 --> 00:15:05.519
of audits and financial reviews, because our, um, primary deadline for
00:15:05.519 --> 00:15:10.875
um, audits, uh, was December 31st, 2025, so all but...

00:15:11.623 --> 00:15:14.623
One agency are required to submit for that deadline.

00:15:14.923 --> 00:15:18.923
Um, we do have this grace period in place where anyone that was late...

00:15:19.139 --> 00:15:25.139
Um, still has 3 months before their contract is canceled, but their
payments are suspended.

00:15:25.626 --> 00:15:34.626
And we do... are happy to announce that we have a record low number of late
audits, so only 6 agencies were laid.

00:15:34.627 --> 00:15:37.883
And, uh, we can... I will clap for that.

00:15:38.612 --> 00:15:42.612
Um, last... one informed me right before the meeting that last year,

00:15:42.613 --> 00:15:49.818
9 were late, and that was by far the lowest last year, so we have gone
even further this year.

00:15:50.648 --> 00:15:53.648
And of those 6, one of them has already turned theirs in.

00:15:53.650 --> 00:16:00.432
Um, so there are... is going to be a discussion of this later in the
meeting, because a couple of agencies have made some requests

00:16:00.430 --> 00:16:02.565
about waiving payment suspension.

00:16:02.566 --> 00:16:10.319
Um, so we'll kind of discuss this more in depth, um, and just as a
reminder, that grace period ends March 31st.

00:16:10.596 --> 00:16:15.596
And, uh, completed audit or financial review is required to submit an
application to

00:16:15.596 --> 00:16:25.750

Our next funding cycle, and I'm just mentioning that because I do hope that we'll get all of those audits in by March 31st, because I really want every program

00:16:26.429 --> 00:16:31.429
to be set up for success going into this funding cycle, because we know this is going to be

00:16:31.302 --> 00:16:38.302
a really big cycle, and there's a lot going on with funding at various levels of government.

00:16:38.438 --> 00:16:40.438
Um, and beyond, and so...

00:16:40.439 --> 00:16:46.837
Um, you know, having those applications solid with all components completed are really important.

00:16:47.477 --> 00:16:52.477
So, um, definitely want to help set everybody up for success when applying.

00:16:52.477 --> 00:16:55.052
So we will be discussing that later in the meeting.

00:16:55.497 --> 00:17:05.497
Um, otherwise, uh, it's good to see you all after two... a month off, um, so we will continue forward with the meeting, and I will stop talking for a moment.

00:17:06.668 --> 00:17:10.668
So we will next move on to Executive Director Lynn Canfield's comments.

00:17:12.130 --> 00:17:17.130
I haven't thought it through. I honestly, like, I forgot that I...

00:17:17.401 --> 00:17:19.401
have a comment section. So I guess...

00:17:19.401 --> 00:17:27.669
just... I think, you know, there's a lot in the packet that I think it'll be really nice for us to move quickly through the agenda, so I don't want to hold it up too much, but...

00:17:28.330 --> 00:17:35.330
Tomorrow evening at the county board meeting, Chandra Somerville will be recognized for X number of years of service.

00:17:35.310 --> 00:17:42.310
There's some... she's been in the role that she's in right now, steadily for way more years.

00:17:42.487 --> 00:17:44.487

then it appears...

00:17:45.483 --> 00:17:50.483

To some, so I don't care how many years we're recognizing her for. Her role is very unique.

00:17:51.304 --> 00:17:57.304

Her contribution to this community is really important, so I'm gonna go and say nice things about Chandra tomorrow night.

00:17:57.157 --> 00:18:00.157

Maybe I'll see you there. Maybe I'll see one of you there.

00:18:01.138 --> 00:18:03.138

So, those...

00:18:03.537 --> 00:18:10.537

Otherwise, you know, there's all kinds of things going on, but I could go on and on and on forever about that. I do... I want to shout out...

00:18:10.536 --> 00:18:21.307

Um, a lot of agencies actually got their audits done very timely, giving us a lot of time to look at them and ask questions. And so, one notable is

00:18:21.745 --> 00:18:25.745

DSC, you only fund one program with DSC, but they've been...

00:18:26.389 --> 00:18:32.389

really helpful. We've asked a lot of questions, we learned a lot about the organization, it's...

00:18:32.389 --> 00:18:37.528

been around for a long time. It has some very stable private sources of funding.

00:18:37.527 --> 00:18:39.374

Um, in addition to

00:18:39.829 --> 00:18:42.829

public money, um, and...

00:18:43.602 --> 00:18:50.602

And just... it was just really interesting to have the time to ask questions about this or that, and to read the whole thing, and learn about...

00:18:50.602 --> 00:18:55.073

what an organization can do to stabilize in an environment that is

00:18:55.262 --> 00:18:57.262

- especially DD Services -

00:18:57.935 --> 00:19:00.935

Always chaotic. So, anyway, just... that's just one.

00:19:01.785 --> 00:19:03.785

There are several agencies who are indulging us.

00:19:04.684 --> 00:19:08.684

in a... similarly, and our CPA consultant who reads all of the audits

00:19:09.246 --> 00:19:13.246

is way ahead of schedule this year, too, so we already have his input.

00:19:13.605 --> 00:19:15.605

So, it's been... it's felt like...

00:19:17.281 --> 00:19:21.281

productive in a way that it hasn't for a long time. Not rushed.

00:19:22.240 --> 00:19:26.240

just... yeah, it's been really nice. So, anyway, shout out to...

00:19:26.242 --> 00:19:28.242

Everybody who...

00:19:28.866 --> 00:19:33.866

who works toward that requirement, which might not seem like much at first, but it is actually important.

00:19:34.509 --> 00:19:36.509

And we all... we all want to see stable...

00:19:37.051 --> 00:19:44.051

organizations providing valuable services to people who don't always have good access. So that's it. Okay, I'm done.

00:19:45.585 --> 00:19:50.585

Thank you very much, Lynn, and um, it's... I did not know that about, um,

00:19:51.099 --> 00:19:58.099

Shandra being recognized tomorrow, so that is very exciting. I just want to give a round of applause, and thank...

00:20:01.064 --> 00:20:03.064

Thank you for your many years of service.

00:20:03.919 --> 00:20:06.919

Both those that will be stated and the ones that will not be.

00:20:07.877 --> 00:20:12.877

All right, next we will move to the, uh, CCMHB board meeting minutes.

00:20:12.876 --> 00:20:15.476

These are on pages 21 through 24.

00:20:16.664 --> 00:20:21.664

An action is requested to approve the minutes of the CCMHB November 19th, 2025 meeting.

00:20:21.774 --> 00:20:25.774

So, are there any, uh, is there any discussion, edits,

00:20:26.275 --> 00:20:29.275

to be made, um, or would anyone like to make a motion?

00:20:29.467 --> 00:20:31.467

I had so moved, Rodriguez.

00:20:32.225 --> 00:20:34.225

Thank you very much. Can I have a second?

00:20:35.316 --> 00:20:42.316

Second. All right, um, Rodriguez motioned and Nichols seconded. Any further discussion on the minutes?

00:20:47.656 --> 00:20:55.656

Alright, seeing none, all those in favor of approving the minutes of the CCMHB November 19th, 2025 meeting as presented, say aye. Aye.

00:20:56.386 --> 00:20:59.386

on the same site. All those opposed seeing sign.

00:21:00.485 --> 00:21:02.485

The ayes have it, the minutes are approved.

00:21:02.485 --> 00:21:05.326

Next, we will move to the vendor invoice lists.

00:21:05.898 --> 00:21:12.898

These are on pages 23... 25 through 32. Action is requested to accept the event or invoice list and place them on file.

00:21:13.922 --> 00:21:15.922

Any discussion or motion?

00:21:21.988 --> 00:21:26.988

Alright, seeing none, I will move to accept the vendor invoice list and place them on file. May I have a second?

00:21:29.230 --> 00:21:33.230

Thank you very much. McLay Motions. Rodriguez seconds. Any final discussion?

00:21:35.559 --> 00:21:40.559

Seeing none, all those in favor of accepting the vendor invoice list and placing them on file, say aye.

00:21:40.660 --> 00:21:43.660

Aye. All those opposed, same sign.

00:21:44.283 --> 00:21:47.283

The ayes have it, the vendor invoice lists are accepted.

00:21:48.464 --> 00:21:51.464

So next, we will move on to old business.

00:21:51.463 --> 00:21:58.064

Um, we couldn't decide if this should be old or new business, but the audits are an old business item, so...

00:21:58.202 --> 00:22:00.202

And we thought we'd discuss it first.

00:22:00.951 --> 00:22:05.951

Um, so this is the delayed audits and reviews memo on pages 33...

00:22:06.567 --> 00:22:08.567

through 56 of the packet.

00:22:08.566 --> 00:22:13.017

A decision memorandum presents detailed background information as context,

00:22:13.936 --> 00:22:16.936

For possible actions to be taken by the CCMHB and related to...

00:22:17.499 --> 00:22:19.499

Relation to late audits and financial reviews,

00:22:20.325 --> 00:22:24.325

agency requests are attached and action is requested.

00:22:24.207 --> 00:22:29.207

And I am going to find the... page 42 is where

00:22:29.915 --> 00:22:35.915

the, um, possible actions or motions are listed that we could consider, but I'd first

00:22:37.176 --> 00:22:45.176

I guess how we will walk through this section is I will have Lynn share, um, you know, about the memo overall and any important context.

00:22:45.848 --> 00:22:53.848

then we can take each agency request one by one, the two agencies making requests are GCAP and Uniting Pride, so we can start with GCAP and then move to Uniting Pride.

00:22:55.256 --> 00:22:57.256

could ask agency representatives to speak.

00:22:57.592 --> 00:23:03.592

Um, if they are available, if we want to hear from them, and then we can vote on each one.

00:23:04.326 --> 00:23:06.326

Any questions?

00:23:09.590 --> 00:23:16.590

Can I just make a motion to, uh, waive the suspension of both of them now, or do we need discussion? Is anyone seriously even considering

00:23:18.147 --> 00:23:24.147

not waiving. I, um, would like to hear from Lynn first, um, and...

00:23:24.148 --> 00:23:26.322

I do have some discussion points, but...

00:23:26.497 --> 00:23:30.497

Um, we can move to the motions quickly if people would like.

00:23:33.900 --> 00:23:38.900

Okay, then I need to be quick, right? There's a, um... okay, well...

00:23:39.626 --> 00:23:43.626

Everybody's ready for pajamas.

00:23:43.626 --> 00:23:45.957

So, the...

00:23:45.958 --> 00:23:48.461

Thanks to Chair McLay,

00:23:48.673 --> 00:23:58.673

The memo starts with an outline, which I don't usually do, because I'm so in the weeds that I think every single thing is really important, so that was...

00:23:58.674 --> 00:24:01.470

really good for me to be able to say, yeah, this is...

00:24:02.714 --> 00:24:07.714

Most of this stuff is stuff you've already seen. If you have been on the board for a year.

00:24:07.715 --> 00:24:10.535

And, um, it's always good to...

00:24:10.535 --> 00:24:15.506

keep it, you know, to keep a record of these things, so that it doesn't take us forever.

00:24:15.506 --> 00:24:18.749

to look them up if you have a question. So this is really, like,

00:24:20.021 --> 00:24:26.021

kind of more for our sake, that it's all in one place. The whole history of the rules, how the rules change,

00:24:26.020 --> 00:24:27.486
Um, I had to fix some of the links,

00:24:27.486 --> 00:24:29.679
The hyperlinks, um, because

00:24:29.680 --> 00:24:33.380
some of the websites had actually changed, it wasn't... and then...

00:24:34.225 --> 00:24:36.225
Last year, we had to fix some of the links because the links were broken.

00:24:36.584 --> 00:24:41.584
So, it's kind of a brush-up of stuff you've already seen, and then the newer information is...

00:24:41.584 --> 00:24:48.582
The update this year that, you know, last year there were 9 delayed audits or reviews, and this year there were only

00:24:48.877 --> 00:24:52.877
6, well, five, because one of them came in right after the deadline.

00:24:53.087 --> 00:24:59.087
Um, so I think that's a really amazing improvement, and I...

00:24:59.902 --> 00:25:05.902
I don't know what to attribute it to. The CPA firms are still hard to secure. You can see

00:25:05.904 --> 00:25:13.170
In the request from the agencies that one of the agencies, at the very last minute when they expected a completed financial review,

00:25:14.026 --> 00:25:19.026
got bounced from the person who was handling their case and got a new person who was on vacation, so...

00:25:19.274 --> 00:25:23.274
We haven't seen a lot of that stuff for a few years, and...

00:25:24.521 --> 00:25:27.521
Um, it was unusual to see it this year, too, so things...

00:25:27.520 --> 00:25:34.877
What a nice year. Anyway, that's it. And then the, you know, the last couple of pages are the updates on this year, so we...

00:25:35.727 --> 00:25:37.727
have, um...

00:25:37.662 --> 00:25:39.662
Starting on...

00:25:40.395 --> 00:25:45.395

Oh, there's a... there's also a new rule, which is that we want to have the start date

00:25:45.395 --> 00:25:54.688

We want to have that information of when did the CPA firm actually start working with you on audit, so that we can understand what it takes. We've also heard

00:25:54.689 --> 00:25:56.551

you know, that maybe some agencies, if they're...

00:25:57.446 --> 00:26:02.446

small enough, don't really get treated with priorities, so we kind of wanted to see some details on

00:26:02.447 --> 00:26:04.916

How long does it really take? What happens?

00:26:06.087 --> 00:26:08.087

But a lot of folks didn't know about the...

00:26:08.635 --> 00:26:13.635

requirement and didn't give us the start date. So, we don't have a lot of data, but I did put it in here.

00:26:13.855 --> 00:26:15.855

What the start date...

00:26:16.016 --> 00:26:19.016

if we knew, and then the completed date, which...

00:26:20.153 --> 00:26:27.153

Happily we had many. So that's one update, and then after that, it's updates on what's going on with the actual audits or reviews, and that's...

00:26:27.153 --> 00:26:28.559

Is that enough?

00:26:29.861 --> 00:26:34.861

I think so, yeah. Um, I... with... to that point around the, um...

00:26:35.514 --> 00:26:41.514

Agency's new requirement to notify us of the start date, um, I mean, most did not notify us.

00:26:41.514 --> 00:26:51.909

And, um, of the ones that were late, only one of those agencies notified us of the start date, I think, which is interesting, the refugee center.

00:26:51.908 --> 00:26:59.705

It was one of the agencies who was late. They have not made a request this evening, but their audit started August 15th.

00:27:00.467 --> 00:27:02.467
Um, so that is interesting.

00:27:02.468 --> 00:27:08.970
Um, so I'd be very curious about whatever's going on there, um, as well as, you know, any...

00:27:09.296 --> 00:27:13.296
of the timeline on any of the other agencies that are, like...

00:27:13.299 --> 00:27:21.299
Um, but the... I just... I'll just read the agencies that are, um, late, so that we're aware.

00:27:22.441 --> 00:27:29.441
Um, so, uh, GCAP and Uniting Pride are both late, but they have made requests and provided details.

00:27:29.441 --> 00:27:38.116
Um, Champaign County Christian Health Center, it was late, but they are the agency that has submitted their audit, um, on the January 7th.

00:27:38.757 --> 00:27:48.757
Um, and was that approved by their board? Wait, no, what date... it's not... hasn't happened yet. Yeah, I think... I think next... well, is this weekend? Yes, the 24th is when it's happening. On the weekend, okay.

00:27:48.757 --> 00:27:51.642
Which is... yeah, I thought it was passed then already, but...

00:27:51.915 --> 00:27:53.915
Where is my brain? Um...

00:27:55.070 --> 00:28:00.070
The Refugee Center has not, um, replied regarding the audit being late.

00:28:00.980 --> 00:28:09.980
FirstFollowers, um, has replied. They stated that they're still working through it and believe they're in a better position to complete it sooner in comparison to previous years.

00:28:09.980 --> 00:28:13.148
Um, but they didn't give any more detail than that.

00:28:13.634 --> 00:28:19.634
And then, um, Women in Need Recovery, um, is also late, and they have not provided any updates.

00:28:20.438 --> 00:28:27.438
Um, so it is disappointing to see some agencies that have repeatedly be late on this list again.

00:28:27.438 --> 00:28:36.404

And I do hope that they will, um, that everybody will get it in by March 31st, hopefully as soon as possible, I mean, preferably by

00:28:36.403 --> 00:28:40.296

The application deadline, since it is a requirement of the application,

00:28:41.114 --> 00:28:43.114

Um, so I guess, um...

00:28:44.859 --> 00:28:49.859

When can you just, I guess, briefly explain what is being asked of...

00:28:50.077 --> 00:28:52.077

by GCAP and United Pride.

00:28:54.472 --> 00:29:01.472

They're both asking that we release that payments as scheduled, um, so there would... that means we're holding one right now,

00:29:01.473 --> 00:29:06.352

And then at the top of February, we would release it as scheduled, and just

00:29:07.773 --> 00:29:11.773

until the audit is... the audit or review... I think they're both reviews.

00:29:11.773 --> 00:29:13.733

Maybe. Yes, they're both reviews.

00:29:14.668 --> 00:29:20.668

Um, until those are submitted, they're not asking for additional time beyond March 31st. I think there is...

00:29:21.335 --> 00:29:25.335

some hope that these could be done, financial reviews are simpler than an audit?

00:29:25.395 --> 00:29:27.395

And they're both in progress.

00:29:28.975 --> 00:29:33.975

So I guess by... so they have both asked for January, February, and March?

00:29:33.993 --> 00:29:38.993

Already, they did not ask for, like, just January or, like, just January and February.

00:29:39.207 --> 00:29:44.207

Because they expect that the financial review will not be in until March.

00:29:45.842 --> 00:29:49.842

Okay, so... so the GCAP request...

00:29:50.362 --> 00:29:52.362

Um, unfortunately, this was...

00:29:53.712 --> 00:29:59.712

This is the first time they've ever had to do one. They were very, very different circumstances for them as well.

00:29:59.712 --> 00:30:01.467

Um, and relatedly...

00:30:01.468 --> 00:30:08.501

When they tried to submit a request for extra time, which they tried to do in October, it was a really bad day.

00:30:08.501 --> 00:30:11.733

So, what they sent us was a blank request.

00:30:12.149 --> 00:30:17.149

And so we're at the point where we're just moving forward with a request to...

00:30:17.134 --> 00:30:22.134

release payments that we understand, so it may just be for January, she didn't...

00:30:22.895 --> 00:30:24.895

fill out the form. Do you know Leon?

00:30:25.993 --> 00:30:31.993

Okay, and then with the Uniting Pride, and they have a representative on the call, I think...

00:30:32.979 --> 00:30:36.979

The request is completed, and it says release of paused payments.

00:30:36.764 --> 00:30:40.764

Um, and there's quite a bit of detail about what happened. We did... whoop!

00:30:42.166 --> 00:30:45.166

Oh, no, there's the request from GCAP, she did it.

00:30:45.312 --> 00:30:47.312

It's just, I put it in the wrong place.

00:30:48.406 --> 00:30:50.406

Okay. So, she did it.

00:30:50.407 --> 00:30:58.413

After the fact, and there is quite a bit of detail in there, so it doesn't say, it just says, release of paused payments.

00:30:58.413 --> 00:31:03.114

There's only one paused payment right now. Um, United Pride's release...

00:31:03.955 --> 00:31:05.955

of paused payments...

00:31:06.022 --> 00:31:08.022

Also...

00:31:08.599 --> 00:31:11.599

could be seen to apply only to January?

00:31:11.975 --> 00:31:14.975

But I think that's a question that you could ask.

00:31:19.019 --> 00:31:21.019

I don't think Darya's on the...

00:31:21.018 --> 00:31:22.583

On the meeting?

00:31:23.516 --> 00:31:30.516

But anyway. We can ask, um, see if the board wants to ask any questions. I mean, I... I guess I'm concerned about...

00:31:30.516 --> 00:31:38.823

going ahead and giving, um, waiving the payment suspension all the way to that, um, end of the grace period, because it does...

00:31:40.464 --> 00:31:42.464

create, kind of, I mean, one, it's sort of...

00:31:42.616 --> 00:31:51.616

basically gives, like, a de facto extension to that date, um, which doesn't really incentivize anybody to turn it in any sooner than the end of March.

00:31:51.616 --> 00:31:57.720

Um, and if they were... if they didn't specifically ask for the extension to go to the end of March,

00:31:58.014 --> 00:32:00.014

Um, I'm...

00:32:01.282 --> 00:32:03.282

not sure that I would want to do that.

00:32:03.357 --> 00:32:06.357

Um, that said, if it is...

00:32:07.136 --> 00:32:16.136

easier on the staff to not have, you know, for us to just make a decision about all three months now, rather than having this be addressed meaning by meeting, um...

00:32:16.455 --> 00:32:18.455

you know, that's something to consider.

00:32:19.426 --> 00:32:25.426

I would say on this issue, this is more on you guys. It's more of your time than it is ours.

00:32:25.427 --> 00:32:27.848

It's pretty easy for me to update the memo.

00:32:27.878 --> 00:32:30.878

Every month, but then you put time into it each month.

00:32:32.689 --> 00:32:35.689

All right, well, I would like to open it for board discussion.

00:32:48.250 --> 00:32:51.250

Well, I guess I will give a little thought.

00:32:53.033 --> 00:32:55.033

I kind of like...

00:32:55.648 --> 00:33:00.648

the idea of going month by month, because I understand what is the incentive. We say, hey,

00:33:00.644 --> 00:33:03.644

your accountant has till March 31st.

00:33:03.644 --> 00:33:06.776

Um, and I think we do often

00:33:07.878 --> 00:33:09.878

worry about being protective of the staff, and, like,

00:33:10.973 --> 00:33:13.973

Lynn said it's just a little change in the memorandum, so maybe that's not...

00:33:15.222 --> 00:33:20.222

that big of a burden. So maybe we... I would feel comfortable going month to month.

00:33:20.296 --> 00:33:23.296

Even though, do I really want to rehash this every month?

00:33:24.102 --> 00:33:26.102

But there again, every month,

00:33:27.260 --> 00:33:34.260

I need a new update. Where, you know, I even... I was the one who said it last year. Maybe the CPA needs to come and sit in these meetings.

00:33:35.056 --> 00:33:38.056

You tell me why it's late, you know?

00:33:38.055 --> 00:33:39.573

Um, and we've gotten that in the past.

00:33:39.573 --> 00:33:43.927

Oh, well, the agency didn't get us the paperwork until...

00:33:44.137 --> 00:33:47.137

November 31st, you know. So, I mean, I guess...

00:33:47.273 --> 00:33:52.273

you know, then we could put the heat on a little bit more if we were doing it month-to-month, but that's just a thought.

00:33:54.630 --> 00:33:57.630

Thank you very much. Any other thoughts on this?

00:33:58.406 --> 00:34:00.406

I'm comfortable with months-to-month as well.

00:34:03.158 --> 00:34:08.158

Anyone have, um, additional thoughts on that idea and or, um, any...

00:34:08.182 --> 00:34:10.182

other ideas.

00:34:12.354 --> 00:34:15.354

So, I mean, I guess, what's the... what's the main concern?

00:34:15.789 --> 00:34:17.789

That we have. Like...

00:34:17.962 --> 00:34:19.962

Obviously, the executive director is...

00:34:20.770 --> 00:34:22.770

ill, and it's been on an extended

00:34:23.900 --> 00:34:26.900

medical leave, and that's causing a lot of issues with the reporting.

00:34:27.088 --> 00:34:30.088

Um, their social worker had to...

00:34:31.082 --> 00:34:33.082

step down, um, and are required

00:34:33.170 --> 00:34:36.170

you know, a lot of people at that organization to step up.

00:34:37.123 --> 00:34:41.123

And provide a lot of community support. Like, these are very vulnerable people.

00:34:41.490 --> 00:34:47.490

Um, I know we usually want to hold agency feet to the fire and make sure they're accountable, but...

00:34:47.490 --> 00:34:52.421

At the same time, it's a resource in the community that's very valuable, and I don't...

00:34:52.420 --> 00:34:58.091

Want them stressing about this at a time when they're already very stressed, and it doesn't seem like they're...

00:34:59.776 --> 00:35:02.776

not doing their job, they're doing all that they can with the...

00:35:03.648 --> 00:35:06.648

the resources that they have right now, and it seems like they're not...

00:35:08.011 --> 00:35:11.011

being lazy, they're getting things done when they can. So...

00:35:11.260 --> 00:35:13.260

I'm fine giving them the...

00:35:13.748 --> 00:35:16.748

extension, and then addressing it in March, if...

00:35:16.935 --> 00:35:18.935

we were still having issues.

00:35:18.947 --> 00:35:20.947

Yes.

00:35:21.761 --> 00:35:24.761

Alright, so we've heard, um, going month to month,

00:35:24.973 --> 00:35:31.973

And giving them extension all the way to March, so I'd like to propose a compromise of we give an extension for

00:35:31.861 --> 00:35:33.861

January and February, since

00:35:34.275 --> 00:35:43.275

February's almost here, and if it is still not here by the end of February, then, um, we can take the issue up again in March, because that...

00:35:44.180 --> 00:35:49.180

puts a bit of an alert of, you have one month, and if... because if you have another deadline,

00:35:49.805 --> 00:35:55.805

And if it's not in by then, then the contract is at risk of being canceled. So it means we don't have to discuss it in February.

00:35:56.632 --> 00:36:00.632
They're getting 2 months of payments released to give them more time.

00:36:00.943 --> 00:36:04.943
but, uh, doesn't let it go all the way to the end, um...

00:36:05.828 --> 00:36:09.828
to the last minute, which could get risky for them as well as us.

00:36:12.005 --> 00:36:16.005
Well, we used to worry about setting the wrong precedent, you know, but...

00:36:17.110 --> 00:36:19.110
our process

00:36:19.302 --> 00:36:24.302
has set the precedent of taking everything case by case, so...

00:36:24.795 --> 00:36:29.795
we're okay to do that, and certainly in the case of

00:36:30.167 --> 00:36:34.167
of this agency, I mean, it's kind of... I think...

00:36:34.411 --> 00:36:38.411
She used the word cascading at some point. There's been a cascade of

00:36:38.507 --> 00:36:42.507
problems that was out of their control, so...

00:36:43.289 --> 00:36:46.289
I'm good with the... your compromise, certainly.

00:36:48.825 --> 00:36:53.825
And I'm a person that uses the word precedence a lot, um, and so I guess then that would ask the question,

00:36:53.824 --> 00:36:58.179
Um, since we have two agencies with requests this evening,

00:36:58.179 --> 00:37:00.482
would we extend the 2-month...

00:37:00.483 --> 00:37:03.560
to both, or are we gonna do it case by case and...

00:37:03.560 --> 00:37:10.430
two months is given to GCAP, and then we'll talk about Uniting Pride. So it's kind of a question, not so much a...

00:37:10.432 --> 00:37:13.299
Here's what I think we should do. I think for me, it's...

00:37:13.460 --> 00:37:18.460
case-by-case, right? You take everything into context. Like, we have this standard of what we expect

00:37:19.307 --> 00:37:21.307
from our agencies, but then we also expect communication.

00:37:22.356 --> 00:37:25.356
To give us context, and so I think both of these agencies have given us

00:37:25.823 --> 00:37:27.823
good context as to their situation.

00:37:28.218 --> 00:37:33.218
These are unforeseeable things. They are doing things that... everything they're supposed to be doing, both of them.

00:37:33.075 --> 00:37:38.075
And United Pride, you know, also in their communications with their CPA.

00:37:38.435 --> 00:37:42.435
CPA person left. Like, that's not anything they can do anything about.

00:37:42.436 --> 00:37:46.478
They have a new person there that's working on it at that same firm.

00:37:46.478 --> 00:37:52.735
So, again, I would give them the extension. Like, I think for me, at the end of the day, they both know that...

00:37:53.277 --> 00:38:02.277
you know, if there are audits or reviews are not in, and they apply for, um, funding, then we look at their application at that time, and that's... that is the stick.

00:38:03.194 --> 00:38:06.194
In my opinion, not the funding that we're holding right now. For me, that's, like, no.

00:38:06.609 --> 00:38:10.609
I... they don't have a history of not complying with these things, and so...

00:38:10.607 --> 00:38:17.947
I would just... I would give them the funding, and then we'll see where we are. Like, worst case scenario, we're out that funding, but it's going to good causes that...

00:38:18.533 --> 00:38:20.533
we know in the community it has a history of...

00:38:20.533 --> 00:38:25.515
Spending the money well, especially GCAP, you know, very vulnerable population.

00:38:25.843 --> 00:38:27.843

Um, I am fine.

00:38:28.435 --> 00:38:32.435

you know, with the context that they've given and the communication that they've given, that...

00:38:32.435 --> 00:38:34.265

things are going to get done.

00:38:35.128 --> 00:38:39.128

that is in their control, and everything else that's out of their control, you know, will get done when it gets done.

00:38:42.578 --> 00:38:44.578

I think most, uh, motivating my

00:38:45.226 --> 00:38:53.226

Um, seconding, I guess Ms. Sprandell, what, um, her comments about the month-to-month update, is really, I want to underline what you said.

00:38:53.991 --> 00:38:56.991

Um, John, that's an opportunity for communication.

00:38:56.854 --> 00:39:01.854

That's really the precedent that I care about, and maybe it's not so much as a deadline with pressure, but

00:39:01.957 --> 00:39:05.957

I would like to give them an opportunity to give an update to us that's more...

00:39:06.761 --> 00:39:11.761

what is motivating my position, but I'm happy to do either both 3 months or this compromise.

00:39:13.587 --> 00:39:19.587

Um, one other, I guess, compromise. Compromise could be that if we do, like, the two months,

00:39:19.587 --> 00:39:23.921

We could ask them for... to give us an update in February anyway.

00:39:24.835 --> 00:39:26.835

Even though we wouldn't be necessarily discussing it.

00:39:27.714 --> 00:39:29.714

um, voting on anything at that point.

00:39:30.313 --> 00:39:32.313

What do folks think about that?

00:39:35.218 --> 00:39:41.218

All right, well, I... we will take... we will vote on each one at a time, but it sounds like we basically discussed them...

00:39:41.188 --> 00:39:47.188

all... I guess, before we vote, does anybody want to ask any questions to any agency representatives right now?

00:39:49.874 --> 00:39:53.874

Okay, so I am going to try to construct this motion.

00:39:54.486 --> 00:39:56.486

Um... let me just...

00:39:56.487 --> 00:39:58.483

think for a moment.

00:40:03.160 --> 00:40:08.160

What do you think would be the best way to word the request for the February update?

00:40:21.609 --> 00:40:23.609

We want to make the, um...

00:40:24.023 --> 00:40:26.023

I guess we couldn't really...

00:40:27.049 --> 00:40:33.049

make any of these payments contingent on that if... unless we want to make the update due February 1st.

00:40:35.528 --> 00:40:40.528

could just make a strong recommendation to give an update, but not a requirement. I'd say a request.

00:40:40.528 --> 00:40:46.170

We request that a memorandum to the Mental Health Board as to the status of

00:40:46.025 --> 00:40:48.025

of the audit.

00:40:50.710 --> 00:40:52.710

by February 18th.

00:40:53.673 --> 00:40:55.673

Do we want to make it for...

00:40:56.458 --> 00:40:58.458

You're obligated to have

00:40:58.839 --> 00:41:03.839

information made public at, you know, at least 48 hours in advance, and the way that

00:41:04.844 --> 00:41:06.844

We've been doing it as about 10 days in advance.

00:41:07.295 --> 00:41:11.295

But also, February is tricky because we've got applications coming in.

00:41:11.946 --> 00:41:16.946

So... When would the packet, um, materials be?

00:41:18.937 --> 00:41:22.937

There's also all these pesky Monday holidays. Why don't you just release...

00:41:24.331 --> 00:41:26.331

March, or January, February,

00:41:26.518 --> 00:41:30.518

And then we just would see... get the update in March. Like, give people enough time.

00:41:30.518 --> 00:41:34.780

Yeah, I think February is not enough time. Like, February 6 is when I need

00:41:35.872 --> 00:41:41.872

board documents. We also... something we're not talking about yet that we need to talk about is everything has to be ADA compliant now.

00:41:42.804 --> 00:41:47.804

And a lot of what we receive from agencies is not, because they're not under the same rules that we are.

00:41:47.774 --> 00:41:49.774

So I have spent a...

00:41:50.046 --> 00:41:52.046

an enormous amount of time

00:41:52.158 --> 00:41:56.158

converting documents that we receive at the last minute, so...

00:41:56.700 --> 00:42:01.700

Like, it's probably, you know, this memo structure might be better than

00:42:02.106 --> 00:42:04.106

But if they can just come and talk to you...

00:42:05.825 --> 00:42:08.825

We could have it just be in the public comment, rather than...

00:42:08.953 --> 00:42:13.953

But if they... if they want to send us something, I do need things by February 6th.

00:42:15.436 --> 00:42:18.436

if the motion is, like, with instructions

00:42:18.435 --> 00:42:23.847

as specified at a later time, would that work, or do we have to specify them now?

00:42:24.486 --> 00:42:29.486

You know, February 6th is actually just a couple weeks, and we have applications coming February, too.

00:42:29.485 --> 00:42:33.250

So, you know, maybe we should be clear now.

00:42:37.273 --> 00:42:39.273

I mean, if it does not get submitted.

00:42:39.508 --> 00:42:47.508

Yeah. We could... I mean, they could very easily participate in public comment at either of our opportunities, so it doesn't even necessarily need to be in a memo.

00:42:47.836 --> 00:42:53.836

Um, we could just say... you could even write in to the board an email, and... And then we could read it into the record?

00:42:54.143 --> 00:42:56.143

I mean, we don't need to read it, but I mean...

00:42:56.188 --> 00:43:02.188

Yeah, but I'm just saying we've got a lot of options that it doesn't need to be... we don't need to feel rushed, I guess.

00:43:02.304 --> 00:43:04.304

Thank you. Oh, that's so good.

00:43:05.044 --> 00:43:08.044

Alright, I'm so... thank you for your patience as I try to...

00:43:08.593 --> 00:43:17.593

work this out. So, I will move to waive suspension of two payments on GCAPS program year 2026 contract.

00:43:17.593 --> 00:43:19.520

Due to late financial review,

00:43:19.520 --> 00:43:25.793

And to authorize CCMHB staff to release January and February payments as scheduled.

00:43:26.739 --> 00:43:29.739

With a... Could you start again? I have to write down what you're saying.

00:43:30.527 --> 00:43:32.527

Okay, I'm... I, um...

00:43:32.527 --> 00:43:35.167
I'm sorry. That's okay. Okay.

00:43:35.609 --> 00:43:38.609
So, I moved to waive suspension of 2 payments,

00:43:39.539 --> 00:43:42.539
On GCAP's program year 2026 contract,

00:43:43.621 --> 00:43:45.621
Due to late financial review,

00:43:46.851 --> 00:43:49.851
And to authorize CCMHB staff to release

00:43:50.283 --> 00:43:53.283
January and February payments as scheduled.

00:43:53.973 --> 00:43:55.973
with a...

00:43:56.441 --> 00:44:04.441
request that the agency make a verbal update about their financial review progress at the February 18th

00:44:04.442 --> 00:44:06.372
CCMHB meeting.

00:44:09.724 --> 00:44:12.724
may I have a second. You sure do. Thank you.

00:44:13.444 --> 00:44:17.444
Alright, McCoy motions, Rodriguez seconds. Any further discussion?

00:44:21.468 --> 00:44:27.468
Seeing none, the motion has been hopefully clearly stated, uh, so I will not state it again. May I have a roll call?

00:44:28.581 --> 00:44:30.581
Oh, okay, yes.

00:44:31.222 --> 00:44:34.222
You can have a roll call, I'm just...

00:44:34.323 --> 00:44:37.323
hard to do all this stuff at the same time, but here we go.

00:44:37.914 --> 00:44:39.914
Um, Chris Miner. No.

00:44:40.543 --> 00:44:42.543
Tony Nichols.

00:44:44.377 --> 00:44:47.377

Yes. Elaine Palencia. Yes.

00:44:47.304 --> 00:44:49.304

Kyle Patter- so he's not here, sorry.

00:44:49.433 --> 00:44:51.433

Emily Rodriguez. Yes.

00:44:52.523 --> 00:44:54.523

Jane Sprandel. Yes.

00:44:54.839 --> 00:44:56.839

Jon Paul Youakim.

00:44:57.719 --> 00:44:59.719

Yes. Molly McLay.

00:45:00.991 --> 00:45:06.991

Yes. Um, with that, the, um, ayes have it. The motion passes.

00:45:06.991 --> 00:45:12.154

So next, um, I will move to waive suspension of two payments.

00:45:12.497 --> 00:45:16.497

on Uniting Pride's program year 2026 contract.

00:45:16.498 --> 00:45:18.933

Due to late financial review.

00:45:20.284 --> 00:45:26.284

And to authorize CCMHB staff to release January and February payments as scheduled.

00:45:28.540 --> 00:45:32.540

With a request for the agency to provide a verbal update

00:45:32.539 --> 00:45:38.387

on their financial review progress at the February 18th CCMHB meeting.

00:45:39.315 --> 00:45:41.315

may have a second. Rodriguez.

00:45:42.317 --> 00:45:46.317

Thank you very much, McLay motions, Rodriguez seconds. Any final discussion?

00:45:51.072 --> 00:45:54.072

Seeing none, the motion has been clearly stated, may have a roll call.

00:46:01.891 --> 00:46:03.891

Okay, um...

00:46:04.573 --> 00:46:06.573

Molly made the motion.

00:46:07.359 --> 00:46:10.359
Okay, um, Tony Nichols.

00:46:10.751 --> 00:46:13.751
Yes. Elaine Palencia? Yes.

00:46:15.012 --> 00:46:17.012
Emily Rodriguez. Yes.

00:46:17.942 --> 00:46:19.942
Jane Sprandel. Yes.

00:46:20.543 --> 00:46:22.543
Jon Paul Yoaukim. Yes.

00:46:23.900 --> 00:46:25.900
Molly McLay? Yes.

00:46:25.901 --> 00:46:27.431
Chris Miner. Nope.

00:46:29.568 --> 00:46:34.568
All right, with that, the motion passes, so next we will move...

00:46:34.317 --> 00:46:36.317
to new business.

00:46:36.515 --> 00:46:41.515
Um, and first is the ex... are the expo activities for 2026.

00:46:41.751 --> 00:46:43.751
Oh, um, sure.

00:46:44.151 --> 00:46:48.151
This is on the old outside. Yes, it's on the last item. I just wanted to clarify, so...

00:46:47.976 --> 00:46:49.976
At this time, we still have

00:46:51.572 --> 00:46:59.572
3 outstanding. Besides these two. Right, and so, because they didn't give us any, um, requests for

00:46:59.571 --> 00:47:02.914
for payment, release, those 3 payments...

00:47:03.019 --> 00:47:05.019
are being held, correct?

00:47:05.480 --> 00:47:11.480

Okay, I just wanted to clarify. Thank you. Is, um, Champaign County Christian Health being

00:47:12.206 --> 00:47:16.206

held until, um, like, issues are resolved with the audit as well.

00:47:16.578 --> 00:47:24.578

Well, we have the audit, we're just waiting for their board to approve it, and it's actually already been reviewed by our CPA, so we're ready to do the follow-up.

00:47:25.595 --> 00:47:31.595

Yes, and I'm clear that in March this comes back as a full update with possible actions.

00:47:31.595 --> 00:47:35.396

And one thing that also we could do in that March

00:47:36.261 --> 00:47:40.261

action, all, like, all one package, is if there are applications submitted,

00:47:41.031 --> 00:47:45.031

Um, on or before February 2 that are not accompanied by an audit.

00:47:46.355 --> 00:47:54.355

then I might provide you updates like that, so that you can think about how to deal with the application review process moving forward.

00:47:54.452 --> 00:47:56.452

Just... maybe a whole...

00:47:57.112 --> 00:47:59.112

potpourri of updates and...

00:47:59.736 --> 00:48:01.736

questions for you. Sorry.

00:48:02.595 --> 00:48:05.595

It's the right time to do it, though. Yes, I mean, I think that's...

00:48:05.595 --> 00:48:09.248

part of the, you know, what makes

00:48:09.058 --> 00:48:12.058

you know, waiting... having this be in March.

00:48:12.861 --> 00:48:15.861

good is because it kind of gives everybody a reminder that

00:48:16.594 --> 00:48:24.594

by the end of that month, everything has to be in, um, rather than us not talking about it, which doesn't put it back in anybody's brains, so...

00:48:25.444 --> 00:48:29.444

Um, alright, so now, um, I guess any other discussion?

00:48:33.883 --> 00:48:39.883

Alright, seeing none, we will move on to new business, um, and the first item is the Expo Activities for 2026.

00:48:40.083 --> 00:48:49.083

On pages 57 through 62, a decision memorandum presents an update and action is requested, so Lynn, can you give us this update?

00:48:50.685 --> 00:48:53.685

So, long story, the first...

00:48:54.432 --> 00:48:57.432

A million pages tell a long story, and I put in some

00:48:57.433 --> 00:48:59.695

pretty logos, um...

00:49:00.401 --> 00:49:09.401

And then here's how the expo has fared in the last over 10 years, as far as revenue and then cost. Where's the cost?

00:49:09.400 --> 00:49:13.249

Cost is around \$71,000 each year, and then it's offset by...

00:49:14.507 --> 00:49:17.507

Varying amounts of revenue. I think in 2021,

00:49:17.507 --> 00:49:21.718

We, although we only had \$100 in revenue,

00:49:22.399 --> 00:49:28.399

And we couldn't have an in-person event. We did a lot of, sort of, experimental activities,

00:49:28.399 --> 00:49:34.581

that were related to the expo, so the coordinators were really busy thinking up this...

00:49:34.928 --> 00:49:38.928

These alternatives, and some of them didn't work very well, but we tried.

00:49:38.765 --> 00:49:48.765

And we kind of know what those are made of. So we're in a funny position. We have budgeted for an expo this year, an in-person expo, using these same expectations.

00:49:49.654 --> 00:49:52.654

But at the very last minute, we had a lot of...

00:49:53.952 --> 00:49:57.952

sort of existential threats in October to the event, one of them being

00:49:57.999 --> 00:50:02.999
suddenly the mall was a really unsafe place to ask people to travel to.

00:50:03.541 --> 00:50:06.541
Um, we didn't have any incidents.

00:50:07.451 --> 00:50:10.451
Well, no major incidents, so we were very lucky, but...

00:50:10.452 --> 00:50:16.292
Um, I don't know if we'll always be able to hire police officers to come and help us, or...

00:50:16.978 --> 00:50:22.978
If Dres will always be willing to provide a shuttle service. So, Marketplace may not be the greatest venue anymore, so that was one...

00:50:23.460 --> 00:50:26.460
thing that was really difficult. The other thing is that,

00:50:26.461 --> 00:50:31.579
Um, the two people who've done the lion's share of work

00:50:32.482 --> 00:50:37.482
To make the expo happen, and it requires a pretty high degree of organization

00:50:37.482 --> 00:50:44.414
to plan all these little pieces. Um, had a really bad year last year, like, for personal reasons.

00:50:44.414 --> 00:50:47.848
And then, um, faced some...

00:50:48.389 --> 00:50:54.389
Complaints from the steering committee, which were, you know, kind of persistent problems with how

00:50:54.834 --> 00:50:57.834
The event is organized, and at that point,

00:50:58.670 --> 00:51:04.670
They both resigned. And that was late in the.. late in December, at which point we've usually already booked a venue, and...

00:51:04.822 --> 00:51:07.822
gotten some things rolling, so I'm not sure.

00:51:07.887 --> 00:51:11.887
That we can have an in-person event in 2026.

00:51:12.046 --> 00:51:15.046
Even though we have put money aside to do it.

00:51:15.973 --> 00:51:20.973

A subset of the steering committee, like some people who actually have been active and done a lot of work,

00:51:21.784 --> 00:51:24.784

made some suggestions that seemed pretty clear, like,

00:51:24.900 --> 00:51:32.900

What if we take a year where we think about what's... what's gonna be best for the community? There are lots of little expos and fairs that we can

00:51:32.981 --> 00:51:35.981

just go participate in or co-sponsor,

00:51:37.107 --> 00:51:43.107

Um, and so we could... it wasn't... I wasn't really sure what to ask you all, but this is a big change,

00:51:43.698 --> 00:51:48.698

And the board has not really had an opportunity to say if it wants an expo at all.

00:51:49.004 --> 00:51:52.004

For years, so we're in this moment where

00:51:52.765 --> 00:51:55.765

We can meet with this small advisory committee and talk about

00:51:56.214 --> 00:52:02.214

what... what kind of things it maybe should evolve into, and then come back and let you know.

00:52:03.305 --> 00:52:08.305

So, I don't know. So there's, like, there's a suggested motion down here that a lot of people helped me work on.

00:52:09.296 --> 00:52:12.296

I'm not sure it's perfect, but anyway, it was a... this is like...

00:52:12.524 --> 00:52:15.524

Okay, it's, like, a little bit sad. Well, it's very sad.

00:52:15.523 --> 00:52:17.658

For some of us, but I don't know...

00:52:17.763 --> 00:52:19.763

Um, the...

00:52:19.758 --> 00:52:23.758

The event had become somewhat unsustainable.

00:52:24.412 --> 00:52:30.412

Anyway, because of, like, it's just more and more difficult to get big sponsors and to get...

00:52:30.886 --> 00:52:38.886

Volunteers, people are pulled in a lot of different directions, but maybe it's more important than ever to have a thing like this. So, anyway.

00:52:38.961 --> 00:52:40.961

That's it. I'm done.

00:52:42.372 --> 00:52:44.372

Any discussion from the board?

00:52:52.668 --> 00:52:57.668

I'm just surprised there isn't a facility on campus. I'm just trying to look at places and venues

00:52:58.303 --> 00:53:00.303

that can host something like this.

00:53:00.290 --> 00:53:02.290

That would be a lot easier, and...

00:53:03.290 --> 00:53:07.290

I think the cost has been the biggest prohibitor of that, because I...

00:53:07.942 --> 00:53:11.942

I'm under the understanding the former consultants had reached out to some

00:53:12.124 --> 00:53:16.124

venues at the U of I, and it was just very cost prohibitive.

00:53:16.112 --> 00:53:18.112

Again, I don't know for sure what

00:53:19.028 --> 00:53:22.028

you know, did they want the State Farm Center? I don't know.

00:53:22.227 --> 00:53:25.227

But, yeah, I'm... I think that was...

00:53:26.477 --> 00:53:33.477

The biggest concern was cost. Something like a line of union and, like, there's other facilities now, there's bigger ones on campus now.

00:53:33.477 --> 00:53:41.695

And I just don't know, like, if there's maybe a time of the year that's a little easier with less students that they would get... donate to us, or give us at a cheaper price, like, in August.

00:53:42.219 --> 00:53:44.219

You know, rather than October.

00:53:45.118 --> 00:53:53.118

You know? But then the downside is you would have less students there. I don't know how many students go, and obviously these resources are probably utilized more by county members, or people...

00:53:53.061 --> 00:53:55.061

that are here all the time, that just...

00:53:54.987 --> 00:53:56.987

Uh, during the school year, but...

00:53:57.533 --> 00:53:59.533

There's always Brookens.

00:54:07.795 --> 00:54:10.795

I love Brookens, I miss it. Okay.

00:54:14.644 --> 00:54:16.644

Brookens would be a great escape room.

00:54:18.245 --> 00:54:20.245

Well, and I think one of the biggest challenges

00:54:20.806 --> 00:54:22.806

Um, immediately is the fact that we...

00:54:22.880 --> 00:54:24.880

don't have a venue.

00:54:25.437 --> 00:54:27.437

We don't have consultants at the moment.

00:54:27.437 --> 00:54:29.931

Um, we have one. We have one. Um...

00:54:30.744 --> 00:54:35.744

But she can't do it all herself, and so that's why it kind of came up a little bit in the steering committee.

00:54:36.135 --> 00:54:39.135

of what if, you know, we kind of take a break,

00:54:38.995 --> 00:54:40.995

We look at some other avenues.

00:54:41.418 --> 00:54:50.418

maybe... when I say rebranded, I don't mean change the name, but just, you know, what do we need? Do we need more, like, breakout sessions for people to go to?

00:54:50.418 --> 00:54:53.625

Um, because there are, there's a lot of different...

00:54:54.540 --> 00:55:00.540

health, um, expos out there, um, different even mental health and disability type things.

00:55:00.540 --> 00:55:03.086

And so maybe there's a way we can kind of

00:55:03.135 --> 00:55:06.135

take our amazing resource guide,

00:55:06.935 --> 00:55:09.935

and really get on that circuit, where we go to all those health...

00:55:10.004 --> 00:55:12.004

health fairs and stuff like that.

00:55:12.754 --> 00:55:14.754

Um, I haven't even discussed it with Lynn yet, but...

00:55:15.362 --> 00:55:19.362

Um, I was at an event with her last night, and I was thinking about, um,

00:55:19.671 --> 00:55:25.671

The prom that's coming up, the... it's not the special needs, what is it?
Night to shine, but it's for...

00:55:25.671 --> 00:55:32.122

Um, individuals with disabilities, they're prompt, and I was like, oh my gosh, what if we threw, like, a flyer in there?

00:55:32.252 --> 00:55:34.252

to get to our digital guide.

00:55:35.130 --> 00:55:40.130

And, you know, maybe, is that going to cost us a couple hundred dollars to get a bunch of postcards?

00:55:40.765 --> 00:55:43.765

Maybe that's how, on this year that we're trying to re...

00:55:44.255 --> 00:55:49.255

align some stuff, we could still keep our name going and top of mind.

00:55:49.632 --> 00:55:54.632

Um, you know, so I just think there's some ideas out there.

00:55:54.632 --> 00:55:57.166

You probably read in Lynn's notes, you know,

00:55:58.282 --> 00:56:05.282

we almost need to take a step back and almost make... and I don't want to use the word job descriptions, because the majority of these people are volunteers.

00:56:05.158 --> 00:56:11.158

But, you know, what does a committee do? What are their expectations? Because I think there was a lot of...

00:56:12.220 --> 00:56:15.220

oh, I'll take care of that, and someone else took care of it, or...

00:56:15.491 --> 00:56:23.491

You mean nobody did that? You know, so I think maybe we just need to kind of start a little bit from the ground up on some things that we've learned.

00:56:23.492 --> 00:56:34.340

You know, again, I think my first meeting was actually with the Disability Expo Steering Committee before I came to my first mental health board meeting, so I've kind of been doing this a while, and so...

00:56:35.538 --> 00:56:42.538

We all know I have a lot to say, but, you know, so I do think, and I have... I vowed I will stay on this, I will help in any way,

00:56:42.538 --> 00:56:44.548

You know, if it is, we're kind of making...

00:56:44.548 --> 00:56:49.719

you know, these job descriptions or suggestion of what a steering committee does.

00:56:50.707 --> 00:56:54.707

Because we do, we have a... I... one of my complaints has been we have a lot of people on the steering committee, and I'm like,

00:56:55.154 --> 00:56:58.154

I don't even know who they are, or what do they do?

00:56:58.586 --> 00:57:04.586

So we need to kind of, you know, wring it back in and find out who our core people are, and so that's why we kind of have formed a...

00:57:04.586 --> 00:57:14.238

A smaller group, and I think next Wednesday we're gonna meet and kind of talk, but we first had to bring it to the boards to make sure that it is what the board wants.

00:57:14.270 --> 00:57:18.270

to give permission for us to take a step back and maybe just do a few more

00:57:18.990 --> 00:57:21.990

things in the community rather than one big event, so...

00:57:23.164 --> 00:57:31.164

I guess my only other... I know, just... I'm sure you guys go over all this stuff, but what about, like, a high school or the Leonard Center? Did you guys look into those places?

00:57:32.129 --> 00:57:34.129

Well, there's sort of...

00:57:35.359 --> 00:57:43.359

There's a question about, like, like, there's some value in plopping into a public place and catching people who wouldn't know about any of these resources if they weren't...

00:57:43.259 --> 00:57:45.259

Passing through to buy some socks.

00:57:45.265 --> 00:57:49.265

Um, because really, like, people who are in crisis,

00:57:50.408 --> 00:57:58.408

might not be able to manage the expo very well anyway. Like, most informa... most resource information systems are not very helpful to people who are in crisis.

00:57:58.409 --> 00:58:01.008

But they're helpful to people who don't need anything yet.

00:58:02.030 --> 00:58:05.030

So, we've... we've enjoyed a lot of accidental traffic.

00:58:05.131 --> 00:58:11.131

And that gives some exposure, too, to disability issues where people might not be interested. But if we book a room...

00:58:12.157 --> 00:58:18.157

say the iHotel, which I recently learned is really expensive from another conference that we're trying to

00:58:18.992 --> 00:58:21.992

um, support, not with money, but with planning.

00:58:22.603 --> 00:58:24.603

So, I...

00:58:24.602 --> 00:58:30.582

we could... they have great parking, it's not that hard to get to, kind of bus service.

00:58:30.930 --> 00:58:34.930

But it would... because it's not a public environment, we wouldn't have that.

00:58:35.151 --> 00:58:39.151

So, there could be a lot of venues that are...

00:58:39.913 --> 00:58:45.913

I mean, I think the only other idea is, like, partnering with OSF, since they're going that way, and seeing if there's a venue that they have.

00:58:45.880 --> 00:58:47.880

Where people, um...

00:58:47.895 --> 00:58:49.895

Normally, they can...

00:58:50.666 --> 00:58:54.666

And we have tried to interest the U of I in taking a more...

00:58:55.355 --> 00:58:57.355

you know, like...

00:58:57.815 --> 00:58:59.815

serious role in...

00:59:00.996 --> 00:59:03.996

Well, and I like the idea, though.

00:59:05.578 --> 00:59:14.578

Majority of us have been on the board long enough, you know. You know, we've done the vineyard, but there's some concerns about some of our agencies

00:59:14.578 --> 00:59:21.378

being at a church, or even some of our participants coming to a church, they don't feel that's welcoming. And so, again, we wanted to be where people feel welcome.

00:59:22.213 --> 00:59:27.213

They can get there. There's enough parking, the bus service, you know, so there's just a lot of...

00:59:27.214 --> 00:59:38.727

things, um... but yeah, I thought Leonard Center was a good one. Another one we thought of, which I don't know how good would be, is Out at the Fairgrounds. There's that Kessler Center, but there again, I don't know...

00:59:39.008 --> 00:59:43.008

Like, I doubt MTD pulls right up in there.

00:59:43.852 --> 00:59:45.852

So that would probably be a very significant...

00:59:46.662 --> 00:59:51.662

Um, way from the bus drop-off to there. Again, I haven't researched it, but...

00:59:52.190 --> 00:59:57.190

It also just sounds like there's more problems other than the location, right? That, you know, taking a beat to...

00:59:57.380 --> 00:59:59.380

Explore is what...

00:59:59.368 --> 01:00:01.368
is being communicated to us, so...

01:00:03.564 --> 01:00:10.564
And I think... I think we're really lucky to have the one consultant that we do, because she's the person who's done it every year.

01:00:10.565 --> 01:00:15.239
Since it started, and I... my fear is that she will say, I can do all this, and...

01:00:16.289 --> 01:00:25.289
You know, we're both a lot older than we were when it started, and we've both been called out for doing, like, dangerous things to try to get it

01:00:27.181 --> 01:00:32.181
done so. So just to... I want to be a little bit protective of her, but the spirit is there!

01:00:31.740 --> 01:00:33.740
So, anyway.

01:00:34.769 --> 01:00:41.769
The mall does get a lot of traffic, what are the issues with safety as far as having a mall? What's the drawbacks?

01:00:45.222 --> 01:00:53.222
Okay, I'll start. Um, so you might recall, um, MTD is not allowed to come on the property of the mall now.

01:00:53.222 --> 01:00:54.665
Because, um,

01:00:55.350 --> 01:00:57.350
The buses were doing significant

01:00:58.398 --> 01:01:14.398
damage to their parking lots? Okay, this is my biased opinion. Okay, um, they were doing significant damage to the parking lots, this and that, so they told MTD, you can come onto our property and continue to drop off on that beautiful, wonderful bus drop.

01:01:14.397 --> 01:01:21.038
But you have to pay us X number of dollars. \$1,300 a month, which we offered to pay for our one day.

01:01:21.204 --> 01:01:23.204
And they said, no. They said no.

01:01:23.928 --> 01:01:28.928
Um, so then that's where I was like, oh, so I'm sure Costco, Dick's Sporting, it's all those big semis,

01:01:28.930 --> 01:01:30.930
They're paying \$1,300 a month?

01:01:32.442 --> 01:01:34.442
But no one wanted to answer that question for me, so...

01:01:34.441 --> 01:01:39.290
And because, um, the drop-off was over by where the old, um,

01:01:39.524 --> 01:01:41.524
Zaz was.

01:01:41.524 --> 01:01:47.219
That's a really scary thing for someone with a walker who has any
assisted

01:01:47.361 --> 01:01:50.361
mobility, um, wheelchairs, I mean,

01:01:51.250 --> 01:01:57.250
There's not even a way to get off the bus safely, um, if you're in a
wheelchair. You have to get off on the curb in the grass.

01:01:57.250 --> 01:01:58.729
And so, I think...

01:01:59.005 --> 01:02:07.005
a day or two before the event, I happen to physically be standing out
there, and I... I did. I called one of our consultants, and I'm like,

01:02:07.408 --> 01:02:11.408
You need to come down here, because I don't think you can get through
here in your wheelchair.

01:02:12.601 --> 01:02:14.601
Um, and so, um, they did...

01:02:15.593 --> 01:02:21.593
Am I correct they hired, what, a champagne... or a Champaign City police
officer to work as a crossing guard, pretty much?

01:02:21.593 --> 01:02:26.578
Um, so... Andres offered a shuttle service, which was amazing. That was
like...

01:02:27.475 --> 01:02:30.475
Thanks, Dres! That's really coming through for us.

01:02:30.475 --> 01:02:34.976
Um, and also, I'm going to speak for Ms. Summerville, she's on the Zoom,
but...

01:02:35.663 --> 01:02:40.663

She was out there all day, it was raining, and the tents were flying around, and she...

01:02:40.664 --> 01:02:47.767

She managed the traffic out there, and at the end of the day, like, you know, we talked about it, and it was a good day.

01:02:49.219 --> 01:02:52.219

So, if we had to do that again, we could, but...

01:02:52.619 --> 01:02:57.619

I... a lot of it was, like, I felt like we got really lucky that no one got hurt.

01:02:58.386 --> 01:03:02.386

You know, we did provide a lot of protections, but...

01:03:02.386 --> 01:03:07.738

Still a big risk. Well, and I just... again, I wasn't the one dealing directly with

01:03:07.874 --> 01:03:11.874

Um, the mall corporation, but they really did not want to...

01:03:12.186 --> 01:03:14.186

help us accommodate in any way.

01:03:14.781 --> 01:03:16.781

And so, to me, I'll take my business elsewhere.

01:03:21.155 --> 01:03:24.155

Yeah, I guess we're happy to hear from you, Shandra.

01:03:24.686 --> 01:03:29.686

Um, a couple of things. Yes, it did go well.

01:03:30.479 --> 01:03:33.479

Um, I also... and I also, um...

01:03:34.051 --> 01:03:39.051

Just as the CLC coordinator, just want us to be mindful.

01:03:39.878 --> 01:03:43.878

That, um, when... what made our event unique

01:03:44.742 --> 01:03:47.742

was the fact that it was people living with disabilities

01:03:47.743 --> 01:03:50.402

at the helm, at the planning of it.

01:03:51.094 --> 01:03:57.094

That does not happen in other events. And so, um, as we are going forward,

01:03:57.769 --> 01:04:04.769
choosing to take a break, choosing to pause. Um, I really want to make
sure that we are

01:04:05.849 --> 01:04:08.849
speaking with the people with lived experience.

01:04:08.848 --> 01:04:13.284
So that they can be at the helm of what it is that they need.

01:04:13.255 --> 01:04:19.255
Um, those of us that do have other limited abilities or abilities

01:04:20.654 --> 01:04:23.654
to move. No one knows what it's like.

01:04:23.654 --> 01:04:26.826
when a person living with a disability...

01:04:28.988 --> 01:04:32.988
says this was actually for me, because it was planned by someone.

01:04:32.987 --> 01:04:36.739
who is like me. And so, I just want us to keep that in mind.

01:04:38.777 --> 01:04:44.777
Thank you. And speaking on that, this motion, the Advisory Committee, is
that what we're going to compose of?

01:04:45.493 --> 01:04:49.493
people with a lived experience that actually have to deal with this,
they're gonna have their input. It's not gonna be a bunch of us.

01:04:53.249 --> 01:04:58.249
So, no, we've got... we've got a couple of people who are disability
advocates,

01:04:58.249 --> 01:05:00.580
disability rights advocates who actually have disabilities.

01:05:01.467 --> 01:05:06.467
But then we have also agency representatives who work with people with
disabilities, and then

01:05:06.466 --> 01:05:10.753
As much of our staff as we can cram into it, and I think Jane is doing it
too.

01:05:14.211 --> 01:05:16.211
Any other discussion?

01:05:19.401 --> 01:05:22.401
If you don't want us to do anything, we cannot do anything.

01:05:25.975 --> 01:05:28.975
I guess, so the motion as presented

01:05:28.975 --> 01:05:32.669
um, is... it's sort of here partly because

01:05:33.207 --> 01:05:36.207
You know, we have... we allocated funds in the budget,

01:05:36.446 --> 01:05:39.446
with the idea that we would be doing the Expo event,

01:05:39.446 --> 01:05:47.245
And now we're kind of shifting it in another direction, but there... we will soon learn that there is something else that we didn't expect.

01:05:46.918 --> 01:05:49.918
To have... to fund this year that we now do.

01:05:50.325 --> 01:05:54.325
Uh, or we may want to consider, um, so this is, um...

01:05:54.948 --> 01:05:56.948
just kind of to give the staff

01:05:57.298 --> 01:05:59.298
um... a little...

01:06:00.075 --> 01:06:03.075
direction and our, you know, support in...

01:06:03.757 --> 01:06:08.757
rethink... kind of rethinking things and having, like, a year to do that.

01:06:08.756 --> 01:06:20.008
So, I will go ahead and move to direct CCDDDB, CCMHB staff to form an advisory committee to plan and carry out disability resource expo activities.

01:06:20.227 --> 01:06:22.227
Which may include an in-person event,

01:06:23.329 --> 01:06:28.329
And to authorize the Executive Director to pay for related services and products using approved budgeted funds.

01:06:29.386 --> 01:06:34.386
Second. Thank you very much, McLay Motions, Palencia seconds. Any final discussion?

01:06:40.342 --> 01:06:44.342
Alright, seeing none, the motion has been clearly stated. May I have a roll call.

01:06:47.745 --> 01:06:49.745
Um, Elaine Palencia. Yes.

01:06:50.400 --> 01:06:53.400
Kyle Patterson. Oh, I keep forgetting. Okay, Emily Rodriguez.

01:06:53.401 --> 01:06:56.531
Yes. Jane Sprandel.

01:06:56.530 --> 01:07:01.036
Yes. Jon, how are you akin? Yes. Molly McLay? Yes.

01:07:02.201 --> 01:07:04.201
Chris Miner. Yep.

01:07:04.651 --> 01:07:06.651
Tony Nichols. Yes.

01:07:09.235 --> 01:07:12.235
All right, with that, the motion passes. Next, we will move

01:07:12.745 --> 01:07:16.745
to the, um, AIR activities for 2026.

01:07:17.917 --> 01:07:24.917
which is on pages 63 to 66, a decision memorandum presents an update.
Action is requested. So this is where we get to hear about

01:07:25.387 --> 01:07:29.387
the thing we didn't expect, um, to have to fund again.

01:07:34.997 --> 01:07:39.997
There's a curious detail that's not even in here, but, like, anyway, this
is a few pages, I tried to include...

01:07:40.830 --> 01:07:47.830
the pretty logo and a cool picture by one of the artists, and then just
some details about the history and...

01:07:47.727 --> 01:07:51.727
This has not been the big moneymaker that the Expo is, but it's...

01:07:52.694 --> 01:07:55.694
Also, not very expensive compared to the Expo, and doesn

01:07:56.510 --> 01:07:59.510
require a lot of staff or consultant support.

01:07:59.625 --> 01:08:01.625
Um, anyway.

01:08:01.972 --> 01:08:08.972

In the last few years, it's been super fun for the artists, because they were invited to do their show inside the theater, and they were...

01:08:08.848 --> 01:08:16.848

Even if they didn't maybe sell as much, they were treated so nicely. So that was really great to see. That was a nice ending, and I thought...

01:08:17.263 --> 01:08:19.263

At the end of the festival,

01:08:19.553 --> 01:08:23.553

Very shortly after the festival, we learned that would be the last festival.

01:08:23.553 --> 01:08:27.666

And so here's a curious fact that's not included in here.

01:08:28.310 --> 01:08:33.310

Um, we didn't... we never paid for the film sponsorship last year, because by the time

01:08:34.055 --> 01:08:36.055

They would be sending out invoices,

01:08:37.346 --> 01:08:39.346

the struct... the infrastructure for that was gone.

01:08:40.324 --> 01:08:46.324

So, I really... I went all the way through our budget process thinking there would be no more Ebert Fest, and then

01:08:46.961 --> 01:08:57.961

Um, Chaz Ebert called a bunch of us together and said she would really like to do a last one instead of the last one just being accidentally the last one. She would like it to be intentional, so she has

01:08:58.504 --> 01:09:01.504

booked the Virginia theater for two days,

01:09:01.503 --> 01:09:07.010

And the plan is to have a shorter festival for those two days, and then a big...

01:09:07.515 --> 01:09:11.515

meal at Steak and Shake on the third day. I don't know if she knows.

01:09:11.515 --> 01:09:13.496

About the Steak and Shakes,

01:09:13.495 --> 01:09:19.209

like, I mean, I don't know how you book the whole Steak and Shake for a bunch of festival guests.

01:09:19.463 --> 01:09:21.463

Um, so the...

01:09:21.462 --> 01:09:24.015
I don't know that this is actually going to happen.

01:09:24.623 --> 01:09:26.623
But if it does happen,

01:09:26.623 --> 01:09:33.622
I think it'd be great for us to be involved. Again, we've had some really nice impacts from it. The most it has cost...

01:09:33.623 --> 01:09:38.942
The Mental Health Board is \$15,000 for the whole film sponsorship.

01:09:39.154 --> 01:09:42.154
And then there's some incidentals, but those are usually offset.

01:09:42.486 --> 01:09:46.486
by contributions from members or by people buying passes.

01:09:46.487 --> 01:09:54.334
I don't know what the cost of a sponsorship would be this year, or if they're gonna have anybody in a position to send us an invoice.

01:09:55.322 --> 01:10:00.322
But we did not budget for this for the year. So, obviously, we would have a lot of money

01:10:01.359 --> 01:10:04.359
you know, from not paying consultants for the expo,

01:10:05.062 --> 01:10:11.062
to do this. The other thing is I'm going to ask the DD Board next week if they would like to

01:10:11.766 --> 01:10:15.766
co-sponsor of film. They haven't done that in many, many years because

01:10:15.856 --> 01:10:20.856
There were very few films that addressed developmental disabilities, so it was... it was...

01:10:21.366 --> 01:10:29.366
a strange partnership, but I think that there's a chance they would be in on it, so even if we had the full bill for \$15,000,

01:10:30.207 --> 01:10:38.207
Um, that the cost might actually be split between the Mental Health Board and the DD Board, according to the administrative cost-sharing agreement.

01:10:38.439 --> 01:10:42.439
So, that's why the decision is for that full amount.

01:10:43.914 --> 01:10:50.914

I don't know what's gonna happen. I was looking through old emails, and by this time last year, there was already a film selected for us, and we were already...

01:10:51.339 --> 01:10:57.339

Coordinating some promotions and working with artists. Stephanie Howard Gallo is

01:10:57.846 --> 01:11:02.846

Um, really great at bringing those artists together. She knows how to work with them, and...

01:11:03.619 --> 01:11:05.619

who the key supporters are, so...

01:11:05.620 --> 01:11:08.543

I'm confident we could do all the things.

01:11:09.404 --> 01:11:11.404

Just not sure there's really gonna be a festival.

01:11:11.405 --> 01:11:16.571

So, maybe 2026 is just a year of question marks, but I...

01:11:17.884 --> 01:11:19.884

Anyway, that's it.

01:11:20.986 --> 01:11:24.986

All right, any discussion from the board on this before we vote?

01:11:27.757 --> 01:11:29.757

I don't know, is...

01:11:31.241 --> 01:11:34.241

I don't even know. I know we've talked about this forever now. Is there, like,

01:11:34.070 --> 01:11:37.070

maybe a survey effort going on to get input?

01:11:37.269 --> 01:11:39.269

From past attendees...

01:11:39.684 --> 01:11:41.684

if this is really going to be a pause year?

01:11:42.186 --> 01:11:44.186

Is it something we regularly gather?

01:11:45.055 --> 01:11:48.055

it's gonna... the Eberfest is over.

01:11:48.860 --> 01:11:52.860

Yes, I got that. Yeah. I'm sorry, I'm... yeah, it's late, but...

01:11:53.092 --> 01:12:07.092

No, for, um, the Disability Expo, that's what I'm... or the expo that we were just talking about. I'm so sorry, I'm jumbling up two meetings. I think that's a great idea, that's actually one of the suggestions that I believe Jane had made. If there is an advisory committee that...

01:12:07.114 --> 01:12:13.114

They should start there by serving the... surveying the community as to what it wants of a...

01:12:13.338 --> 01:12:15.338

of an expo.

01:12:16.037 --> 01:12:24.037

Okay, thanks, and sorry again for... No, no, I... jumping back on the setup. No, I see it. Like, that is... that's something that folks had talked about, so...

01:12:25.069 --> 01:12:33.069

Yeah. It's something I'd actually thought about, that's why I was pointing out when you said it, I was like, oh, I just didn't say it in time, so I was like, yeah, we need to have some kind of evaluation, or some kind of survey, and...

01:12:33.699 --> 01:12:35.699

See what the people want, and see what they're interested in.

01:12:36.608 --> 01:12:41.608

They're very interconnected memos, since it's, like, we're kind of moving money from one thing to the other.

01:12:42.256 --> 01:12:50.256

And we always do do a survey thing after the event, but most surveys, you don't get a lot of

01:12:50.826 --> 01:12:54.826

response. That's why I kind of was like, okay, can we go to...

01:12:55.602 --> 01:13:04.602

Um, and autism, you know, meeting. You know, there's community choices, they do lots of different activities. Could we just be like, hey, did you go to the last expo? What did you like?

01:13:04.603 --> 01:13:12.134

Even if we just have a big dry erase board. And so, you know, they're shouting out things that they loved, or... it would have been better if this was there, and then...

01:13:13.099 --> 01:13:19.099

Right there was our unofficial survey, so... yeah, that was something I, like, was like, can we do this, maybe? So, yeah.

01:13:21.467 --> 01:13:26.467
That's okay. Um, any other discussion about the, um...

01:13:26.665 --> 01:13:28.665
the Ebertfest stuff.

01:13:32.998 --> 01:13:34.998
Well, I was looking quickly to see if, um...

01:13:35.422 --> 01:13:38.422
They even have it on the Virginia site, and they do not at this time.

01:13:39.411 --> 01:13:47.411
So it must not be... It's officially not happening now, but she just... oh, sorry. You know more about this than me, but Chaz brought it up, and she is interested, and I guess he reached out to people.

01:13:47.409 --> 01:13:54.645
So that's why we don't know. As of now, there is no more eBird Fest ever. But I think it's interesting that the Virginia doesn't even have down that

01:13:54.692 --> 01:13:58.692
They're rented that night. Or, you know what I'm saying, like, that there was something coming, you know?

01:14:00.235 --> 01:14:05.235
Yeah, I think I, like, read some article about it, and I was like, uh, does Lynn know about that?

01:14:05.309 --> 01:14:07.309
It's like the best...

01:14:08.284 --> 01:14:10.284
Somebody decided it's happening?

01:14:10.235 --> 01:14:19.235
Well, I guess I will go ahead and move to approve up to \$15,000 to sponsor an anti-stigma film at Roger Ebert's Film Festival 2026,

01:14:19.847 --> 01:14:22.847
And to authorize the Executive Director and staff to issue payments.

01:14:22.630 --> 01:14:24.630
I have a second. I'll second that.

01:14:24.966 --> 01:14:28.966
We have multiple... the McLay motions, Sprandel and Nichols second.

01:14:29.046 --> 01:14:31.046
Um, could...

01:14:31.878 --> 01:14:36.878
That's fine. We can give it to Tony, because Chris got the one earlier.

01:14:37.295 --> 01:14:39.295

Um, any further discussion?

01:14:41.152 --> 01:14:44.152

Do we have any say in the film, or do we just... okay.

01:14:45.608 --> 01:14:50.608

I wanted to... Do I have any say in the film? I mean, if you want to look at movies with me, please.

01:14:50.426 --> 01:14:55.426

There was one year early on... You don't want everybody watching the prison. Watched 30...

01:14:55.433 --> 01:14:58.433

Anti-stigma films, and it was so...

01:14:59.419 --> 01:15:07.419

depressing. Like, and it was, you know, I was doing it at night, I was doing it on work time, and after hours, and just, like, never, ever giving myself a break.

01:15:07.418 --> 01:15:15.564

like, you know, documentaries about suicide. Like, it was really, really hard to do, so I like it when they give me three choices.

01:15:15.565 --> 01:15:19.071

And I would be happy to ask you for feedback.

01:15:19.503 --> 01:15:22.503

But also, sometimes they just ask us generally for ideas.

01:15:22.768 --> 01:15:24.768

So...

01:15:25.499 --> 01:15:27.499

Any other discussion before we...

01:15:27.499 --> 01:15:29.502

Take the vote.

01:15:32.143 --> 01:15:35.143

All right, the motion has been clearly stated. May I have a roll call?

01:15:35.714 --> 01:15:37.714

Emily Rodriguez.

01:15:39.579 --> 01:15:42.579

Yes. Jane Sprandel. Yes.

01:15:42.944 --> 01:15:44.944

Jon Paul Yoaukim. Yes.

01:15:45.196 --> 01:15:47.196

Chris Miner. Yes.

01:15:47.242 --> 01:15:49.242

Nichols. Yes.

01:15:49.777 --> 01:15:51.777

Elaine Palencia. Yes.

01:15:52.143 --> 01:15:54.143

And Molly McLay. Yes.

01:15:54.425 --> 01:15:56.425

With that, the motion passes.

01:15:56.426 --> 01:16:02.898

And I think that's all of the voting we have to do this evening, so next we will move to reports.

01:16:02.882 --> 01:16:06.882

First is staff reports on pages 67 through 78.

01:16:08.020 --> 01:16:15.020

Are there any, um, is there any board discussion on the staff reports, or any updates you would like

01:16:14.754 --> 01:16:16.754

to share Lynn.

01:16:18.481 --> 01:16:24.481

I do want to share that, um, despite our best intentions, Chris Wilson and I had a plan

01:16:24.482 --> 01:16:28.286

to make his staff report accessible, but because it's...

01:16:29.070 --> 01:16:31.070

Mostly generated by the Munis...

01:16:31.925 --> 01:16:35.925

ERP, the accounting system that the whole county uses,

01:16:36.175 --> 01:16:43.175

it generated something like 5,000 errors, and I was like, I don't even know how to... I don't even know what the error is that...

01:16:43.788 --> 01:16:48.788

happened 5,000 times. So, we were not able to provide Chris's usual reports.

01:16:49.921 --> 01:16:54.921

Um, apologies, we will try to get that process started a lot earlier next time.

01:16:54.925 --> 01:16:56.925

So...

01:16:57.342 --> 01:17:03.342

Thank you for your hard work on all of these, and just... and for everything, making everything, um,

01:17:03.844 --> 01:17:05.844

ADA accessible, um...

01:17:06.732 --> 01:17:10.732

Any comments or questions about the reports from the board?

01:17:24.556 --> 01:17:29.556

All right, seeing none, we will next move to the Evaluation Capacity Building Project Update.

01:17:29.557 --> 01:17:36.818

So we will have an oral update from the team, and as always, the packet includes a link to the microlearning videos.

01:17:37.754 --> 01:17:40.754

So, take it away, we are excited to hear.

01:17:41.959 --> 01:17:43.959

Well, happy hump day, everybody!

01:17:45.059 --> 01:17:55.059

Yay! This is gonna be short. I know every time I come, I seem to have a micro-learning or something to show, and I'm sorry to disappoint you that this evening I don't have another one to show you, but we'll have a new one.

01:17:55.471 --> 01:18:04.471

Uh, probably in March. So we are, um, putting final touches on a one-page handout that will go along with how to, um,

01:18:05.017 --> 01:18:12.017

create one's own survey with free or very low-cost survey tools, such as Google and Microsoft Forms.

01:18:12.052 --> 01:18:16.052

Of which we get no proceeds from, and we do have a disclaimer in.

01:18:16.663 --> 01:18:21.663

Um, but so, hoping that this will be useful for both those who want to have the visual with the microlearning,

01:18:21.994 --> 01:18:26.994

As well as a tangible, um, uh, text and picture

01:18:27.704 --> 01:18:36.704

version, and then we will have a follow-up in person training with different agencies, uh, whomever wants to come, however many members that they want to have come.

01:18:36.704 --> 01:18:42.217

with their laptops so that we can actually work through showing them how to actually create one of the surveys.

01:18:43.168 --> 01:18:48.168

Um, that will be meaningful for them in real time, so we can give them technical assistance.

01:18:48.863 --> 01:18:54.863

And providing them, um, some of the tools that will be available to them, as well as the microlearning as homework.

01:18:55.112 --> 01:18:57.112

And one pager. Um...

01:18:58.245 --> 01:19:04.245

We are also... and so we've worked with our working group to get feedback on all of that, the content, and um...

01:19:05.191 --> 01:19:16.191

the display of what we're doing, so that's been wonderful. We are doing our technical assistance with three of the different agencies, working with them on their measure, for their outcomes, as well as logic models.

01:19:16.409 --> 01:19:21.409

And that's been going very well. Um, Kim has sent out a, um,

01:19:22.128 --> 01:19:26.128

reminder and an update of all of our evaluation activities in the newsletter.

01:19:26.462 --> 01:19:32.462

So that has been, um, something that we just provided to her, and we're hopeful that we'll get more

01:19:33.269 --> 01:19:35.269

Uh, requests for office hours.

01:19:35.571 --> 01:19:42.571

Which you think everyone would be, like, knocking down our door for office hours, but then again, people are very busy, and sometimes they don't know what they don't know.

01:19:42.572 --> 01:19:47.626

So we're getting the word out there about our office hours, in case anyone has questions about evaluation.

01:19:48.661 --> 01:19:51.661

And they're not one of our technical assistants, um...

01:19:51.661 --> 01:19:53.462
agencies or programs.

01:19:53.854 --> 01:19:55.854
And that's what I have for now!

01:19:57.816 --> 01:20:04.816
Thank you very much. That was actually a lot of stuff, I think. I was, like, thinking there wouldn't be much update, because it's January.

01:20:04.914 --> 01:20:08.914
But a lot of cool things happening. I think that

01:20:09.844 --> 01:20:15.844
the, um, how to make your own survey using, like, the low-cost tools, I think, is really, really important and will be valuable.

01:20:15.727 --> 01:20:23.727
Um, as well as the, like, having the handout and video, just different methods of learning for everybody.

01:20:24.751 --> 01:20:26.751
Any other discussion from the board?

01:20:29.022 --> 01:20:31.022
I don't know if you noticed that...

01:20:31.115 --> 01:20:34.115
Jacinda spilled the beans about Kim's newsletter.

01:20:34.839 --> 01:20:36.839
I know! Um...

01:20:37.352 --> 01:20:44.352
Leon and Kim and Shandra spent some time looking into different products, and we thought we had a perfect product, and it didn't work.

01:20:45.336 --> 01:20:52.336
So, Kim designed a beautiful newsletter full of really good information that's already public, so it doesn't create

01:20:52.237 --> 01:20:54.237
We wouldn't be, like...

01:20:54.485 --> 01:21:00.485
um, you know, creating an Open Meetings Act issue, or local record retention act issue.

01:21:00.484 --> 01:21:04.181
But we had to switch, so now she's working in a different...

01:21:04.521 --> 01:21:09.521
Um, online environment, and we are getting some help from IT. But it's...

01:21:09.521 --> 01:21:15.084

It's cool, so thank you guys. Thank you, Leon, Shandra, and especially Kim for this.

01:21:16.426 --> 01:21:20.426

I think y'all, like, have kind of wanted something like that for a minute, and...

01:21:20.426 --> 01:21:22.274

We're really close, so...

01:21:23.431 --> 01:21:27.431

Great, great to hear. I did catch that, but Kim's newsletter. I was like,

01:21:27.431 --> 01:21:32.901

hmm, I'm like, is this our Kim? Like, what? No one told me it was a secret.

01:21:34.025 --> 01:21:41.025

I think she and I both hoped that it would be out already. It's just we ran into a snag.

01:21:41.867 --> 01:21:43.867

The product that we all liked really made sense.

01:21:44.448 --> 01:21:46.448

And the other... then... so then we went backwards, and...

01:21:46.449 --> 01:21:52.251

Some of the other products we looked at are just way too expensive for what they are, but she found something that might work, so...

01:21:53.200 --> 01:21:57.200

Fingers crossed. Yeah, no, I, for one, have been...

01:21:57.498 --> 01:22:02.498

hearing from people in the community that they wanted something like this and, you know,

01:22:02.497 --> 01:22:06.075

have been pushing for a while, so I'm very excited.

01:22:06.601 --> 01:22:12.601

But... and also very excited about all of the activities that you are doing. Any additional comments from the board?

01:22:18.268 --> 01:22:23.268

All right, well, thank you very much for the update. And thank you for your support. Have a great night, too.

01:22:24.575 --> 01:22:29.575

Alright, next we will move to the Community Behavioral Health Needs Assessment activities.

01:22:29.574 --> 01:22:31.843

On pages 79 through 98.

01:22:32.631 --> 01:22:38.631

I think originally I didn't know there was going to be an update here, but what is here, and it's kind of a big update.

01:22:40.207 --> 01:22:44.207

I mean, you don't... you really don't have to do anything with this. This is... this is the...

01:22:46.401 --> 01:22:52.401

format for those work groups, I think we were talking about the work groups a lot in the fall, because they were meeting pretty actively.

01:22:52.401 --> 01:22:58.687

to define their actions, and so this brings it all together, and this is what the work groups will be doing.

01:22:58.923 --> 01:23:03.923

I think the health plan is actually for, like, 5 or 6 years.

01:23:04.058 --> 01:23:06.058

So it's longer than our own.

01:23:06.392 --> 01:23:09.392

But we do spend a lot of time working with them

01:23:09.757 --> 01:23:14.757

on these, and so I just thought you should see, and this is also posted

01:23:14.859 --> 01:23:18.859

On the county website with our other assessment stuff.

01:23:20.703 --> 01:23:22.703

So... Any discussion from the board?

01:23:28.999 --> 01:23:34.999

Alright, well, thank you very much. Um, Disability Resource Expo update, do we have any additional updates?

01:23:36.199 --> 01:23:44.199

We were really hopeful for one of those comprehensive annual reports from the coordinators. They thought they would do it, too, but they're not... we're not paying them anymore, so...

01:23:44.672 --> 01:23:47.672

Um, I didn't... I didn't get that, but they...

01:23:47.670 --> 01:23:49.670

That report usually...

01:23:50.684 --> 01:24:00.684

gives a lot of detail about survey results, as Mrs. Sprandel was talking about a minute ago. So, they may still surprise me and send it, and I'll put it in the packet when we have it, if we do.

01:24:00.977 --> 01:24:03.977

It's a good document, but I didn't get one. Because what...

01:24:05.107 --> 01:24:07.107

Are there unofficially results, though?

01:24:07.789 --> 01:24:11.789

from the surveys that just have not been compiled.

01:24:14.273 --> 01:24:17.273

Okay. I mean, I'm not volunteering for that, I'm not asking you guys to do it, but...

01:24:17.526 --> 01:24:23.526

Um, so yeah, I suppose some survey results, not a lot, um, but that might be something, too, that...

01:24:24.345 --> 01:24:28.345

you know, I could look through, and it might be something nice moving through on this, um...

01:24:29.410 --> 01:24:31.410

advisory thing, you know, if I could find some counsel.

01:24:31.410 --> 01:24:35.418

I might have you send that to me again, maybe I'll do that in all my free time.

01:24:35.418 --> 01:24:42.439

I think that there were so many different surveys, like, you might be thinking of the steering committee survey results.

01:24:42.948 --> 01:24:53.948

Uh, yes, I definitely have seen that, but I think in your office one day, I think I read some results, and I think that was... And you saw the bucket of the results, okay. Yeah, I think Kem had sent you something, so yes.

01:24:54.692 --> 01:24:56.692

We'll talk later, but yeah, I think there might be an...

01:24:56.692 --> 01:24:59.201

I could do an oral report, but maybe at some time.

01:25:01.095 --> 01:25:04.095

Any other, uh, comments on this one?

01:25:06.647 --> 01:25:14.647

All right, next we will move to comparison of 20... PY2025 agency revenues on pages 99 through 130.

01:25:15.931 --> 01:25:23.931

For information only is a report on revenue sources on which agencies funded by the CCMHB and CCDDDB rely.

01:25:24.983 --> 01:25:32.983

So, I know this is something that Lynn has been working on, and maybe other... I don't want to miss giving credit to anybody else who works on this with you, but...

01:25:33.147 --> 01:25:35.147

I know many times I was

01:25:35.636 --> 01:25:40.636

talking to Lynn about various other things, and she's like, I'm working on these charts!

01:25:41.825 --> 01:25:49.825

Um, so I'm very, uh, pre- I'm very excited about them, and thank you for doing it, but please explain what we have before us.

01:25:50.427 --> 01:25:55.427

Well, other people were helping me with proofreading, and just, like, how does it look?

01:25:55.426 --> 01:25:58.200

But yeah, it was... this is really just for...

01:25:58.684 --> 01:26:03.684

fun, and... because it has... look, it has pretty colors! Can you see?

01:26:04.036 --> 01:26:06.036

In the packet online.

01:26:05.996 --> 01:26:07.996

It has nice colors. It's also...

01:26:08.404 --> 01:26:13.404

ADA compliant, so I was learning a lot of things at once, but this is just one of the things that...

01:26:13.403 --> 01:26:18.014

that I like about the fall, I have a little bit more time, and I can...

01:26:19.058 --> 01:26:26.058

Dig into something that I always feel kind of bad about. We ask for a lot of data from the agencies, and we don't always give you a summary or

01:26:26.059 --> 01:26:28.382

something meaningful, using all those big data.

01:26:28.511 --> 01:26:32.511

Um, we've worked with STATS students and, um,

01:26:32.511 --> 01:26:34.586

And business students, and...

01:26:34.585 --> 01:26:39.701

you know, thinking about different ways to present different data, and what can you do with it, and I thought,

01:26:41.482 --> 01:26:48.482

This really is very simple. Where does the money come from for the agencies that people rely on for services?

01:26:48.484 --> 01:26:54.088

I don't know if people really realize how much work their tax dollars are doing.

01:26:54.772 --> 01:26:56.772

Um, and through which...

01:26:58.303 --> 01:27:00.303

venues, like, there was a time...

01:27:00.669 --> 01:27:03.669

Where you could look at an agency's revenue

01:27:04.489 --> 01:27:08.489

spread and say if they had too many state contracts,

01:27:08.489 --> 01:27:14.314

that they were really vulnerable, that that was a concentration of risk that was just too risky, because...

01:27:14.311 --> 01:27:19.311

Illinois budget was not good, and their payment were very slow, and...

01:27:19.466 --> 01:27:23.466

Medicaid providers were kind of, you know, falling off a cliff.

01:27:23.467 --> 01:27:27.410

Because of the problems with Illinois, but now,

01:27:27.410 --> 01:27:34.282

We look at some of those federal funds that were stable for years and years are now being moved around.

01:27:35.300 --> 01:27:38.300

There isn't a, like, a single change

01:27:38.748 --> 01:27:43.748

to call out, but this was a very stable year, PY25.

01:27:45.090 --> 01:27:48.090

So I think it gives a nice picture of where organizations

01:27:48.089 --> 01:27:56.791

get the money to do all the things they do. This memo is silent on what the services are, or whether people love the services, or how many people use them.

01:27:56.891 --> 01:27:58.891

It's just about where the money comes from.

01:27:59.245 --> 01:28:05.245

And one thing I learned in here, and there's just a comment somewhere in it. So the first few pages are kind of, like,

01:28:06.552 --> 01:28:11.552

If you look at all of it, and everybody that we're funding, where else are they getting money? And then,

01:28:11.575 --> 01:28:13.575

the last million pages are

01:28:13.730 --> 01:28:18.730

Each agency. But one thing I noticed when I got into each agency is that

01:28:19.673 --> 01:28:23.673

The older ones, that some have been around as long as the Mental Health Board have,

01:28:25.184 --> 01:28:27.184

has been... tend to have a lot more private

01:28:26.665 --> 01:28:28.665

funds. So that...

01:28:29.252 --> 01:28:34.252

Seems like... it seems like little agencies, when they get started, need private funding, and then

01:28:34.597 --> 01:28:38.597

For long-term sustainability, that becomes really important. So there's, like,

01:28:38.597 --> 01:28:42.181

some foundation funding. Anyway, I thought it was interesting, I like the colors.

01:28:42.421 --> 01:28:44.421

You don't have to do anything with this.

01:28:44.421 --> 01:28:47.478

But I was learning how to do these things.

01:28:48.015 --> 01:28:55.015

So, the other thing about this that I like is that we always worried about agencies that depended too much on us.

01:28:55.273 --> 01:28:57.273

And you can see how that...

01:28:57.856 --> 01:28:59.856
that message has gotten out to a lot of...

01:29:00.335 --> 01:29:02.335
agencies, and they look healthier.

01:29:02.656 --> 01:29:04.656
There's one or two that don't, but...

01:29:04.657 --> 01:29:14.130
I mean, they look like they have taken that... they've realized, through experience, that you've got to have multiple sources of funding, and...

01:29:14.515 --> 01:29:18.515
And funding that isn't going to go away tomorrow, or just happened

01:29:18.515 --> 01:29:24.091
on one fundraiser or something, so I liked that. I liked saying that we were not

01:29:25.044 --> 01:29:27.044
you know, the major funders.

01:29:27.416 --> 01:29:29.416
For most everything.

01:29:30.211 --> 01:29:32.211
Thank you. Any other comments?

01:29:39.171 --> 01:29:48.171
I wanted to comment on the private funding sources, um, so, like, for all the revenues of all agencies, 12% of them came from private.

01:29:49.721 --> 01:29:58.721
But... when you actually break down what private funding means, um, it was disappointing to see how little of that is coming from, like, the kind of

01:29:59.635 --> 01:30:04.635
strongly resourced community, private funds like Carle, OSF,

01:30:05.146 --> 01:30:11.146
Um, I mean, even United Way is a pretty small portion, but, like, Carle and OSF were 1%.

01:30:11.509 --> 01:30:14.509
of that, that most of the private funding was

01:30:15.093 --> 01:30:22.093
Um, contributions, client pay member dues, fundraising, and in-kind contributions.

01:30:22.093 --> 01:30:23.854

And, um, like...

01:30:25.819 --> 01:30:29.819
from other organizations was less than 15%.

01:30:29.814 --> 01:30:31.814
And I just think, like,

01:30:32.030 --> 01:30:36.030
why is that? Like, why is... are some of our, like...

01:30:37.450 --> 01:30:44.450
largest resources in our community not providing funding opportunity, or
they're not providing opportunities for funding? Are they not

01:30:44.449 --> 01:30:46.214
selecting agencies, like...

01:30:46.584 --> 01:30:51.584
what is that about? Because, you know, we do a lot of the heavy lifting
for the local,

01:30:51.582 --> 01:30:53.673
funding, but, um...

01:30:55.074 --> 01:30:59.074
you know, some of these private options are local, but they're not

01:30:58.985 --> 01:31:00.985
utilized.

01:31:01.625 --> 01:31:04.625
Particularly given that they're not paying taxes.

01:31:05.596 --> 01:31:10.596
that just... grates me. I also just want to note UIUC.

01:31:10.746 --> 01:31:13.746
Um, nothing. Um, and they have...

01:31:14.721 --> 01:31:21.721
like, two or three of their new efforts come to mind, that their funding
positions, meaning to link up with local funds, or local...

01:31:21.819 --> 01:31:24.819
organizations. I know DRI's been contacted.

01:31:24.820 --> 01:31:28.204
But... I don't know, I thought it was a very interesting report.

01:31:29.358 --> 01:31:33.358
I guess the, like, the bounds are... this is a...

01:31:33.400 --> 01:31:37.400

Maybe a very certain type of agency.

01:31:37.400 --> 01:31:44.500

So, maybe those other sources of community or private funding are going to other...

01:31:45.278 --> 01:31:47.278

to agencies that do totally different things.

01:31:47.288 --> 01:31:49.288

So there's that.

01:31:50.295 --> 01:31:52.295

But also, I was really heartened by...

01:31:52.918 --> 01:31:54.918

contributions, like...

01:31:55.737 --> 01:32:00.737

And fundraising, that we actually do live in a very generous community.

01:32:01.336 --> 01:32:08.336

With, you know, all of our other problems, that's kind of nice that people put that much money into these type of services.

01:32:08.721 --> 01:32:10.721

I thought that was nice. So, anyway.

01:32:11.367 --> 01:32:13.367

Any other comments?

01:32:20.054 --> 01:32:26.054

Well, um, thank you again very much, Lynn, for putting this together, and for the rest of the staff for helping out.

01:32:26.665 --> 01:32:31.665

Um, next, we will move to public participation agency inputs once more.

01:32:31.665 --> 01:32:36.693

Um, so once again, members of the public may speak with the Mental Health Board. We cannot

01:32:36.776 --> 01:32:40.776

respond directly to public comment, but we may use it to inform future decisions.

01:32:40.808 --> 01:32:46.808

If there's anyone online or in person that would like to speak with us, you can approach the podium, fill out a comment card,

01:32:47.154 --> 01:32:50.154

Put something in the chat or raise your hand on Zoom.

01:32:49.963 --> 01:32:54.963

Um, I may limit individual time to 5 minutes and total time to 20 minutes.

01:32:56.741 --> 01:33:00.741

there is a public comment. Um, so there's nobody in person.

01:33:01.000 --> 01:33:05.000

But it appears that there is somebody online who would like to make public comment.

01:33:05.251 --> 01:33:08.251

So, um, are we ready to...

01:33:08.820 --> 01:33:10.820

Yep. Jessica Smith.

01:33:11.639 --> 01:33:13.639

Please go ahead.

01:33:13.638 --> 01:33:22.574

Hi, everyone. Many of you probably do not know me, but I am from DSC. I am the Director of Family Development, um, and we get

01:33:23.609 --> 01:33:29.609

A lot of our funding from the MHB, so I'm glad to be here, um, and to participate in these meetings.

01:33:30.075 --> 01:33:36.075

Um, first, I just want to say thank you to Lynn for your kind words in the beginning, just to the organization as a whole.

01:33:36.677 --> 01:33:38.677

Um, I've only been here for about a year, but...

01:33:39.224 --> 01:33:44.224

I've known about DSC for quite a long time, so very glad to be a part of our agency.

01:33:44.451 --> 01:33:52.451

Um, just kind of want to really give a quick update, since we don't normally do that in these meetings, um, but just to kind of show

01:33:52.451 --> 01:34:00.404

the progress that our agency is going through, um, especially the Department of Family Development, since that's what you guys fund.

01:34:00.403 --> 01:34:03.624

Um, through the MHB for the majority, um,

01:34:03.625 --> 01:34:10.472

But I do just want to say, I feel like we've had really, really great collaborations throughout the community, um, which has increased

01:34:10.471 --> 01:34:13.445

our ability to just kind of get our name out there,

01:34:13.445 --> 01:34:25.122

talk about early intervention, talk about what our department's doing. We've seen a large increase in the number of developmental screenings that we've been able to provide, um, in daycare centers.

01:34:25.804 --> 01:34:28.804

Um, and within early childhood programs throughout the county,

01:34:29.702 --> 01:34:35.702

Um, we have a lot of really great interns from the U of I starting in our program this semester, so...

01:34:35.702 --> 01:34:38.059

Really excited to just promote

01:34:38.568 --> 01:34:44.568

early childhood professions, um, and kind of just see where those... where those professionals go.

01:34:44.570 --> 01:34:56.073

Um, and again, I feel like one of our biggest things is our collaboration with Salt and Light throughout the community, um, to establish our playgroups that are available for families and children within the county.

01:34:56.430 --> 01:35:03.430

Those have just started this week, and we'll go for 8 weeks, so we're really excited to see a lot of new kiddos, actually, on the roster.

01:35:04.094 --> 01:35:07.094

For this season, if you will, um...

01:35:07.669 --> 01:35:14.669

So yeah, just kind of want to thank all of you again for your continued support. As always, um, from the MHB, and

01:35:14.668 --> 01:35:17.752

Thank you again to Lynn for your kind words, because

01:35:18.490 --> 01:35:24.490

We definitely... we definitely work hard at what we do, and we appreciate the recognition. So, thank you guys very much.

01:35:26.849 --> 01:35:31.849

Thank you very much for your comment. Is there anyone else who would like to make public comment?

01:35:47.034 --> 01:35:51.034

It appears none, so we will next move on to board-to-board reports.

01:35:51.360 --> 01:35:56.360

As always, board members can serve as liaisons to community and agency boards.

01:35:56.488 --> 01:36:01.488

There's a list of possibilities on page 131, and if you'd like to get involved with that, you can

01:36:01.489 --> 01:36:03.452

reach out to Stephanie Howard Gallo.

01:36:03.453 --> 01:36:07.199

Um, are there any board members who want to make a board-to-board report?

01:36:09.159 --> 01:36:13.159

Yep, as usual, I was at Community Coalition this, um,

01:36:14.068 --> 01:36:19.068

This month, and they did something a little bit different. They had people pair up

01:36:19.805 --> 01:36:30.805

And just in that room, everybody that comes from all the agencies, if you were there, you had to pair up with somebody else, and you got 3 minutes to speak about yourself, and then they got 3 minutes, and then you switched.

01:36:31.145 --> 01:36:36.145

to another pair, and so you get to meet different people in different agencies, and...

01:36:36.733 --> 01:36:45.733

And, uh, it was... it was very interesting. It was short, but it was supposed to be. It was kind of, kind of like speed dating, you know, except without the date.

01:36:45.717 --> 01:36:50.717

So, it was, uh, something they were trying to get more...

01:36:50.864 --> 01:36:55.864

Um, acquaintance besides just sitting there next to somebody, so that was fun.

01:36:56.401 --> 01:36:58.401

And then the other thing was, um...

01:36:59.299 --> 01:37:09.299

an interest... an emphasis on school attendance as a predictor for so many things, and so there's an emphasis now going on

01:37:09.390 --> 01:37:13.390

across a lot of agencies is to make

01:37:14.000 --> 01:37:19.000

get kids to go to school and stay in school and help them do that, because otherwise...

01:37:20.329 --> 01:37:23.329

And there are all kinds of, you know, statistics about...

01:37:23.993 --> 01:37:25.993

about what that does to you if you...

01:37:27.356 --> 01:37:30.356

drop out of school, so that was... that was... they were both...

01:37:31.206 --> 01:37:33.206

interesting initiatives for that meeting.

01:37:34.423 --> 01:37:37.423

Thank you very much. Are there any other board-to-board reports?

01:37:39.299 --> 01:37:44.299

Um, kind of, sorta, and I'm gonna ask my friend Lynn to remind me

01:37:45.768 --> 01:37:50.768

what the actual name of what we went to last night, and then I'll tell you my perspective on it.

01:37:52.285 --> 01:38:01.285

what... there's a, um, developmental disabilities-focused agency called Community Choices, and they've been participating in a research project

01:38:02.221 --> 01:38:05.221

Um, that's at Queens University in Canada.

01:38:05.906 --> 01:38:10.906

Which, like, that project is in 6 different countries, and the only...

01:38:10.950 --> 01:38:14.950

U.S. agency... the only U.S. entity as Community Choices.

01:38:15.795 --> 01:38:18.795

But, um, I... I did one of the interviews with, um,

01:38:19.490 --> 01:38:24.490

So, I think... I don't know if anybody else here got a call from them to do an interview, but it was quite nice.

01:38:24.490 --> 01:38:29.172

So, and the project is about how do people balance

01:38:28.748 --> 01:38:31.748

family and natural support.

01:38:32.322 --> 01:38:34.322

with formal support.

01:38:35.114 --> 01:38:37.114

Anyway.

01:38:37.374 --> 01:38:44.374

Yeah, so they have done, um, some of the study. Last night, they presented. Um, we were the fifth country they had, um,

01:38:45.650 --> 01:38:51.650

you know, met up with some of their data. It was fascinating, and I know that we actually don't fund them on the Mental Health Board, but...

01:38:51.650 --> 01:38:53.896

There were so many things that really, um...

01:38:53.980 --> 01:38:57.980

encouraged me, and you know, like Chris pointed out, the idea of,

01:38:58.731 --> 01:39:00.731

You know, asking people

01:39:00.796 --> 01:39:05.796

who are currently living those experiences? What do you need? What do you want?

01:39:06.421 --> 01:39:12.421

Um, and it was just really, like, uplifting, and I really learned a lot about their agency, and the fact that

01:39:12.420 --> 01:39:17.085

This is the only agency in the United States that is doing this

01:39:17.369 --> 01:39:20.369

Worldwide study, and so it was really neat, and so I was glad that...

01:39:20.708 --> 01:39:25.708

Um, Lynn happened to send the invite to all of us, and my husband was working last night, and I was like,

01:39:26.577 --> 01:39:30.577

Heck, go work with some people, get some dispassionate food, and...

01:39:30.578 --> 01:39:35.537

I'm really glad I did, because I feel like there was some stuff I could bring back even into the mental health board of...

01:39:35.537 --> 01:39:39.930

Um, you know, one of their... and I think community choices actually uses this.

01:39:40.458 --> 01:39:42.458

with you, not for you.

01:39:42.457 --> 01:39:50.932

Um, and how important that is, whatever individuals we're working with, to partner with them rather than saying, oh, I'll do it for you, or

01:39:51.574 --> 01:39:54.574

I'm gonna tell you what to do. So, it was very nice.

01:39:56.214 --> 01:39:59.214

Thank you for sharing. Any other board-to-board reports?

01:40:04.056 --> 01:40:10.056

All right, seeing none, next, uh, County Board input. Do we have any County Board input? I do have some hot goss.

01:40:10.417 --> 01:40:14.417

Um, we are looking at restarting the reentry Council.

01:40:14.416 --> 01:40:20.111

Um, we have finally, after shifting from funding Rosecrans for that \$100K, which...

01:40:20.733 --> 01:40:23.733

I'm not going to be that candid, I have to remember it's a public meeting.

01:40:23.972 --> 01:40:28.972

We are now finally evaluating how we want to use that funds, and we know it's not a lot.

01:40:29.305 --> 01:40:34.305

Um, but we would like to figure out some way to leverage it into more money. So,

01:40:34.749 --> 01:40:43.749

Um, we have at least one dedicated person who works on grants, and, um, we will, again, reconvene that council to figure out

01:40:43.748 --> 01:40:50.866

what's the best ratio to hit? What are our goals? We're looking to, I guess, get more, maybe not elegant, or... but, um...

01:40:52.542 --> 01:40:59.542

We would like a way to set goals and to track if we are meeting those goals. So, I guess I just wanted to communicate that we're thinking more seriously about how we use those funds.

01:41:00.818 --> 01:41:02.818

Thank you for the update.

01:41:03.399 --> 01:41:08.399

Um, next we'll move to the CCDDDB board input. Lynn, any updates?

01:41:09.115 --> 01:41:17.115

No. All right, um, next to last, we have board announcements and input. Do any board members have announcements or input?

01:41:22.242 --> 01:41:30.242

All right, seeing none, the last thing to do is to adjourn our next study session will be next Wednesday, January 28th at 545 PM.

01:41:30.371 --> 01:41:34.371

right here in the Shields Carter Room of the Bennett Administrative Center in Urbana.

01:41:34.358 --> 01:41:36.358

Have a good night.
