Case Synopsis: On 10/17/2024, Deputies conducted a traffic stop near the intersection of Philo and Washington in Urbana for failure to use a turn signal. After making contact with the occupants, Deputies observed a marijuana blunt in the vehicles glove compartment. Deputies then searched the vehicle and while searching, observed small, white crystals, consistent with the appearance of crack cocaine. Deputies field tested the substance, and the field test yielded a positive result. Deputies would then detain both occupants, who denied knowing anything about the substance. Due to the field test using all the substance located, I was unable to collect any for evidentiary purposes.
